Chairman - Secretary's Message

Dear students , Faculty of our prestigious S. T.Hindu College , and Readers,

Let me at first submit my Pranams with gratitude at the Lotus feet of Lord Ganesha the Principle Deity of our Institution who always with us in all our activities in attaining success and keeping up our institution in the pinnacle of glory.

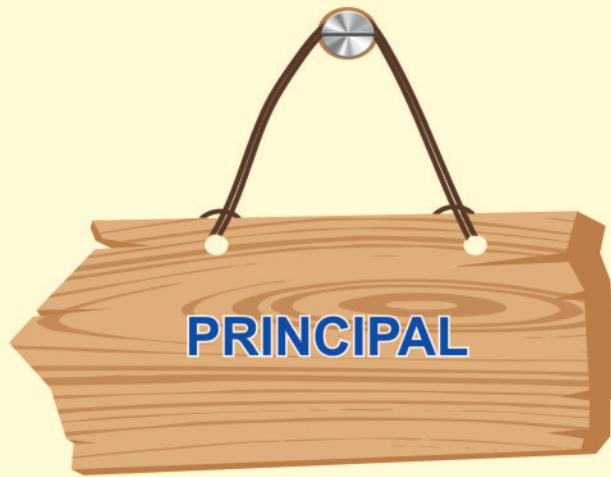

Our institution at its age of 73 years has been committed to excellence in education, fostering an environment that nurtures innovation ,critical thinking and holistic development. As we move forward in this ever evolving world, I encourage our students to embrace challenges, seek knowledge beyond textbooks and develop skills that will shape them into responsible global citizens.

Though we achieved to occupy the highest level in academics in our University,we are not at all any way inferior to others in getting ourselves involved in co- curricular activities. I whole heartedly appreciate the extraordinary involvements undertaken by our Board of Directors in looking after their given assignments keeping the academic and non academic activities so fascinating that make my administration task easier.

Our program of feeding 150 deserved students every day through the Chairman Midday Meal Scheme deserves special mention here, the one program which cannot be implemented or for that matter imagined by any of the other private Colleges . The continuous efforts of our faculties through the Carrier Development Program have fetched jobs for so many students who have never thought about it.

I finally extend my heart felt appreciation to the editorial team headed by Dr. V. Mary Kensa, contributors and every one involved in bringing this magazine to life. May this platform continue to inspire and serve as a beacon of knowledge and creativity for years to come.

Dr.A.Nagarajan, MS., FAIS.
Chairman-Secretary

Dr. T. M. PADMANABHAN, M.Com., MBA., M.Phil., Ph.D.

Message from the Principal

It fills me with immense joy to address you all with a spirit of camaraderie — a bond of trust, mutual respect, and shared purpose that makes our college a true family. With immense pleasure and pride, I pen this message for the 2024-2025 edition of our esteemed college magazine. S.T. Hindu College has always stood as a beacon of knowledge, character, and progress. With a rich legacy of academic excellence and a strong commitment to holistic development, our institution continues to inspire and shape the lives of countless students.

As we reflect on the past and look forward to the future, I am reminded of the words of Dr. A.P.J. Abdul Kalam - "Excellence is a continuous process and not an accident." These words perfectly condense the spirit of our college. Our faculty members, with their unwavering dedication, strive to ignite and nurture the minds of our students. I extend my heartfelt gratitude to our non-teaching staff as well, who work tirelessly to maintain the high standards of our institution.

To our dear students, you are the heart and soul of this institution. Your enthusiasm, creativity, and thirst for knowledge inspire us every day. As you journey through your academic life, remember that success is not just about grades but about the values you uphold and the impact you make on society. As Mahatma Gandhi once said, "Be the change that you wish to see in the world." Let this thought guide you as you strive to achieve your dreams.

Our college has always believed in the power of co-curricular and extracurricular activities in shaping a student's personality. The various clubs and events provide a platform for students to explore their talents and to express their creativity. I encourage each one of you to participate actively and make the most of these opportunities. The world today demands individuals who are not only knowledgeable but also empathetic, innovative, and adaptable. As we embrace digital transformation and global challenges, let us equip ourselves with the right skills and attitudes. Let us be lifelong learners, curious and open to new ideas.

As we move forward, let us remain committed to our mission of academic excellence, ethical integrity, and social responsibility. Let us work together to make S.T. Hindu College a symbol of hope, progress, and innovation. Together, let us continue to support, inspire, and uplift one another, fostering an environment where learning and unity thrive hand in hand.

Wishing you all a successful and fulfilling year ahead.

With warm regards,
Dr.T.M. Padmanabhan
Principal,

Dear members of the S. T. Hindu College Community,

Every year our college brings out a college magazine. Such an exercise is undertaken by almost all the colleges. What then is our purpose in bringing out this college magazine? Publishing a college magazine involves the hard work and utilisation of the resources of the college.

An educational institution exists not for itself. Neither is it only a medium to prepare students to get degrees nor only to provide employment to a few hundred people. An educational institution is a reflection of the society in which it exists. It is a marker of the importance given to education in society and the access that education had for a given number of people. Even today we speak of the ancient universities such as Nalanda and Takshashila which existed in our country. The British take great pride in the continuity of the Universities such as Oxford and Cambridge which are renowned worldwide for quality education.

National building cannot exist without institution building especially educational institutions. Therefore, the importance of the educational institution and the men and women working there is that they be aware that they are all working together with the management in nation building. Such an important task innation building deserves to be documented. College Magazine is not only a record of the activities done today, but also will serve as a document of history for future generations to know how nation building in this campus was done.

It is in this context that I see the preparation of the college magazine of our S.T.Hindu College as an attempt to capture the essence of the activities in the college during this year 2024-25. Along with the members of editorial committee, I am very glad to present in the following pages, various snapshots of this academic year.

Every attempt has been made to truthfully portray the various academic achievements and events in our college campus. Our college has been host to a number of activities this year. Our team has endeavoured that they are faithfully reported. I hope, this magazine will serve as an impetus to propel our academic community to greater heights in the future.

I take this opportunity to extend my thanks to our Chairman, Principal, the members of the management, the teaching and non-teaching staff, the students and the members of the Editorial Committee for their help in bringing out this college magazine.

Dr. V. Mary Kensa

ANNUAL REPORT 2024-2025

O Lord, the source of truth divine,
Let knowledge in our hearts entwine.
May wisdom's flame forever glow,
And guide our steps where we must go.
Through books and thought, our minds take flight,
Seeking truth in learning's light.
O Lord, let wisdom be our guide,
With faith and knowledge side by side.

With humble reverence and prayerful thoughts, I invoke the blessings of Lord Vinayaga, the remover of obstacles and the harbinger of wisdom and prosperity. This academic year has been a remarkable journey of achievements, growth, and collective efforts in the pursuit of excellence and we are indeed grateful to witness the 73rd College Day Celebration. Our students and faculty have demonstrated unwavering dedication in academics, co-curricular activities, and social initiatives, bringing laurels to our institution. The Annual Day is not merely a tradition, but a moment to pause and appreciate the collective efforts, triumphs, and lessons that have shaped our academic year. It is a day to celebrate the spirit of learning, the joy of discovery, and the bonds that unite us as a community. As the great philosopher Plato once said, "We are twice armed if we fight with faith." At S.T. Hindu College, we arm ourselves not just with knowledge, but with the faith in our potential to transform lives, to innovate, and to lead with integrity. Invoking the blessings of the presiding deity Lord Vinayaga, I would like to present the Annual Report for the academic year 2024-2025.

Most respected Chairman-Secretary Dr. A. Nagarajan, distinguished Chief Guest Dr. G. Viswanathan, Founder and Chancellor, Vellore Institute of Technology, Vellore, Vice-Chairman Sri. S. Gopalan, Secretary Sri P. Chidambaram, Joint Secretary Sri. V. Nagarajan, Treasurer Sri. K. M. Kumaraswamy, Members of the Board, Shareholders, Dr. B. Sivagami, Director, Self-Supporting Courses, all the Invitees, Learned Heads and staff of all the Departments, Office Superintendent Mrs. B. Valliamal, all supporting staff, Dr. B. Kumari Asha, Principal, S.T. Hindu College of Education, dear parents, Electronic and Print Media friends, Well-wishers and my loving students, Welcome to the 73rd College Day celebrations.

This year has been a testament to resilience and growth. Each of you, students, teachers, and parents has contributed to a tapestry of achievements that we will unfold in the pages of this report. From academic excellence to cultural vibrancy, from sporting victories to social initiatives, our college has continued to uphold its legacy of holistic education. It is this spirit of togetherness that has propelled us forward, turning challenges into opportunities and dreams into realities.

ANNUAL REPORT 2024-2025

It gives me immense pleasure to present this annual report, highlighting the achievements and progress of S.T. Hindu College. Our institution stands as a beacon of knowledge and values, and at the heart of this success is the strong and nurturing relationship between teachers and students. This bond forms the foundation of holistic education, inspiring intellectual curiosity, moral integrity, and personal growth. This integrity is rooted in the relationship between teachers and students at S.T. Hindu College, which is one of mutual respect, encouragement, and guidance. Our dedicated faculty members go beyond the call of duty to mentor and support students, nurturing their talents and shaping their futures. In turn, our students respond with enthusiasm, discipline, and a thirst for learning, creating an environment of shared growth and development. As William Arthur Ward once said, "The mediocre teacher tells, The good teacher explains; The superior teacher demonstrates; The great teacher inspires." Our teachers embody this spirit, striving not just to teach but to inspire.

This year has been one of remarkable achievements, and I am proud of the efforts made by our students and faculty alike. Whether in academics, sports, cultural events, or community service, their dedication and teamwork have brought many laurels to our institution. As Albert Einstein aptly said, "Education is not the learning of facts, but the training of the mind to think." At S.T. Hindu College, we foster this spirit of critical thinking and creativity, ensuring our students are well-prepared for the challenges of the future.

As we look ahead, let us continue to strengthen this partnership of learning, nurturing an environment where knowledge, innovation and character flourish. I express my heartfelt gratitude to our staff, students, parents, and well-wishers for their unwavering support and commitment. Together, we will continue to scale new heights and make S.T. Hindu College a model of excellence.

Staff and Students Strength

The academic year 2024-2025 commenced on June 19, 2024, marking a new era of academic excellence and commitment. With a dynamic team of 128 teaching faculty, and 51 non-teaching staff, our institution stands as a pillar of enlightenment, guiding students toward intellectual growth and empowerment. Also, to reinforce our academic foundation, we proudly have an additional 66 teaching and 7 non-teaching members under the self-supporting scheme, to ensure an unwavering dedication to quality education. With a vibrant number of 3072 students, our college continues to foster knowledge,

innovation, and critical thinking. Additionally, 46 dedicated research scholars are admitted to the research stream, pursuing their doctoral studies, making significant contributions.

Student Union

Publications :

During this academic year our faculty published more than 150 articles in various national and international journals, thereby excelling the research standard of our institution.

Endowment Lectures :

- * Dr.C.Sankaran Pillai Endowment Lecture conducted by the Department of Economics
- * Sri. Kumarimunai Keisar Endowment Lecture on Generative AI, conducted by the Department of Computer Science.
- * We truly appreciate the Self-Supporting stream for conducting 3 endowment lectures during this academic year.

Other Achievements :

IQAC

As an institution committed to academic excellence and holistic development, we have taken significant strides in enhancing the quality of education and fostering innovation across various domains. The Internal Quality Assurance Cell (IQAC) has played a crucial role in ensuring that we maintain high academic and administrative standards.

We successfully submitted and received acceptance for the Annual Quality Assurance Reports (AQARs) for the academic years 2022–23 and 2023–24, showcasing our commitment to transparency and continuous improvement. Regular IQAC meetings were conducted to assess institutional performance, review quality benchmarks, and implement new initiatives.

In-Service Training Programme

A special In-Service Training Programme for Science Teachers in Kanyakumari District was organized in collaboration with the Tamil Nadu State Council for Science and Technology (TNSCST). This helped to enhance teaching methodologies and practical skills. The training aimed to empower science teachers handling classes from 6th to 10th standard in Kanyakumari District with:

- + Modern teaching methodologies to enhance science education.
- + Hands-on laboratory training for improved practical learning.
- + Exposure to innovative approaches integrating technology in teaching.

A dedicated training session on the E-Governance portal was conducted for faculty members to streamline data management and improve administrative efficiency. These achievements have been possible due to the unwavering support of our management, faculty, and students. I extend my sincere gratitude to our Chairman Secretary Dr.A.Nagarajan and the IQAC Coordinator, Dr. K. Pazhanikumar, for their dedication and commitment to quality enhancement.

NIRF :

We have submitted the NIRF report for the academic year 2023-2024 and we congratulate Dr.K.Madhu for his tireless efforts.

AISHE :

The yearly AISHE report for the academic year 2023–2024 has been successfully submitted. Congratulations to Dr. Shanmugha Prasad on this achievement.

ANNUAL REPORT 2024-2025

NPTEL Local Chapter

The NPTEL Local Chapter at S.T. Hindu College has seen remarkable growth, fostering self-paced learning and skill enhancement. In the July–December 2024 session, 130 students enrolled, with 40 registering for certification exams and over 25 earning certificates. An NPTEL Awareness e-Workshop was held on July 30, 2024, in collaboration with Baba Mastnath University to promote participation. The January–April 2025 session saw an increased engagement, with 185 students enrolling. Dr. K. Pazhanikumar, the SPOC, received the “Active SPOC” recognition and two Mentor Certificates for his guidance.

TNEA Facilitation Center

The Tamil Nadu Engineering Admissions (TNEA) is a fully online counseling process conducted by the Directorate of Technical Education (DoTE) for engineering and technology admissions. To assist candidates, TNEA Facilitation Centers (TFCs) provide internet access and guidance. Since 2019, S.T. Hindu College, Nagercoil, has been serving as a TNEA Facilitation Center (TFC) for Kanyakumari District, ensuring a smooth admission process. The center supports students with registration, certificate verification, and admission procedures, playing a vital role in the district's TNEA process.

Chairman Mid-Day Meals Scheme :

The free mid-day meal scheme, aimed at providing nutritious and wholesome meals daily to deserving students, has become a significant milestone in the history of S.T. Hindu College. This philanthropic initiative, launched by our esteemed Chairman Dr. A. Nagarajan, ensures that economically disadvantaged students receive a healthy meal every day.

Free Health Check-up & Eye Check-up :

Free health check-up programmes were conducted at the institution, including an Eye check-up camp by Bejan Singh Eye Hospital on 25th March 2025 and a Uterus cancer awareness programme for Babilona virus by Sushrushah Hospital on 17th March 2025. The initiative aimed to promote early detection and awareness of critical health issues among students and staff.

Staff Participation :

The faculty members of our college actively engaged in academic and professional development activities. They presented research papers at national and international seminars, attended orientation and refresher courses, and served as External Examiners for various colleges and universities. They also contributed as chairpersons and members of the Board of Studies. Many faculty members also served as subject experts on appointment committees and inspection commissions. They have also played a significant role as members of doctoral committees in various colleges.

Extension Activities :

National Cadet Corps (NCC)

The NCC cadets of our college play a vital role in both the institution and the community through their dedicated participation in various activities and initiatives. Their rigorous training has shaped their character, honed their skills, and instilled in them the values of discipline, teamwork, and leadership. A special acknowledgment is due to our Girls' Battalion Officer, Captain Dr. V. G. Bhagavathi Ammal, whose exemplary leadership and mentorship have inspired numerous young cadets to excel in all aspects of their NCC training and beyond. Under her guidance, the cadets have made remarkable contributions, demonstrating excellence in various fields, including community service, awareness campaigns, and discipline-oriented programs. Their dedication and achievements continue to bring recognition to the institution, making their efforts truly commendable.

National Service Scheme (NSS)

The eight NSS units of our college have rendered exceptional service throughout the academic year 2024-2025, significantly impacting the institution and the community. The NSS units successfully organized a series of meaningful and impactful programmes, showcasing their dedication to social responsibility, leadership, and community development.

year 2024-2025, the YRC organized impactful programmes, including an orientation session to familiarize students with YRC objectives, a disaster management and first aid training camp to equip them with life-saving skills, and competitions on Geneva Convention Day to raise awareness about humanitarian laws. A vigilance and anti-corruption awareness programme was conducted to promote integrity, while a blood donation camp encouraged voluntary contributions, earning the YRC a Certificate of Appreciation. Additionally, students participated in a district-level study camp to enhance their engagement in social service.

Naan Mudhalvan :

The SPOC of the Naan Mudhalvan programme, Dr. Satya, along with the Managers, deserves sincere appreciation for their exceptional dedication and commitment to helping students excel in a diverse range of value-added courses. Their collective contributions exemplify the spirit of mentorship and academic excellence, inspiring students to strive for knowledge, innovation, and holistic development. Their unwavering efforts continue to shape a brighter future for learners, fostering a culture of continuous growth and success.

SCC and HCC (Students Counselling Centre & Health Care Centre)

The SCC & HCC primarily aim to provide psycho-social stress relief counseling and promote health care awareness. Comprising 14 peer group members from the UG department, the center operates within a dedicated space in the Ladies' Hostel. It is equipped with essential facilities, including three beds and first-aid kits, to support unwell students. Additionally, as per the directives of the Tamil Nadu State Government, deworming and iron tablets were distributed to students through SCC & HCC. These initiatives ensure students receive necessary medical care and support for their overall well-being. The dedicated efforts of medical counselor Dr. Latha Nagarajan, coordinator Dr. S. Surenderan, and the committed peer group members have been instrumental in the success of this initiative. Their selfless service continues to foster a healthier and more supportive campus environment.

Career Development Cell

The Career and Counselling Cell has been actively engaging students by organizing various coaching classes and facilitating their participation in recruitment drives. These initiatives help students enhance their skills and improve their employability prospects. The dedicated efforts of Mr.T.Sreenivasan, Mr. V. L. Vijay Krishna, and Mr.C.S.Annamalai, deserve sincere appreciation for their voluntary service. Their commitment and guidance have played a crucial role in shaping students' career paths and preparing them for future opportunities.

Conclusion

As I pen this annual report, I am filled with a mix of emotions, as this marks my last report as the principal of this illustrious institution. It has been a meaningful journey filled with challenges, triumphs, and countless unforgettable moments. My heart swells with gratitude as I pause to reflect on all the remarkable experiences we've shared.

First and foremost, I extend my deepest and most sincere thanks to our esteemed Chairman, Dr.A.Nagarajan MS., FAIS. Your unwavering support has been a cornerstone throughout my tenure. You have been my pillar of strength, guiding and encouraging me at every turn. I am endlessly grateful for the trust you placed in me, enriching my journey with your wisdom and vision. As I move forward, I will carry the invaluable memories of our collaboration-and I will cherish your belief in our mission until my last breath. Thank you, Sir.

To my dear teaching and non-teaching staff, words cannot adequately express my gratitude. Each and every one of you plays a pivotal role in the workings of our institution. It is your dedication, passion, and commitment that keep the fabric of our community strong and vibrant. Without your tireless efforts and teamwork, our institution would not have flourished as it has. Thank you for your support, resilience, and solid commitment to our students and to one another.

To the Heads of all, Departments, mere words cannot express how grateful I am for your untiring support, dedication, and leadership. Each one of you has played a pivotal role in shaping the academic and professional journey of our students. Your commitment to maintaining high academic standards, fostering innovation, and nurturing student growth has been nothing short of inspiring. Whether it was coordinating academic schedules, guiding faculty, or addressing student concerns, your proactive approach and problem-solving skills have made my role as Principal infinitely easier. You have not just managed your departments—you have led them with vision and heart. I am so thankful to each one of you for your tireless efforts and for taking such wonderful care of your departments.

I also wish to acknowledge the various cells within our institution that have contributed to our success. The Internal Quality Assurance Cell (IQAC), under the leadership of Dr.K.Pazhani Kumar, its dedicated members, deserves special mention this year. After a rigorous journey of 14 long years, we achieved reaccreditation by the National Assessment and Accreditation Council (NAAC). This milestone is a testament to your hard work and commitment to quality education. Thank you for this remarkable feat.

I would also like to express my gratitude to the NIRF team, led by Dr. K.U. Madhu, and the AISHE team under Dr. K. Shanmugha Prasad, both of whom have played crucial roles in positioning our institution favourably in national rankings. The drive, tenacity, and vision you have shown have been instrumental in enhancing our institution's reputation and outreach.

ANNUAL REPORT 2024-2025

I acknowledge the hard work of the Naan Mudhalvan team, led by Dr. J. Satya, and our Admissions Cell members Dr.K.G.Anithakumari, Dr.C.Manickavasagam, Dr.U.Eswara Pillai, and Dr.A.Vinayagram, your efforts have not gone unnoticed. Without your collective support, we would not be the esteemed institution that we are today.

To the Exam Cell members Dr.U.Eswara Pillai, Dr.A.Vinayagram, and Dr.M.A.Pillai, I extend my heartfelt appreciation. Conducting examinations for over 3,500 students is no small feat. Your meticulous planning and execution ensure fairness and integrity in the examination process, and your efforts have made a significant impact on our academic environment. I am grateful for your unwavering dedication.

One of the most gratifying accomplishments of my tenure has been witnessing our Placement Cell, under the dynamic leadership of Dr. M. Saji, scale unprecedented heights. I am thrilled to share that our institution has secured the No. 1 position in the Arts and Science College category for student placements in M.S University and 17th in Tamilnadu. Our students have been successfully placed in reputed organizations, a testament to their hard work and the relentless efforts of the Placement Cell. This milestone was further honoured by Manonmaniam Sundaranar University, bringing immense pride to our institution. Dr. M. Saji, your dedication has been instrumental in this success-thank you for your commitment. A principal is only as strong as the team that supports them, and I have been blessed with an extraordinary team.

Dr. C. Manickavasagam (Librarian) Your leadership in my absence has been nothing short of masterful. You have shouldered responsibilities with grace and efficiency, ensuring the smooth functioning of the college. My heartfelt thanks for your steadfast support.

Dr. S. Vahitha, Department of English for her inspiring academic support - your dedication made my tenure as Principal both rewarding and successful. Your professionalism exemplifies the excellence that defines our institution.

Mrs. B. Valliammal (Office Superintendent) You are the heart of our administrative machinery. Without a doubt, you and your team have made my role as Principal significantly easier through your diligence, kindness, and impeccable coordination. The appreciation received from the Regional Joint Directorate for our office staff's exemplary work stands as a testament to your efforts. And Mrs. S. Shakila's role in our college is worth mentioning. From managing critical documentation to coordinating between departments, your efficiency has been the backbone of our daily operations, and it is your personal support to me that I cherish most.

Mr. C. Ramaswamy Pillai (Exam Administration) & Mr. M. Muhunthan (Pay Bill Section) Your meticulous work in critical administrative functions has been invaluable. The seamless operation of exams and financial processes owes much to your dedication.

I extend my deepest gratitude to Dr. B. Sivagami, Director of the Self-Supporting courses, for her strenuous efforts in ensuring the smooth and successful functioning of this stream. Your leadership has been pivotal in maintaining academic excellence and operational efficiency.

Mr. V. Gandhinathan & the entire Administration Office Staff, your multifaceted support has been the backbone of this institution. Whether in routine tasks or unforeseen challenges, your contributions have been immeasurable.

My tenure has been defined by milestones that have not only elevated our institution's stature but have also profoundly impacted lives. Landmark achievements during my tenure : Chairman's Visionary Initiatives Midday Meal Scheme for Economically Disadvantaged Students. The magnanimous brainchild of our beloved Chairman, this initiative has been a lifeline for countless students, ensuring no learner remains hungry while pursuing education. This scheme embodies our institution's commitment to inclusivity and student welfare.

Medical Counselling Centre spearheaded by the compassionate Dr. Latha Nagarajan, this centre has become a sanctuary for student health physical and emotional. From routine check-ups to mental health support, Dr. Latha's tireless dedication has nurtured our students' well-being. Thank you, Dr. Latha Nagarajan, for being the healing touch of our campus needed.

Infrastructure Renovation

Renovation of the Principal's Chamber:

Once a functional space, it now stands as an aesthetic symbol of leadership-blending tradition with modernity, reflecting the dignity of this office. State-of-the-Art laboratory upgrades our Botany, Zoology, and Chemistry labs have been transformed into high-end learning hubs with cutting-edge equipment, empowering students to engage in

advanced research and innovation. Transformation of our prestigious library: The library's breathtaking renovation has redefined academic ambiance, offering students a world-class space for study and intellectual exploration-akin to global standards.

Academic Excellence & Global Recognition

International Seminars by Botany & Zoology Departments: These groundbreaking events brought together luminaries from across the globe, placing our institution on the international academic map. The knowledge exchanged here will resonate for years to come.

If I were to detail every achievement—the festivals, cultural revivals, sports victories, or alumni feats—this report would span volumes. What matters most is the culture of excellence we've built together.

As I bid adieu to this institution that has been my home, I leave you not just with gratitude, but with a philosophical reflection inspired by Socrates, who taught us that "the unexamined life is not worth living."

1. "Know Thyself" - The Greatest Journey Begins Within

Education is not merely about degrees or jobs—it is about “discovering who you are. Ask yourselves:

- What ignites your curiosity?
- What values will you refuse to compromise?
- How will you use your knowledge to serve others?

True success lies in aligning your career with your conscience.

2. "Wisdom Starts with Wonder" – Stay Forever Curious

Like Socrates, who questioned everything, never stop learning. The world's greatest innovations began with a simple "Why?" or "What if?" Whether in science, arts, or life, let wonder be your compass.

3. "The Only True Wisdom is in Knowing You Know Nothing" – Embrace Humility

No matter how high you rise, remember that every expert was once a beginner. Stay humble, listen deeply, and let every interaction teach you something new.

4. "To Find Yourself, Think for Yourself" – Defy Echo Chambers

In an age of social media and shortcuts, dare to think independently. Challenge assumptions, debate respectfully, and forge your own path.

5. "Education is the Kindling of a Flame" – Keep Yourself Alive

Our renovated labs, library, and seminars were built to “ignite” minds—not just fill them. Carry that flame forward. Learn not just for exams, but for life.

Finally, “The Secret of Change is to Focus All Your Energy Not on Fighting the Old, But on Building the New”
As you step into the world, don't just adapt to change - “create it”.

As I pass the torch, I do so with confidence that this institution's legacy will only grow brighter. Thank you for letting me serve as your Principal. This isn't goodbye it's a “see later from a forever Well-Wisher”

I congratulate them all.

Happy Retirement

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of S.T. Hindu College, Nagercoil, plays a pivotal role in ensuring continuous quality improvement in academic and administrative domains. The IQAC is committed to promoting best practices, fostering innovation, and enhancing the institution's overall performance through a range of strategic initiatives.

Key Activities and Achievements (2024–2025)

Submission and Acceptance of AQARs

Successfully submitted and received acceptance for the Annual Quality Assurance Reports (AQARs) for the academic years 2022–23 and 2023–24, reflecting the institution's dedication to quality and transparency.

Annual Quality Assurance Report (AQAR) for the academic year 2022-23 was successfully submitted. The submission took place in the presence of our esteemed Chairman and our respected Principal.

Periodic IQAC Meetings

Conducted regular IQAC meetings to review institutional performance, discuss quality benchmarks, and plan new initiatives. These meetings facilitated continuous assessment and improvement of academic standards.

In-Service Training for Science Teachers

Organized an **In-Service Training Programme for Science Teachers in Kanyakumari District** in collaboration with the **Tamil Nadu State Council for Science and Technology (TNSCST)**. This programme aimed to update the teachers on recent advancements in science education, enhance their teaching methodologies, and improve their practical skills in science pedagogy.

Teacher Training on E-Governance Portal:

Conducted a special training session for faculty on how to enter and update their details in the E-Governance portal, ensuring effective data management and improving administrative efficiency.

NPTEL Participation

Facilitated active participation in **NPTEL** (National Programme on Technology Enhanced Learning) courses, with **130 students** enrolling in various courses during the July–December 2024 session and 185 students enrolling in various courses during the January–April 2025 session. This significant growth highlights the increasing interest in online learning among students.

Faculty Development and Continuous Learning

Motivated faculty members to participate in Faculty Development Programs (**FDPs**) and **MOOCs** to stay updated with the latest trends and technologies in their respective fields, thereby fostering professional growth and skill enhancement.

The IQAC expresses its heartfelt gratitude to the Chairman-Secretary, and Principal for their invaluable support and encouragement. The continued cooperation from IQAC Members, faculty, students, and other stakeholders ensures the sustained success of IQAC initiatives.

Dr. K. Pazhanikumar - IQAC Coordinator

NPTEL Local Chapter (ID: 6098)

In September 2023, S.T. Hindu College proudly established its NPTEL Local Chapter, aiming to promote online education and empower students and faculty with access to quality learning resources. Since its inception, the Local Chapter has witnessed tremendous growth and enthusiastic participation.

July–December 2024 Session

- ★ **130 students** enrolled in various NPTEL courses.
- ★ **40 students** registered for the NPTEL exam.
- ★ **Over 25 students** earned NPTEL course certificates, reflecting their dedication and academic excellence.
- ★ **Three faculty members** were awarded **FDP (Faculty Development Program)** certificates.

An NPTEL Awareness e-Workshop was conducted on **July 30, 2024**, in collaboration with **S.T. Hindu College**, Tamil Nadu, and **Baba Mastnath University**, Haryana to encourage participation and explain the benefits of NPTEL certifications.

January–April 2025 Session

- ★ **185 students** enrolled in NPTEL courses, indicating a significant increase in participation.

As the **Single Point of Contact (SPOC)** for the Local Chapter, I am honored to have received the "Active SPOC" recognition from NPTEL for my efforts in coordinating the chapter's activities. Additionally, I was awarded **two Mentor Certificates** for guiding students in their learning journey.

I sincerely thank our College Chairman- Secretary, and Principal for their constant encouragement and support. My heartfelt gratitude also extends to the faculty members, students, and the NPTEL team for their valuable cooperation. With continued efforts, we look forward to achieving new milestones in empowering our students and faculty through NPTEL.

One Day Seminar On "Role of Rare Earth Minerals in Green Energy and Opportunities in Embedded System"

On February 20th 2025, Department of Electronics and Department of Nanoscience & Nanotechnology, S.T. Hindu College organised One day seminar on "Role of Rare Earth Minerals in Green Energy and Opportunities in Embedded System". This Seminar was organised in collaboration with IREL Limited, Manavalakuruchi and Automation of IPCS Global, Tirunelveli.

The programme commenced at 10.30 am with the Inauguration ceremony. Prof. N. Padmakumar, Head of the Department of Electronics delivered the welcome address. Chairman Dr. A. Nagarajan, M.S., FAIS., delivered the Presidential address, followed by an encouraging motivational inaugural speech by our Principal Dr. T.M.Padmanabhan. Dr. B. Sivagami, Director of Self-Supporting stream felicitated the Function. Dr. M.J. Uma, Head of the Department of PG Electronics delivered the Vote of Thanks.

After the end of Inauguration ceremony, the technical session started after the tea break at 11.45AM. The First technical session was started by Shri N.Selvarajan, Chief General Manager & Head ,IREL (India) Limited, Manavalakuruchi. The students were explored about the Rare Earth Mining techniques at IREL and about various job opportunities available in IREL. The Students were motivated by the speech given by Shri N.Selvarajan regarding method of selection process in central government jobs and how to crack the competitive exams.

After the Lunch break, the technical session two was started by Shri. K. Abdul Kadhar Jailani, Project Engineer in Embedded and Automation of IPCS Global, Tirunelveli. The students were benefited by his speech regarding the various opportunities that are available in the field of Embedded and Automation systems.

சிறுகதை - மனதில் ஒரு.....

முனைவர் லு. ரெஜி,

உதவிப்பேராசிரியர், சுயநிதிப் பிரிவு தமிழ்த்துறை,

அன்றும் வழக்கம் போல் வகுப்புகள் நடந்து கொண்டிருந்தன. புதுமுக வகுப்புகள் முடிந்து ஓரிருநாட்களே ஆகிவிட்ட நிலையில் அப்பொழுது தான் ஒவ்வொரு மாணவர்களைப் பற்றியும் அம்மு பேராசிரியைக்கு சிறு புரிதல் ஏற்பட்டிருந்தது. அவள் செல்லும் அனைத்து வகுப்புகளுமே அம்முவுக்கு கொள்ளை பிரியம்தான் என்றாலும் இந்த வகுப்பு இன்னும் கொஞ்சம் ஸ்பெஷல் என்றே சொல்லாம்.

ஏனெனில் வகுப்புகள் ஆரம்பித்தாலே வகுப்புகள் குண்டுசி விழுந்தால் கூட கேட்கும் அளவிற்கு அத்தனை நிசப்தமாக இருக்கும். வருகைப் பதிவினை அம்மு பதிவு செய்து கொண்டிருக்கும்போது தான் வான்மதி பேராசிரியை மாணவர்களுக்கான டிப்ளமோ வகுப்புக்கு சேர்க்கச் சொல்லி கூறி இருந்தது நினைவிற்கு வந்தது.

வருகைப் பதிவினை எடுத்து முடித்த நிலையில் எனதருமைகுழந்தைகளே யார்? யார்? இந்த கோர்ஸ்க்கு சேரப்போறீங்க என கேட்டவுடன் முதல் ஆளாக பெயரை பதிவு செய்திருந்தாள் குமுதினி. பின் ஓரிருவர் மட்டும் பெயரை பதிவு செய்தனர். வாரம் ஒன்று கடந்தாவிட்டது. அம்மு வகுப்புகள் எடுக்கும் ஆர்வத்தில் டிப்ளமோ வகுப்பு ஞாபகத்திற்கு வரவில்லை. வழக்கமான அந்த வகுப்பின் இறுதியில்தான் திடீரென நினைவிற்கு வந்தது யார் யாரெல்லாம் சேருவீங்க? பெயரை பதிவு செய்யுங்கள் என அன்றும் அம்மு கேட்டதும் இன்னும் பலர் குறைந்தபட்சமாக வகுப்பில் இருக்கும் அறுபது மாணவர்களில் பெரும்பாலான மாணவர்கள் பெயரை பதிவு செய்தாகிவிட்டது.

ஆனால் குமுதினி மட்டும் எந்த சலனமும் இல்லாமல் அமைதியாகவே இருந்தாள். குமுதினி நன்றாக படிக்கக்கூடிய சிறந்த மாணவிதான். ஆனால் அவளது அமைதி அம்முக்கு என்னவோ செய்தது. வகுப்பில் அனைத்து மாணவர்களின் முன்பும் அவளைக்கேட்க ஒருமாதிரி இருந்தது. இருந்தாலும் வெளிக்காட்டிக்கொள்ளாமல் குமுதினி என்னம்மா ஆச்சு? ஏன் ஒருமாதிரி இருக்கிறாய் என ஆர்வமுடன் அவளிடம் கேட்டாள் அம்மு... குமுதினி ஒன்றுமில்லை அம்மா என்று பதில் இறுத்தாள்.

மதிய இடைவேளையின் போது ஓடிவந்த குமுதினி என்னை மன்னித்துவிடுங்கள் அம்மா என்றாள். நீ என்னம்மா அப்படி பெரிய தப்பு பண்ணிட்ட, உன்னிடம் மன்னிக்க என்றாள் அம்மு.

வீட்டில் நிலவும் வறுமைச் சூழலும் எனது காதல் திருமணமுமேதான் காரணம் அம்மா என்று பதில் அளித்தாள் படிக்கும் வயதில் வந்த காதலால்தான் இவளது நிலை இப்படியாகிட்டே என மனதிற்குள் வேதனைப்பட்டேன். கணவனது வருவாய்க்கு உட்பட்டு எனது கல்வி கற்கும் சூழல் இருப்பதால் என்னால் இவ்வகுப்பிற்கு வர இயலாது என்றாள்.

நிலைமைகைமீறிப் போய்விட்டது இனி அவளுக்கு அறிவுரை கூறியும் எந்த பலனும் வரப்போவதில்லை. அவள் எடுத்த முடிவு... அவள்தான் அத்தனை சுமுகமாக கையாள வேண்டும் என அம்முவிடமிரு எண்ண அலைகள் மனதில் ஓடினாலும் எதனையும் வெளிக்காட்டிக்கொள்ளாமல் அம்மு ஓ! இவ்வளவுதானா? நானும் என்னமோ ஏதோ என்று பயந்தே போயிட்டேனே. சரிடா உன் பெயர் பதிவு செய்ததாகவே இருக்கட்டும். நீயும் இதில் கலந்து கொள்கிறாய், சரியா?

அதற்குரியதை நானே பார்த்துக் கொள்கிறேன் என்று அம்மு கூறியதும் குமுதினிக்கும் அம்முவிடமிரு நம்மதியும் மகிழ்ச்சியும் பிறந்தது மனதில்....!

வள்ளியப்பன் உலகநாதன் சிதம்பரம்பிள்ளை 1872-இல் செப்டம்பர் 5-ஆம் நாள் இன்றைய தூத்துக்குடி மாவட்டத்தையும் உள்ளடக்கிய திருநெல்வேலி மாவட்டத்தின் ஒட்டப்பிடாரத்தில் பிறந்தார். தமிழும் ஆங்கிலமும் பயின்றார். திருநெல்வேலி இந்துக்கல்லூரியில் கற்றார். சில காலம் தாலுகா அலுவலகத்தில் பணி செய்தார். சட்டத்தேர்வில் 1894-இல் தேர்ச்சி பெற்றார். 1895-இல் வழக்குரைஞரானார். ஏழைகளுக்கு இலவசமாக வாதாடினார். வழக்குகளில் வெற்றி பெற்றார். புகழடைந்தார்.

திரு.வி.க. சர்க்கரை செட்டியார், சிங்காரவேலர், செல்வபதிச்செட்டியார், என்.சி. ராஜா போன்றோர் தொழிலாளர் இயக்கத்தில் முன் நின்றனர். இவர்களோடு பயணித்தார். பல்வேறு தொழிற்சங்கங்களை உருவாக்கினார்.

தன் இந்திய இரயில்வே தொழிலாளர் சங்கத்தின் சார்பில் விழுப்புரம், மதுரை, நாகப்பட்டினம் சென்றார். தொழிற்சங்கங்கள் அமைக்க முயன்றார். குறைந்தபட்ச ஊதியம், நியாயமான வேலை நேரம், குடியிருப்பு, தொழிற்சங்க உரிமைஆகியன வேண்டுமென்றார். சென்னை சட்டமன்றத்தில் தொழிற்சங்கப் பிரதிநிதிகள் தக்க எண்ணிக்கையில் வேண்டுமென்றார்.

இந்திரமானங்கள் முன்மொழிந்து,

இரயில்வே, தபால், தந்தி ஆகிய துறைகளில் தொழிற்சங்கங்கள் நமது கட்டுப்பாட்டிற்குள் இன்னும் வரவில்லை. மக்கள் கூறுவதுபோல அரசு செயல்படாவிட்டால் தொழிற்சங்கங்களை வேலைநிறுத்தம் செய்யும்படி தூண்ட வேண்டும். காங்கிரசுகாரர்கள் தொழிற்சங்கங்களை ஊக்குவித்துத் தங்கள் கட்டுப்பாட்டிற்குள் கொண்டு வந்துவிட்டால் உடனடியாக சுயராச்சியம் கிடைத்துவிடும் என்றார்.

தூத்துக்குடி கோரல் ஆலை வேலை நிறுத்தத்தை 1908-ல் பிப்ரவரி 27-ஆம் நாள் தலைமையேற்றார். தொழிலாளர்களின் நிலையை கண்டார். அவலத்தைப் போக்குவதற்கு முன்வந்தார். சுப்பிரமணிய சிவாவும் புத்மநாப அய்யங்காரும் துணை நின்றனர். வ.உ.சியும் சிவாவும் வேலைநிறுத்தம் செய்ய தொழிலாளர்களைத் தூண்டினர்.

அவர்களது உரையில்

சுதேசி இயக்கத்தை வெற்றியடையச் செய்வது உங்களிடம் தான் இருக்கிறது. போதிய கூலிக்கேட்டுத் தொழிலாளர்கள் வெளியில் நின்றால் ஆலைகள் நிலைத்திருக்காது. முதலாளிகளை முடக்குவதற்கு இரண்டு வழிகள் உள்ளன; இயந்திரங்களுக்கு ஊறு விளைவிப்பது ஒன்று. வேலை நிறுத்தம் செய்வது மற்றொன்று. இரண்டாவது வழியை பின்பற்றுவதே சிறந்தது என்றார் சிவா. இரண்டு வழிகளையும் பின்பற்றும்படி வ.உ.சி எடுத்துரைத்தார்.

1908-இல் பிப்ரவரி 27-ஆம் நாள் வேலை நிறுத்தம் தொடங்கியது. மாவட்ட ஆட்சித் தலைவருடன் நிகழ்ந்த உரையாடலைத் தொழிலாளர்களிடம் வ.உ.சி விளக்கினார். வேலை நிறுத்தம் தன்னுடைய தலையீட்டினால் நிகழவில்லை என்றும், தொழிலாளர்களை முதலாளிகள் பட்டினி போட்டதால் ஏற்பட்டது என்று விளக்கினார்.

வேலை நிறுத்தத்தைத் தொடரும்படி தொழிலாளர்களை ஊக்குவித்தார். சிலர் நன்கொடை அளித்தனர். தொழிலாளர்களுக்கு உணவு வழங்கினர்.

வேலை நிறுத்தம் அனைவருடைய கவனத்தையும் ஈர்த்தது. ஊதிய உயர்வுப் போராட்டமாக மட்டும் அதை அவர் கருதவில்லை. விடுதலை இயக்கத்தின் ஒரு மையமான சுதேசி இயக்கத்துடன் தொழிலாளர்களை இணைத்தார். நாள்தோறும் சுதேசி இயக்கத்தின் கொள்கை விளக்கக் கூட்டங்களை நடத்தினார். வேலை நிறுத்தம் குறித்தும் உரையாற்றினார். போராட்டம் தீவிரமானது. பொது மக்களும் ஆதரித்தனர்.

துணை ஆட்சித்தலைவர் ஆஷ் வேலை நிறுத்தத்தை முறியடிப்பதில் முன்நின்றார். தன்னை வந்து பார்க்கும்படி வ.உ.சிக்கு செய்தி அனுப்பினார்.

டீ.ஆர். மகாதேவய்யர் என்ற வழக்குரையருடன் மார்ச் 3-ஆம் நாள் சந்தித்தார். அவர்களுக்குள் நிகழ்ந்த உரையாடல்,

ஆலைக் கண்டதும், அழகிய மில்லினை

மோசம் செய்ததென் மொழிகுவா என்றார்.

கொடியபல செய்து கூலி யாட்களை

மடியும் விதத்தினில் வருத்திவந்ததனால்

வேலையை நிறுத்தினர், வேண்டுவ கேட்டுளேன்,
நாலு தினத்தினில் நன்மையாம் என்றேன்.
படையின் செருக்கைப் பகர்ந்தான். எழுந்தேன்
படையிலா ரிடத்தைப் பகர்தல் நன்றன்றோ!

அவரும் சிவாவும் வேலைநிறுத்தத்தைத் தொடர்ந்தனர்.

ஆட்சித் தலைவரான விஞ்சு வேலை நிறுத்தத்தை கைவிட எச்சரித்தார். அவர் அஞ்சவில்லை. அவரும் சிவாவும் உயர்நீதிமன்றத்தில் முறையிட்டனர். நீதிபதிகள் வேலைநிறுத்தத்தினால் பொது மக்களின் செயல்பாடுகளில் மாற்றங்கள் ஏற்பட்டுள்ளன என்றனர். பொதுக்கூட்டங்களில் ஆங்கிலேயர்களை குறித்து வ.உ.சியும் சிவாவும் கண்டனம் தெரிவித்தனர். வேலை நிறுத்தம் தொடர்ந்து ஆங்கிலேயர் மீது வெறுப்பு வெளிப்பட்டன.

மார்ச் 6-ஆம் நாளன்று ஆலையின் தலைமைஎழுத்தரான சுப்பிரமணியபிள்ளை வ.உ.சியை சந்தித்தார். கோரிக்கைகளை ஏற்றுக்கொள்ள ஆலையின் மேலாளர் ஆயத்தமாக உள்ளதாக தெரிவித்தார். ஆலையின் மேலாளரை வ.உ.சி. சந்தித்தார். ஊதியத்தை உயர்த்தவும், வேலை நேரத்தைக் குறைக்கவும், ஞாயிற்றுக்கிழமைவிடுமுறை அளிக்கவும் நிருவாகம் ஒப்புக்கொண்டதாகத் தெரிவித்தார்.

வ.உ.சி தனது சுயசரிதையில் அவரவர் சம்பளத் தரைப்பங் கதிகமா அவரவர்க் கதுமுதல் அளிப்ப தாகவும் ஞாயிறும் மற்ற நாட்களில் வெளியே போயிருந்த தருந்தற்குப் போதிய நேரமும், விடுதி யாக விடுவ தாகவும் நடுவில் அவசரம் நண்ணுறின் லீவு கூலி யின்றிக் கொடுப்ப தாகவும் சுப்பிரமணிய பிள்ளையிடம் நிபந்தனை வைத்தார்.

புரட்சிகரப் பயங்கரவாத இயகத்தைச் சேர்ந்த அரவிந்தர் தமது வந்தே மாதரம் இதழில் (13.03.1908) தூத்துக்குடி வெற்றி என்று தலையங்கம் எழுதினார். அது ஒரு விமர்சன உரை.

வ.உ.சி. மீது கோரல் ஆலை நிருவாகம் வெறுப்பு கொண்டிருந்தது. அவர் மறைந்த பின்பும் தொடர்ந்து, அவர் 1936-இல் நவம்பர் 18-ஆம் நாள் இயற்கை எய்தினார். ஏ அண்ட் எஃப் ஹர்வி ஆலை என்ற பெயரில் இயங்கியது. அறப்பணிகளுக்கு நன்கொடை வழங்கியது. தூத்துக்குடியில் வ.உ.சியின் பெயரால் கல்லூரியொன்றை அமைக்கும் பணி 1950-இல் தொடங்கியது. நிதி திரட்டினார்கள். ஹர்வி ஆலை நிருவாகத்திடமும் நிதி கேட்டனர். மறுத்தது. நிருவாகத்தின் வெறுப்புணர்வு வெளிப்பட்டது. வ.உ.சியின் பெயரால் அமையும் எந்த நிறுவனத்திற்கும் உதவி செய்வதில்லை என்று கூறினர்.

நண்பர்கள்

ஆயிரம் காலத்து பந்தமும் இல்லை
ஒரே கருவறையில் பிறக்கவும் இல்லை
நாம் பறவையாகச் சுற்றித் திரிந்தோம்
இப்போது பறக்க முடியாமல் தவிக்கின்றோம்
நாம் பிரிந்து வெவ்வேறு இடத்துக்குச் சென்றாலும்
நம் நினைவுகள் பிரிந்து செல்லவில்லை
நாம் ஒன்றாகத் தான் பறக்கவில்லை
ஆனால் வெவ்வேறு இடங்களில் நினைவுகளால்
பறந்து கொண்டிருக்கிறோம்
நாம் கொண்ட நட்பானது காதலைவிட உயரமானது
கடலைவிட ஆழமானது
நண்பர்களாக இருந்தால் விண்ணைக்கூட தொடமுடியும்
வானுக்குக்கூட எல்லை உண்டு ஆனால் நட்புக்கு எல்லை இல்லை
நண்பர்கள் நம் இன்பத்தில் மட்டுமல்ல துன்பத்திலும் இருப்பார்கள்
நண்பர்களாக நாம் இவ்வுலகில் வாழும்வரை
நம் நட்பும் தொடரும்...

பள்ளிகளுக்கு மட்டும் விடுமுறை

முனைவர் பா. மலர்
உதவிப் பேராசிரியர், தமிழ்த்துறை

மனம் ஊசலாடிக் கொண்டிருந்தது. முல்லைக்கு, மழை பள்ளம் பறித்திருந்த சாலையில் பயணிக்கும் பேருந்து நிலையம் அதுவாகத்தான் இருந்தது. பேருந்தில் உள்ளும் புறமுமான இரைச்சலில்கூட முல்லையின் மனம் மட்டும் மெளனராகும் பாடிக் கொண்டிருந்தது. “என்ன செய்து கொண்டிருப்பார்கள் குழந்தைகள்? சாப்பிட்டு இருப்பார்களா? சாப்பிட்டு இருந்தால் பரவாயில்லை. கார்ட்டுன் பாப்பார்களோ? இந்த யாழினி சும்மா இருந்தால் பரவாயில்லை, அண்ணனை அதிகாரம் செய்து கொண்டிருப்பாள். ஒரு மாதிரியா இருக்கு, மனசே சரியில்லை, என்ன பிழைப்போ இது?” சலித்துக் கொண்டது மனம். அப்படியே காலை நடந்த நிகழ்வுகளுக்குள் புகுந்தது. மனம் மும்முரமான காலை சமையல் வேலை, காலைக்கு இட்லி, தேங்காய் சட்னி, சோறு வடித்தாகி விட்டது. கீரை பருப்பு மசியல், தொட்டுக் கொள்ள பீட்டூட் பொரியல், எண்ணெய் கத்தரிக்காய், இட்லி அடுப்பில் வெந்து கொண்டிருந்தது. விசில் வந்தால் முடிந்தது சமையல். இன்று ஸ்கூலுக்கு என்ன ஸ்நாக்ஸ் என்று யோசித்தவள் புதன் கிழமை ஓ.கே. வெஜிடபிள் வெள்ளரிப்பிஞ்சை கழுவி வட்டமாக வெட்ட வேண்டும். ரீத் பிக் எடுத்து வரிசையாக சேர்க்க வேண்டும். “கேரட் இடையில் கோர்த்தால் பார்க்க நல்லா இருக்கும் இல்லமா” என்பான் செல்லகுட்டி. இன்றைக்கு கேரட்டும் இல்லை. கேரட்டை சேர்க்க நேரமும் இல்லை. வாயால் சாப்பிட மாட்டார்கள், கண்களால்தான் சாப்பிடுகிறார்கள். “இல்லாவிட்டாலும் மக்களுக்கு ரசனை ரொம்ப அதிகம். நம்ம ஜீன் இல்ல!” என்று பெருமித சலிப்போடு எண்ணம் தடை போட்ட வேளையில், “முல்லை முல்லை” என்ற கணவன் கூவலுக்கு, “காபி கப் தானே? வைங்க. வந்து அப்புறமாக எடுத்துக்கிறேன்” என்று புதில் அளித்தாள் முல்லை. “இல்லம்மா கொஞ்சம் இங்க வா! டிவியில்” அவன் முடிக்கவில்லை. “கொஞ்சம் சும்மா இருக்கீங்களா, காலையில் ஏழரை மணிக்கு டிவி பார்க்கிற வரம் எல்லாம் நான் வாங்கிட்டு வரலப்பா என்னன்னு சொல்லுங்க” எரிச்சலோடு கத்தினாள்.

தொலைக்காட்சியை விட்டு எழுந்து வந்த எழிலன், “இல்லடா டிவியில் மழைங்கிறதால் பள்ளிகளுக்கு மட்டும் விடுமுறை என்று நியூஸ் போடுறாங்க. அதை சொல்லத்தான் கூப்பிட்டேன். நீயானா கோப்படுற. டென்ஷன் ஆகாதம்மா. உடம்புக்கு ஆகாது” என்றான். கொஞ்சம் பிசாசு, கொஞ்சம் தேவதை போல. நிஜமாகவே பிரஷர் ஏறிவிட்டதும் முல்லைக்கு. “என்ன பள்ளிகளுக்கு மட்டும் விடுமுறையா போச்சுடா. என்ன பண்ணுவேனோ” என்று புதறினாள். எழிலனோ, “நீ லீவ் போட்டுடுமா. எனக்கு இன்னைக்கு போர்டு மீட்டிங் இருக்கு” என்றான். “என்ன பேசறீங்க நீங்க? எனக்கு இன்னைக்கு காலேஜ்ல மாடல் பிராக்டிக்கல், எக்ஸாம் நேத்தே சொன்னேனே! மறந்துட்டீங்களா? மறதி தான் உங்களோட வரமாச்சே” விரக்தி ஆனால் முல்லை.

அதற்குள்ளாக ரகசிய செய்தி வீட்டில் தீபாவளி பட்டாசாக வெடித்து விட்டது. குழந்தைகள் முகத்தில் மத்தாப்பு, “அப்பா இன்னிக்கு லீவாப்பா. ஐ ஜாலி ஜாலி” கும்மாளம் போட்டார்கள். ஒரு வினாடி முல்லையின் மூளைக்குள் மின்னெட்டு, “ஜாலி ஜாலி ஜாலி ஜாலி. இரட்டைக்கிளவியா? அடுக்குத்தொடரா? இப்ப ரொம்ப முக்கியம்.” மூளை இடித்தது. ஆனாலும் “இன்றைக்கு தமிழ் டிபார்ட்மெண்ட் அம்பிகா மேடம் கிட்ட அந்த சந்தேகத்தை கேட்கணும். கெமிஸ்ட்ரி படிச்சி சால்ட் மாதிரி மூளை ஆயிட்டுது”. முல்லைக்கு மனம் தறி கெட்டு ஓடியது. “பிடித்த தமிழை எடுத்து படிச்சிருந்தா லேப்டல் கிட்டு அல்லாடனுமா என்ன? ஒரு நல்ல சாரி கூட கட்ட முடியாது. லேப் இருக்கா இல்லையானு டைம் டேபிள் பார்க்க வேண்டியதா இருக்கு.” மனக்குதிரை பஞ்ச கல்யாணியாக பறந்தது. கல்லூரி கால தமிழாசிரியர்கள் வழக்கம்போல தேவர்களாக காட்சி தந்து சென்றனர். “அம்மா! அம்மா!” உலுக்கினாள் மகள். “தாத்தா செய்து தந்த கப்பல மழை தண்ணியில் விட்டு விளையாடுவீங்களே? அதை நினைச்சீங்களா அம்மா?” அந்தப் பூமுகம் தனக்கொரு காகித கப்பலை எதிர்பார்த்ததை பார்வை சொன்னது. முத்துக்களாக பற்கள் விரிய கண்கள் மட்டும் கலக்கம் கொண்டது. இன்று எப்படி சமாளிப்பது? கலங்கி தயங்கி நிற்பது மனம் மட்டுமே கடிகார முட்கள் அல்லவே.

பத்து நிமிடம் கடந்து இருந்தது. தலை ஒருபக்கமாக வலிக்க தொடங்கியிருந்தது. “யாரிடம் ஒப்படைப்பது குழந்தைகளை? சொந்த ஊர் தான் என்றாலும் யாரை நம்புவது? யார் பொறுப்பாக பார்த்துக் கொள்வார்கள்? நாத்தனார் மேல் கோபம் மண்டியது. “வீடல்தான் இருக்க, குழந்தைக்கு உடம்பு சரியிலைன்னா பாத்துக்க தெரியாதா? ஆ ஊன்னா அத்தையை கூப்பிடுவா” கண்களில் நீர் தழும்பியது. மகன் பார்த்து விட்டான். “அம்மா பீல் பண்ணீங்களம்மா? அம்மா இன்னைக்கு உங்களுக்கு லீவ் போட முடியாதாமா? பரவாயில்லை அம்மா, நான் தங்கையை பாத்துக்குறேன்மா. நீங்க காலேஜ் கிளம்புங்கம்மா”. பத்து வயதின் பக்குவ பேச்சு உள்ளத்தை மேலும் உடைய செய்தது. குழந்தைகள் முன் அழக்கூடாது, அடங்கியது கண்ணீர், உள்ளம் மட்டும் இயலாமையில் குமுறியது.

ஒரு குழந்தைக்கு கூட பாதுகாப்பு தராத சமுதாயம் என்ன வளர்ந்து என்ன பலன்? கூட்டுக் குடும்பத்தின் சிதைவா? பொருளாதார நெருக்கடி இடர்பாடா? எது குழந்தைகளின் பாதுகாப்பை தகர்த்தது? பெற்ற குழந்தைக்காக ஓடி ஓடி உழைக்கும் ஆனால் தினசரி நிம்மதி அழிந்த பெற்றோர், சுற்றத்தின் துன்பம் புரியாத உறவுகள், சம்பள கணக்கீட்டினை மட்டுமே செய்யும் மனம் அறியா சொந்தங்கள். எங்கே தப்பானது? சமூகமா? பெண்ணா? ஆணா? எது? மனம் பட்டி மன்றத்துக்கு தயாரானது. “முல்லை இது ஒரு சின்ன விஷயம். இதுக்கு இப்படியா? என்னவெல்லாம் அடுத்தவங்களுக்கு சொல்லுவ.. நீ இப்படி இருக்கலாமாடா? நம்ம குழந்தைங்க நம்ம வீடு ஒன்பது மணியிலிருந்து நாலரை மணி வரை தானே? இருப்பாங்கடா. நான் பெரிய அத்தையை அப்பப்ப வந்து பாத்துக்க சொல்றேன். ப்ளீஸ் அழாதடா. ஆறுதலுரைத்தான் எழிலன். பள்ளிக்கு உணவு டப்பாக்களில் அடைப்பதைப் போல் அடைத்து சாப்பிடச் சொல்லிவிட்டு வீட்டுக்கு வெளியே போகாதீங்க, ஸ்விச்சு தொடாதீங்க,

சண்டை போடாதீங்க, ஒழுங்கா சாப்பிடுங்க. இன்னும் வரிசையா 25 கட்டளைகளைப் போட்டுட்டு வாசலுக்கு வந்தாள் முல்லை. கணவன் இன்னும் அரை மணி நேரத்தில் அலுவலகம் கிளம்புவான். “ஆமா, ஆட்டோ இன்னும் வரல. என்ன ஆச்சு இவனுக்கு?” யோசித்த வண்ணம் ஆட்டோவுக்கு போன்செய்ய’ நீங்கள் தொடர்பு கொள்ளும் வாடிக்கையாளர் தற்போது தொடர்பு எல்லைக்கு வெளியே இருக்கிறார் என்று பெண்ணின் மென்மை குரல் இவள் பதட்டத்தை பொருட்படுத்தாது திரும்பத் திரும்ப கதற மழை மீது மொத்த கோபமும் திரும்பியது. “நேரம் காலம் தெரியாம இது வேற நொய் நொய்ன்னு” வாய்விட்டு திட்டினாள். எழிலன் அவளை வண்டியில் ஏற்றி பேருந்து நிறுத்தத்தில் கொண்டு விட்டான். சூரியன் மழை விடுமுறையைக் கேலி செய்து கிழக்கில் பிரகாசமானான். மழை நழுத்துப் போன பட்டாசாக குரல் அடங்கி தோற்றுப் போனது. “காலேஜுக்காம்மா? ஆட்டோ வரலையா? உனக்கு என்னமா வெட்டி முறிக்கணுமா? வெயில்ல காயணுமா? சோக வாழ்க்கை சொல்லிக் கடந்த பெரியம்மாவை எப்போதும் போல புன்னையையோடு இன்று கடக்க இயலவில்லை. வெறி கொண்ட நாயைப் போல குதறி விட தோன்றியது. எல்லா கோபமும் மழையிடம் திரும்பியது. மழைக்கால பத்திரிக்கை செய்திகள் மனதில் வரிசையிட்டு வந்தன.

‘என்ன மழை இது? ஒரு மணி நேரம் முன்னால் விரைச்சிருக்க கூடாதா? இன்றைக்கு நிம்மதிய காலி பண்ணிட்டதே! குழந்தைகள் வீட்டில் தனியா இதுவரைக்கும் இருந்ததே இல்லை. எப்படி சமாளிப்பாங்க? மனம் நனைந்தது முல்லைக்கு. அவள் கட்டியிருந்த சற்று வெளிரிய மழைக்கான புடவை வேறு கேலி செய்வதை போன்று இருந்தது. கடவுளே இன்றைய பொழுதை எப்படி கடக்க போகிறேன்? மாய்ந்து மாய்ந்து மனம் பறந்தது. எதையெதையோ மனம் விபரீதமாய் கற்பனை இட்டது. தொடக்க கல்வி பயிலும் தன் குழந்தைகளை அவர்களின் விடுமுறை நாட்களில் வீட்டில் பூட்டி வைத்து விட்டு வரும் பாலா மேடம் நினைவுக்கு வந்தார். பெரிதாக குலுங்கி பேருந்து நின்றது. “மேடம்! காலேஜ் ஸ்டாப் இறங்கலையா?” நடத்துனரின் குரலில் கலைந்தது நினைவுகள். அவரை நோக்கி வலிந்து வரித்த புன்னையைச் சிந்தி விரைவாக இறங்கினாள் முல்லை. வருகை பதிவேட்டில் கையொப்பமிட்டு துறைக்குள் நுழைந்து குடமாரினிங் சம்பிரதாயங்கள் முடித்துவிட்டு மாணவர்களை ஆய்வத்தில் அனுமதித்து இருக்கையில் அமர்ந்தபோது வயிறு அலாரம் அடித்தது. எனக்கானது எங்கே? இப்போதுதான் நினைவு வந்தது தனக்கான இட்லி தன் வீட்டு கிச்சனில் அமர்ந்திருக்கிறது. “குழந்தைகள் என்ன செய்து கொண்டிருப்பார்கள்?” லேப் அட்டன்டர், “மேடம்! எல்லா டேபிளையும் எடுத்து வச்சுட்டேன் இனி என்ன செய்யணும்? என்க. “ஏதேனும் தேவைன்னா கூப்பிடுறேன் அண்ணா” பதில் உரைத்தது. தண்ணீர் பாட்டிலை எடுத்தாள் முல்லை. வயிறு பிடுங்கியது. தண்ணீர் பாட்டிலோடு மோதி ஏதோ சத்தமிட, பார்த்தால் மகனின் டிபன் பாக்ஸ், “என்ன இது? திறந்துப் பார்த்தா; 3 இட்லிகளும், தேங்காய் சட்னியும் கண்ணில் நீர் மல்க டிபன் பாக்ஸையும், தண்ணீரையும் மேசையில் வைத்து கைபேசியை எடுத்தாள்.

வீட்டு எண்ணில் இருந்து மூன்று தவறிய அழைப்புகள். இரண்டு நிமிட பரவசம் பறந்து போய் பதறிய நெஞ்சத்தோடு வீட்டை தொடர்பு கொண்டாள். மகன் எடுத்தான், “அம்மா காலேஜ் போய்ட்டிங்களாம்மா? சாப்பிடுங்களா? அவன் குரல் கேட்டதும் ஆசுவாசமானது. “தங்கை எங்க செல்லுக்குட்டி?” என்றாள். “தங்கை அம்மா கூப்பிடுறாங்கடா. வா வந்து பேசு” குரல் கொடுத்தான். “அம்மா நீங்க இட்லி சாப்பிட்டிங்களா அம்மா? நான் தாம்மா உங்க பேக்ல அண்ணாவோட டிபன் பாக்ஸ் எடுத்து வச்சேன்மா” யாழினியின் குரல் மென்மையாய் வழுவி ஒலிக்க உள்ளம் குழந்தையாய் மலர்ந்தது. தனக்கான இன்னுமொரு தாய்மடி. “யாரும்மா போன்ஸ்?” கணவனின் குரல் ஒலிக்க, மணி பத்தரை ஆச்சே. இன்னும் ஆபீஸ் போகலையா? மனதில் எண்ணி தாய் வாய்விட்டு புலம்பினாள் முல்லை. போன் அவன் கைக்கு மாறி “சொல்லுபா ஏன் கூப்பிட்ட? சாப்பியா? இன்னைக்கு மழை என்கிறதால டில்லியில் இருந்து எம்டி வர முடியலையா. அதனால் போர்டு மீட்டிங் கேன்சல். நான் ஆபீஸ் போகல. அத சொல்ல தான் உன்னை கூப்பிட்டோம். நீ எடுக்கல. பிஸியா இருந்திருப்ப. இன்னும் ஒரு குட் நியூஸ் சொல்லட்டுமா? அத்தை வந்திருக்காங்க. அம்மா உஊர்ல இல்லைங்கிறதால அத்தை, அதான் உங்க அம்மா வந்து இருக்காங்க. அம்மா கையால உனக்கு இன்னைக்கு மீன் குழம்பு கன்ஃபார்ம் நீ ஜாலியா பிராக்டிகலா பாருமா. நாங்க லீவ் என்ஜாய் பண்ணோம் வைக்கட்டுமா. சாப்பிடு. ஓ.கே”. இணைப்பு துண்டிக்கப்பட்டது. மனம் இறகானது. மழையைப் புகழ்ந்து கவி பாட வேண்டும் போல தோன்றியது. மனதில் பாச மழை பொழிந்தது. மழை இன்னும் பெய்யலாம் போல தோன்றியது. சூரியன் சிரித்து மறைந்தான். மழை மீண்டும் பற்றியது காட்டுத்தீயைப்போல. இதென்ன மண்வாசத்திற்கு பதிலாய் கொதிக்கும் மீன் குழம்பில் அம்மா கறிவேப்பிலை இட்ட வாசம், அதுவும் வேதியல் ஆய்வுக்கூடத்திலுமா எழும்பும் வியந்தாள் முல்லை.

வாழும் நாளெல்லாம் நரகமே
என நினைக்கிறாயோ?
தனிமையில் வாடுகிறாயே
என வருத்தமா?
பொறுமையில்லாமல் ஏதேதோ
எண்ணங்களில் அலைகிறாயோ?
உறக்கமில்லாமல் நடு இரவிலே
என்ன செய்வதென்று புலம்புகிறாயோ?

பெண்ணே!

பெண் என்ற ஒன்றிற்காக
பாலினத்தில் பாகுபாடு
இரண்டாம் தரமாய் தள்ளப்பட்டு
கருவிலே கசக்கப்படும் பெண்ணே...
நீ பெண் இப்படி நட
இதுதான் உனக்கு
குழந்தைப் பருவத்திலேயே
பாடம் புகட்டு பாகுபாட்டைக் கற்பித்து
கோடிட்ட சமுதாயம்... தான் யாரென்று
பெண் அறிவதற்கு முன்பே
பல கட்டுப்பாடுகளையும்
விருப்பமின்றி ஏற்று நாளொரு மேனியும்
பொழுதொரு வண்ணமுமாய்
மலர்ந்த இளம்பூவையர் பருவத்தில்
தெரிந்தோ...தெரியாமலோ...
பாலினச் சீண்டல்களைச்
சந்திக்க நேர்ந்து... சமுதாயச் சூழலில்
உடல்நீதியாகவும்...மனநீதியாகவும்
பாலினச் சீண்டல்களுக்குள்ளாகி...
மெல்லவும் முடியாமல்... வெளியே
சொல்லவும் முடியாமல்
திருமணம் என்ற போர்வையில்
சிறைக்குள் தள்ளப்பட்டு பெண்மையைப் பூட்டி
பெண் விடுதலையை அடக்கி வைத்து
எங்கோ ஓரிடத்தில் மூன்று நிமிடத்திற்கொரு முறை
பெண்மைசூறையாடப்படும்போது
போக்சோவும், காவலனும் கைதுடன் நின்று
சூறையாடியவர்களை
சிறைச்சாலையில்
தண்டனை என்ற பெயரில் ஓய்வு வழங்கி
மேலும் குற்றம் செய்ய தயார் செய்யும் வேளையில்
பாதித்த பெண்மை கயவர்களால் ஒருமுறை
கசக்கப்பட்டு நீதிபீடத்தில் கேள்விகளால்
பலமுறை கசக்கப்பட்டு தொடர்கதையாய்
ஏன் இந்த நிலைமை ? ஏன் இந்த அவமானம் ?
என்று மாறும் ? இந்த அவல நிலை ?
பெண்ணே!
நீயே
உனக்கு உதவி !
உனக்கு கவசம்!
உனக்கு காவல்!

INNOVATION – WEAPON FOR A QUALITY RESEARCH

Dr. B. Sheeba Kumari

Assistant Professor of History

“I believe in innovation and that the way you get innovation is you find research and you learn the basic facts” – Bill Gates

Higher education is one of the major contributors to national wealth and economic development. It is a tool to exploit the potential and aspiration of the people for economic and technological advancement, which is a driving force for the growth of the country. Research and Innovation is an important function of higher education institutions in addition to teaching. Unfortunately, this component is very weak in our higher education system. In-fact Universities and Higher Education Institutions (HEIs) are only engaged in research education and not research.

Today we have been facing a lot of research deficit; it implies that there is a shortage of research or its quality or utility as compared to a desired level (benchmark). We can identify the research deficit from the following indicators enrolment and completion of research, research projects, funding of research, patents registered, usefulness and utility of research for local and societal problems, and research rankings. In the cloud era, India must also make sure that research and development is relevant to India's needs. The approach of doctoral research in Social Science needs to be more analytical and comparative and be related to society, polity and economy. Hence the government should take proper care of research and innovation and take the right steps for quality research.

To foster innovation quality research, adopt interdisciplinary approaches, leverage new data sources like big data and digital platforms, prioritize community engagement and co-production of knowledge, criticize innovative methodologies like experimental designs or participatory action research, and focus on real-world application by tackling and pressing societal challenges with practical solutions; all while being open to challenging existing theoretical frameworks and exploring new perspectives.

In my conclusion, I propose innovation plays a crucial role in research by driving the generation of new knowledge, pushing the boundaries of existing fields, developing new technologies, and ultimately leading to the creation of novel solutions and applications that can address societal challenges, thus advancing scientific understanding and progress across various disciplines, essentially, innovation acts as the analyst for translating research findings into practical applications and improvements. Innovative research puts an end mark on plagiarism, the lack of quality of the research supervisor, and the role of private agencies in the matter of thesis writing and selling of a panel of examiners. Innovation in research also disrupts the existing paradigms and leads to significant breakthroughs, creating entirely new markets and opportunities in the digital world.

I would conclude the essay with the words of Michael Vane “Innovation is the creation of the new or the re-arranging the old in a new way”.

LIFE'S SOUL

Life is beautiful in your hands
It should be loved as it is...
Don't waste your time in darkness
Come out to feel the brightness
Of wonderful God's gifts.
Nature has many things
See the butterflies feasting
Behold the ants teaming
Hear the bees whispering
Witness the trees dancing
Be a lover of nature
By having a satisfaction manner

Ne'er fail to glorify the creator
Who is everywhere
Making your life happier ever.

THE RISE OF BIOTECHNOLOGY

Dr.M.Santhiya

Assist.Professor of Biotechnology (S.S)

Biotechnology is experiencing a significant rise, revolutionizing various sectors and promising a future of unprecedented advancements. The application of biological process for industrial and other purposes, has experienced a remarkable ascend in recent decades. At its core biotechnology involves using living organisms and their biological process to create or modify products for specific uses.

In shaping the future, from its humble beginnings in brewing and baking, it has evolved across various sectors, including healthcare, agriculture, environmental conservation, food safety, diagnostics, drug development, waste management, gene editing, synthetic biology and artificial intelligence are poised to revolutionize various fields, leading to breakthroughs in sustainable development of human and environmental conservation. While biotechnology holds immense promise, in making life better it has the potential to solve many of world's biggest problems. From the food we eat to the medicine we take, the environment we live in, and the industries that drive our economy, biotechnology is shaping the future and quality of our life.

Biotechnology in revolutionizing the field of medicine, The COVID-19 pandemic highlighted the critical importance of biotech in addressing the global health challenges. It demonstrates the power of scientific innovation and ability of biotech to save life. In the future of cancer care biotech enables development of personalized cancer treatment based on individual's unique genetic profile. This advancement offering hope for personalized approach to fighting this complex disease.

Exciting research happening across various sectors include creating “Living medicine” using bacteria to deliver drugs to tumor, developing advanced brain –computer interfaces that allow communication between brain and external device, Environmental micro biome these are just few examples of exciting research happening in biotechnology today, These cutting-edge advancements hold immense promise for improving human health, addressing global challenges, and shaping the future of mankind. We can expect to see even more transformative applications in the years to come.

In conclusion, Biotechnology is a rapidly evolving field with the potential to revolutionize various aspects of human life. As our understanding of biology deepens and technological advancements accelerate, we can expect more groundbreaking innovations. By addressing the power of innovation, biotechnology can contribute to a healthier, more sustainable and a brighter future for generations to come.

NEP 2020 : ISSUES AND CHALLENGES.

Dr. V. MARY KENSA

Associate Professor, P.G. Department of Botany and Research Centre.

“Education is not the learning of facts, but training the mind to think” - Albert Einstein. Education being a Fundamental Right and the world enduring rapid changes in the knowledge landscape, a requirement was pointed out to come up with a new Education Policy. The world today is passing through such a chaotic phase in which it has become a herculean task to find out value driven human being. The on-ground reality is that, the most important 3 pillars- infrastructure, funding, and a well-detailed plan strategy are still missing. The analysis of the goods and bads is very important to point out. The NEP 2020 may look good but it is much more complicated in a Real-world environment.

The Education Minister of India called NEP 2020 a visionary education policy for the 21st century through which India is harnessing the capabilities of each student, universalizing education, building capacities, and transforming the learning landscape in the country. He stressed that the NEP would make education holistic, affordable, accessible, and equitable. What has been the progress so far? Is the NEP roll-out on track? What are the major challenges facing this mega education policy in the coming decades?

Impediments in Implementing NEP 2020

- | | |
|--|---|
| 1. Cultural Barriers | 11. Digital Literacy |
| 2. Lack of integration | 12. Sanitation |
| 3. Training Teachers in Blended Learning Model | 13. Personal attention |
| 4. Lack of infrastructure and funding | 14. Lack of Adequate Infrastructural Facility |
| 5. Lack of Specialization | 15. Maintaining Accountability |
| 6. Poor foundation skills / Learning outcomes | 16. Language barrier |
| 7. Financial constraint | 17. Multilingualism debate |
| 8. Sports training and equipment's | 18. Issues with examinations |
| 9. After school activities | 19. Access to advanced learning tools |
| 10. English Communication | 20. Unaddressed Dualism |

To sum up, the NEP 2020 is truly a path breaking document in every sense. To improve, I suggest the following measures can be taken by government. A collaboration of academicians, parents, and students to help to choose the right language based on the availability, opportunities, and interest of the student. Government needs to invest more in infrastructure to bring up more schools and colleges to create good teachers with expertise in regional languages.

New apps shall be developed to leverage the current internet and mobile penetration in India to help students to self-taught language to themselves. Learning must be made more flexible with the introduction of short terms and long term courses at school and college levels to help students become multilingual. I believe if the above steps are taken then language will not be a barrier rather it will be a token for collaboration.

The Invisible Threat : Understanding Microplastic Pollution

Dr. G. S. Anantha Selvi

Assistant Professor of Zoology

Microplastics, small pieces of plastic, less than 5 mm (0.2 inch) in length, that occur in the environment as a consequence of plastic pollution. Microplastics are present in a variety of products and mainly comes from breakdown of larger plastics such as plastic bags, bottles, and other items can degrade into smaller pieces over time and from cosmetics to synthetic clothing and personal care products, such as face wash, toothpaste, and exfoliating scrubs. Many of these products readily enter the environment in wastes.

Microplastics consist of carbon and hydrogen atoms bound together in polymer chains. Other chemicals, such as phthalates, polybrominated diphenyl ethers (PBDEs), and tetrabromobisphenol A (TBBPA), are typically also present in microplastics, and many of these chemical additives leach out of the plastics after entering the environment.

Microplastics are not biodegradable. Thus, once in the environment, primary and secondary microplastics accumulate and persist. Microplastics have been found in a variety of environments, including oceans and freshwater ecosystems. In oceans alone, annual plastic pollution, from all types of plastics, was estimated at 4 million to 14 million tons in the early 21st century. Microplastics also are a source of air pollution, occurring in dust and airborne fibrous particles.

Microplastics have been found lodged in the digestive tracts and tissues of various invertebrate sea animals, including crustaceans such as crabs. Fish and birds are likely to ingest microplastics floating on the water surface, mistaking the plastic bits for food. The ingestion of microplastics can cause aquatic species to consume less food and therefore to have less energy to carry out life functions, and it can result in neurological and reproductive toxicity. Microplastics are suspected of working their way up the marine food chains, from zooplankton and small fish to large marine predators.

Microplastics have been detected in drinking water, beer, and food products, including seafood and table salt. In a pilot study involving eight individuals from eight different countries, microplastics were recovered from stool samples of every participant. Scientists have also detected microplastics in human tissues and organs. The implications of these findings for human health were uncertain. It is generally believed that after entering the human body, microplastics will be excreted out through the gastrointestinal tract and biliary tract. The intake, distribution, accumulation, and metabolism of microplastics in the human body are attracting more and more attention.

Microplastics are transported to the whole body through blood circulation, and the existence of microplastics are found in 15 human biological components, such as the spleen, liver, colon, lung, feces, placenta, breastmilk, etc. The organs with high content are the colon (28.1 particles/g) and liver (4.6 particles/g). The main types of microplastics detected include PE, PET, PP, PS, PVC, and PC.

Pregnant women and infants are sensitive people exposed to microplastics. The concentration of PET in infant feces is ten times higher than that in adults indicating that the exposure level of microplastics in infants may be much higher than adults. Twelve microplastic fragments, ranging from 5 to 10 μm , are detected in human placenta by the team of Ragusa for the first time moreover they first detect PVC and PP microplastics with a size of 2–12 μm in human breastmilk. The appearance of microplastics in human placenta further emphasizes that these nondegradable chemicals have potential intergenerational influence on the human body and may affect the developing fetus..

How to reduce microplastic pollution?

Choose products with natural exfoliants: Opt for personal care products that use natural ingredients instead of microbeads.

Wear clothing made from natural fibers: Select clothing made from natural materials like cotton, wool, or silk to reduce synthetic fiber shedding.

Use a washing machine filter: Install a filter in your washing machine to catch microplastics before they enter the water system.

Avoid single-use plastics: Refuse single-use plastics like straws, bags, and water bottles, and opt for reusable alternatives instead.

Participate in beach cleanups: Join local beach cleanups to help remove microplastics and other debris from our oceans.

To conclude, Microplastic pollution is a pressing issue that requires immediate attention. By understanding the sources and impacts of microplastics, we can take action to reduce our contribution to this problem. Remember, every small change can make a significant difference in protecting our planet and its inhabitants.

THE SILENT BATTLE

Dr. Maria Claribel Sujatha

Assistant Professor of Chemistry

The battleground was silent,tense and full of hidden strategies.On one side is a seasoned warrior with eagle eyes and suspicious glare,ready to confront any cheeky attempt to cheat.On the other side is a master of deception,skilled in the ancient art of scanning glances, waiting impatiently with fake innocence to foil the opponent's vigilance.

As time ticks away, the battle field is set. A fearless guardian with his intimidating walk and word of caution,makes even his strongest opponents rethink their crafty choices.Panic sets in, as the real test begins.The stealth attempt to sneak a peek at the neighbour's territory is smartly thwarted by the guardian,with swift motion towards the opponent.After a thoughtful pause,the opponent tries to distract the guardian in his own scheming ways.The guardian is taken aback by his opponent's intelligence.Now the adversary carefully executes his alternative plot.

Skilled in eye twitches,hand gestures and facial expressions,the opponent makes a silent scream for urgent help from his fellow friends nearby.The guardian gets to witness a dramatic eye to eye, face to face,mind to mind communication,between the friends,that finally ended in a look of desperation and acceptance of defeat.

As the battle is nearing its final moments,the opponent is left with the only option of saving his life.He hopes atleast this last resort will be successful.

He slowly pulls out his weapon, which was tucked into his sleeve and tries to save himself .Lo! here comes the guardian in hurried steps reaching,right next to him.The weapon is seized and the opponent is captured.The guardian walks away with a victorious smile and the adversary sighs,with absolute surrender.Realization dawns in his mind,"Next time I should actually study well and come prepared"

ARYABHATTA : INDIAN PIONEER OF MATHEMATICS AND ASTRONOMY

Dr. K.U.Madhu, Associate Professor of Physics

Aryabhatta Early Life

One of the most famous Indian mathematicians of the Gupta Dynasty, Aryabhatta lived in Kusumapura, Pataliputra, about 475 CE. He was renowned for having exceptional astronomical knowledge. He has authored numerous treatises in astronomy and mathematics. Although many of his publications have been lost, some are still accessible to contemporary researchers and are highly regarded. Additionally, his efforts, discoveries, and innovations have made our nation proud.

Education and Career

He is thought to have finished his education in Kusumapura. The leader of a Kusumapura institution (kulapa) was Aryabhatta. Because Nalanda University in Bihar had an astronomical observatory and was close to Patliputra, Aryabhatta was also its leader.

Aryabhatiya and Arya-Siddhanta, two of his most important writings, are still extant. In both of his publications, he examined the connection between mathematics and astronomy.

Contribution in Astronomy

Aryabhatta was correct when he asserted that the earth rotates on its axis around the sun every day and that the relative motion of the stars seemed to be caused by this rotation. Heliocentrism was defined as the axial rotation of planets around the sun, supported by numerical data. There are four main categories into which his astronomical discoveries fall. These include an explanation of the motion of the solar system, eclipses, sidereal periods and heliocentrism.

1. The Motion of the Solar System

Aryabhatta proposed that the earth spins around its axis every day. This rotation leads to the apparent movement of the stars. In the opening chapter of his work Aryabhatiyam, he specifies how many times the earth turns in a Yuga. To clarify this occurrence, he introduced a geometric model of the solar system, where the moon and sun followed paths known as epicycles, which are circles that move around in another circle. This model dictated that, the planets' movements were controlled by two epicycles, with one being smaller and moving slowly while the other was larger and moved quickly. Regarding their distance from the earth, the sequence of planets was the Moon, Mercury, Venus, the Sun, Mars, Jupiter, Saturn, and the constellations.

2. Eclipses

Aryabhatta described lunar and solar eclipses through scientific tests. He mentioned that sunlight reflects off the planets and the Moon. He clarified that eclipses happen because of shadows on the Earth. A lunar eclipse takes place when the Moon is in the Earth's shadow. He further analyzed the magnitude and dimensions of the Earth's shadow and calculated the size of the part that is eclipsed during an eclipse. Aryabhatta's experiments provided the basis for Indian astronomers to enhance their calculations.

3. Sidereal Periods

Taking into account today's measurement of time, Aryabhatta determined that the sidereal rotation, which is the Earth's spin in relation to the stars, was 23 hours, 56 minutes, and 4.1 seconds. The current time value is expressed as 23:56:4.091.

4. Heliocentrism

Aryabhatta presented a model of astronomy that explained how the Earth spins on its axis. His work included adjustments for calculating the average speeds of planets in relation to the Sun. His findings were grounded in the heliocentric theory, where the planets, along with Earth, orbit the Sun positioned at the universe's center. Aryabhatta also detailed the geocentric concept of the solar system, offering scientific explanations for solar and lunar eclipses. Additionally, he calculated the year's duration to be 365 days, 6 hours, 12 minutes, and 30 seconds, which differs from modern estimates by just 3 minutes and 20 seconds.

Contribution in Mathematics

In the Indian Mathematical Literature, Aryabhatiya was significantly referenced. The methods from Vedic times for addressing mathematical issues were studied, and it is not surprising that these methods have continued to exist in contemporary times. Topics like algebra, arithmetic, plane trigonometry, and spherical trigonometry were examined. He adhered to the calculation techniques found in the Sanskrit tradition, which were common during the Vedic era. Aryabhatta earned the title of 'Father of Algebra' because of his impressive grasp and description of planetary systems through algebra. He accurately determined the value of pi to two decimal points as 3.14. Additionally, he worked with null coefficients and clearly recognized the importance of zero in its appropriate context. Aryabhatta utilized the Sanskrit tradition, which primarily involved letters and alphabets, in contrast to the Brahmi numeral system.

Final days of Aryabhatta

Aryabhatta passed away at the age of 74, recognized as an accomplished mathematician, astronomer, and scientist. The exact details of his death, including the location and date, remain unclear. It is thought that he lived the majority of his life in Kusumapura, which is in Pataliputra. The impact of scientists since Aryabhatta has changed significantly. He made the world aware of India's scientific knowledge and its importance to global progress. He questioned and contradicted many prevailing beliefs of his time, supporting his claims with detailed calculations. Even after many years, the precision of his findings remains impressive. Few scientists have accomplished such remarkable work in their life times, and Aryabhatta was among them. India honors his contributions. His discoveries, especially in astronomy, were well regarded in the Islamic world and were translated into Arabic in the 8th Century. The first Indian satellite sent into space was named in his honor. As a mathematician and astronomer, he was a pioneer in ancient India. At that time, achieving such estimations and approximations without advanced technology was truly impressive. As Indians, we should take pride in his achievements.

Teacher-Student Relationship

Dr. P. RENJU,

Assistant Professor of English

Communication is the most important factor in the teacher and student relationship. Clear, effective, and consistent communication is a vital element that strengthens a teacher-student relationship. Educators use it to create a connection with the students.

Communication motivates the students to enhance their abilities. Motivation encourages students to work hard and to always do their best. Therefore, it is very important and necessary that the teachers should communicate with students in an effective manner.

A good student-teacher relationship creates a robust classroom environment, it is vital because it helps students develop self-worth and improves a student's mental health. In the same manner, these positive relationships help to decrease behavioral problems and ultimately promote academic success.

The teacher and the student in the classroom maintain a positive relationship in efforts to gain trust and respect from each other. A student-teacher relationship is very respectful and sacred. This relationship may consist of getting to know students better, providing choice and encouraging the students to become stronger learners.

Positive teacher and student relationships help students meet their needs. Teachers who know their students' interests and preferences actively offer additional feedback to support the students' feelings of competence. They also show regard and respect for these individual differences, which enhances a student's feelings of autonomy. Student-teacher relationships have implications that are long-lasting for students' development academically and socially, it contributes to higher achievement levels. When teachers choose to be guides instead of critics, students show trust, are more engaged in learning, and behave better in class.

Trustworthy teachers tend to create an environment where students are more open, which helps with the lessons. Students place their trust in a teacher and do better. They also trust the information that a teacher imparts. Students often trust the teacher's explanations of how this information or lesson will help them or make a difference later in life. Importance of student teacher relationships produces an environment that incorporates mutual respect. There is a lot to gain from a strong relationship between students and teachers. Students are often motivated to do better when they have positive relationships with their teachers because they are given the attention they need.

Students tend to be more motivated to learn and be engaged in the classroom when they know that their teacher likes and cares about them. Positive teacher and student relationships help to change a student's behavior, and there are researches that found building those positive relationships actually lead to better teaching and learning.

This cell provides stress release counseling to the staff and students apart from providing healthcare. The cell functions under the guidance of **Dr. S. Surendran** (Head, Dept. of Sociology). The cell is located near the ladies hostel. It is equipped with three beds and the first aid kits needed for providing treatment. Sincerely thank **Dr. Latha Nagarajan** for her selfless service. This cell plays a vital role in our college and helps the college student community by giving guidance and counseling to students suffering from mental stress especially during examination time. It also helps the students by giving information regarding the Kavalan app developed by the Police Department and 'One Stop' app developed by the Social Welfare Department of Kanyakumari District. It also imparts counseling on cyber issues to those in need of it. A health checkup programme was conducted under the aegis of the cell by **Dr. Latha Nagarajan**, **Dr. N. Ananthi** and **Surya Hospital Team**. All the first year students of our college (106 boys and 253 girls) were benefitted from the Health checkup. Our Chairman, **Dr.A. National Consumer's Day

The Youth Welfare Association and Consumer Club is function under the guidance of **Dr.N.Ayyappan** (Dept. of Tamil). A rally was conducted on 10.12.2024 in connection with the National Consumer's Day.

YOGA DAY

National Yoga Day was celebrated on 21.06.24 by NSS units (100,101,102,112113,116,117,161) of S.T. Hindu College jointly with Isha Yoga Centre at Kavimani Kalaiyarangam. Our Principal Dr. T.M. Padmanabhan inaugurated the program. Dr. B. Sivagami, Director of Self-Supporting courses, felicitated the program. 300 NSS volunteers participated in the event.

WALKATHON

A Walkathon was arranged by Freemasons jointly with NSS volunteers of units (100,101,102,112113,116,117,161) of S.T. Hindu College on 23.06.24 from Anna Stadium, Nagercoil to S.T.Hindu College followed by the drug awareness program at Kavimani Kalaiyarangam. Chairman Dr. A. Nagarajan and Principal Dr. T. M. Padmanabhan felicitated the event. Dr. Jaya Gouthaman, SP, ASP of Kanyakumari District took part in the event. 200 NSS volunteers and NSS PO's participated in the event.

NSS ORIENTATION PROGRAMME

S.T. Hindu College NSS units organized an NSS orientation program for 1st year NSS volunteers on 06.09.24 at Kavimani Kalaiyarangam. Our Principal Dr. T.M. Padmanabhan inaugurated the program. M.S University NSS Coordinator Dr. A. Veliappan felicitated the program and gave certificates to the Volunteers who have attended the special camp. 300 NSS volunteers participated in the event.

VOTERS AWARENESS

On *National Voter's Day* (25/01/2025), the voter awareness rally started at the Collector's Office and concluded at S.T. Hindu College by NSS Volunteers & POs of S.T. Hindu College. It was inaugurated by the District Revenue Officer in the presence of RDO. Followed by a voter awareness program at S.T. Hindu College. As part of the 15th National Voter's Day celebration, the chief guest, Kanyakumari District Collector Mrs.R. Azhagu Meena, granted voter IDs to new voters at S.T. Hindu College. The event was graced by the presence of Dr. T. M. Padmanabhan, Principal of S.T. Hindu College, who felicitated the program. Other dignitaries, including RDO Ms. S.Kaleeswari, the ASP, the Tahsildar, and many officials, Kalaimamani Pazhaniyapillai participated in the program. Nearly 200 NSS volunteers took part in the event.

BLOOD DONATION CAMP

YRC and NSS jointly organized a blood donation camp on 23.12.24. The program was inaugurated by our chairman Dr. A. Nagarajan. The principal, Dr. T.M. Padmanabhan, felicitated the program. Nearly 50 units of blood were collected from the students.

TREE PLANTING

A tree planting program was organized by NSS units 101 and 102 on 30.07.24 in the name of 'EK PED MAA KE NAM' at S.T.Hindu College. The Principal of the college Dr. DM Padmanabhan inaugurated the event. Nagercoil Queen's Rotary Club President Dr. Abjia Jaish Lal was the cheif guest of the event. She donated more than 25 saplings to the college. 50 NSS volunteers and members of Queen's Rotary Club participated in the tree planting event.

ENVIRONMENTAL DAY

NSS Programme on Environmental Day (5.5.2024) in collaboration with Southern Railway, Nagercoil Division was initiated the rally. Trees were planted at the roadside of Junction Railway Station, Railway quarters, and in front of Railway Hospital. The NSS Volunteers took The Pledge to save the Environment. Some saplings were distributed to the people at the railway station. Dr. Divya.R of NSS Unit 102 organized the event.

EYE CAMP

S.T.Hindu College NSS Units 101,102 and Bejan Singh Eye Hospital organized a 'Free Eye Camp' on 13.08.2024 at S.T.Hindu College, Nagercoil. The program was inaugurated by our Chairman Dr. A. Nagarajan. The principal Dr. T.M. Padmanabhan felicitated the program. Dr. Meval and Dr. Vasanth from Bejan Singh Eye Hospital were the chief guests of the program. NSS PO's Dr. R. Divya and Dr. M. Eugene Prince organized the event.

RAILWAY STATION CLEANING

As part of swachhata hi seva, S.T. Hindu College, Nagercoil NSS units No. 101 and 102 participated in the cleaning awareness program with Southern Railway Trivandrum Division on 27.09.2024. Nearly 20 NSS Volunteers actively participated in the activities. NSS PO Dr. R. Divya of Unit 102 organized the event. The volunteers were appreciated with certificates by the railway department.

BEACH CLEANING

NEHRU YUVA KENDRA and S.T. Hindu College NSS Cell Joined together for work under Swachhata Hi Seva - 02.10.2024. The program was held at Sangu Thurai Beach, Kanyakumari district. Shri.Gnanachandran, Kanyakumari district Youth Officer, delivered the welcome address. Shri Khalid Ansari was the special guest of the program. Principal Dr. T.M. Padmanabhan, S.T. Hindu College delivered a special address. NSS volunteers cleaned the beach. They were also appreciated with certificates for the same.

ANNUAL (CONFIDENTIAL) EVENT REPORT 2024 - 2025 3(TN) Girls Bn NCC, S T HINDU COLLEGE, NAGERCOIL **Lt. Dr. V. G. Bhagavathi Ammal**

REPUBLIC DAY CELEBRATION: In S. T. Hindu college campus, the NCC cadets has represented the republic day parade, during this event our cadets piloted the respected chairman secretary, the principal for the flag hosting. The event started by saluting the national flag followed by national anthem and special speech given by the chairman and the principal about the freedom fighters which make all the cadets and students with the feeling of immense patriotism and nationalism.

TAMIL NADU BOOK FESTIVAL: The 5th Kanyakumari book fair 2024 is hosted at the SLB School organized by the Kanyakumari district administration along with the booksellers and publishers association of south India from 17.02.2024 to 27.02.2024. Cultural programs put up by the school and college students makes the event worthy. Our cadets gives the awareness of yoga through Pyramids.

YOGA DAY CELEBRATION: NCC cadets of S. T. Hindu college celebrated international yoga day under the guidance of NCC ANO on 21st June. 40 cadets actively participated in the event in the college campus. The event was inaugurated by our college Principal Dr. T M Padmanabhan at 6.30 am and all cadets done yoga and exercise enthusiastically. The event came to an end at 8.30 am with laughing therapy.

CAMP PARTICIPATION: Cadets of our college attended CATC CUM IUC RDC camp from 18th July 2024 to 27th July 2024.

Tree plantation Program: NCC cadets of our college participated in Tree plantation program on 15th August 2024 and created awareness about “vriksharopanabhiyan” on tree plantation by planting tree and through social media by tree plantation program significance with images of tree planting photos.

Independence Day celebration: Our college quivered with patriotic emotion on Independence Day as we celebrated India's freedom with an inspiring parade by the NCC cadets and a hopeful flag-hoisting ceremony. The event was decorated by the esteemed presence of our chairman Secretary and all management associates, Our Principal, teaching and non-teaching staff, all students including NSS, YRS and NCC. Followed by the flag hoisting, the attention shifted to the charming parade by the NCC cadets. They marched perfectly well and disciplined with the expressions that they would do anything for the nation.

Naan Mudhalvan A True Learning Experience

Naan Mudhalvan – Skill Development Programme Naan Mudhalvan is a massive skilling initiative introduced by the Government of Tamil Nadu under the department of Special Programme Implementation to empower the youth of the state to gain industry-relevant employable skills. In our college Principal Dr. T. Padmanabhan to execute the Programme effectively appointed a SPOC and managers as prescribed by the Naan Mudhalvan- SDC. SPOC (**Dr. J. Satya**, Assistant Professor of Chemistry), Managers (**Dr. S.J. Sreeja**, Assistant Professor of Zoology; **Dr.M. Thanumalaya Perumal**, Assistant Professor of English; **Dr.S. Subbulekshmi**, Assistant Professor of Computer Science and Applications - S.S). Our students also took part in all the placement Programme organised by the NM-SDC and got placed. There were two incidents which has to be mentioned, that showcases the success of NM course. Our Tamil Department students indulge in a playful banter in English during an English Communication class, and Zoology students were able to edit a PDF on their cell phone and claimed that they learnt to do all these in the NM Employability skills Course. These incidents might seem as insignificant, but these are the baby steps towards skill development. Students who capitalize on this given opportunity will be skilled with communication, and program specific industrial skills at the end of their three-years programme.

So Pleased to see you accomplishing great things

CHILDREN MEET YOUNG SCIENTIST PROGRAMME

On January 28, 2025, S.T. Hindu College organised the "Children Meet with Young Scientists" programme. We got the opportunity to host 214 students and 14 teachers from 5 different schools.

The programme commenced at 9.30 am with the Inauguration ceremony. Dr. B. Sivagami, Director of Self-Supporting stream delivered the welcome address, greeting all the participants. Chairman Dr. A. Nagarajan, M.S., FAIS., delivered the Presidential address, followed by an encouraging motivational speech by our Principal Dr. T.M. Padmanabhan.

This was followed by course presentations by two faculty members of our institution Dr. Karthika Premkumar, Head, Dept. of English (SS), and Mrs. A. S. Sangeetha, Assistant Professor of Computer Science (SS). Prof. N. Padmakumar, Head & Assistant Professor of Electronics delivered the Vote of Thanks.

After the end of Inauguration ceremony by 10.30 am the students visited all the laboratories of our college, witnessing the institution's lab infrastructure. The students explored the Laboratories of Computer Science, Electronics, Bio-Technology, Nano Science, Physics, Chemistry, Botany, Zoology and exhibits by Dept. of English and Mathematics. Additionally, they also visited other infrastructures like Gymnasium, Library, indoor stadium and Aavanakalanjiyam (archives) of our college.

Students of our college showcased many science projects that would stir a spirit of scientific exploration among the visiting students. Two students from Sree Vivekananda School also brought their science projects, receiving appreciation from the College management.

Schools participated

- Evans Matric. Hr. Sec. School, Nagercoil.
- DVD Matric. Hr. Sec. School, Nagercoil.
- Sree Narayana Guru Matric. Hr. Sec. School, Nagercoil.
- Sree Vivekananda Matric. Hr. Sec. School, Mondaikadu.
- S.M.S.M. Matric. Hr. Sec. School, Suchindrum.

The programme provided an opportunity for the school students to interact with the college students and the professors, clarifying their doubts, regarding their higher education in the field of science. This was indeed an enriching experience for both the college and school students. This event fostered a sense of scientific inquiry and kindled the interest towards science among the students.

TAMILNADU ENGINEERING ADMISSION-2024 **TNEA Facilitation Center (TFC-51)-S.T.Hindu College**

Coordinator : **Dr.T.M.Padmanabhan**

Co-coordinator : **Dr.K.Pazhanikumar**

The Tamil Nadu Engineering Admissions (TNEA) is a fully online counseling process conducted by the Directorate of Technical Education (DoTE) for admission to engineering and technology courses across Tamil Nadu. To support candidates, TNEA Facilitation Centers (TFCs) are set up in every district, providing internet access and guidance for those without personal facilities. In Kanyakumari District, S.T. Hindu College, Nagercoil, has been serving as a TNEA Facilitation Center (TFC) since the 2019–2020 academic year. The center provides crucial guidance and support to engineering aspirants throughout the online single-window admission system. The facilitation centre ensures that students complete their registration, certificate verification, and admission procedures without any hurdles, contributing significantly to the smooth functioning of the TNEA process in the district.

Principal Dr. T.M. Padmanabhan inaugurates the Round-1 Tentative Admission Process for Tamil Nadu Engineering Admissions (TNEA) at S.T. Hindu College.

THE IGNOU STUDY CENTRE

The IGNOU Study Centre (2511) at S.T. Hindu College, Nagercoil, which started in 1992, is part of the Regional Centre – IGNOU, Trivandrum. It provides students with an excellent opportunity to pursue distance learning while remaining close to home. The centre is managed by **Dr. P. Muthukrishnan** (Coordinator) and **Dr. B. Sivakami** (Assistant Coordinator), who facilitate smooth operations and support students in various ways. A key strength of the centre lies in the active involvement of the college faculty, many of whom serve as Academic Counsellors. Their guidance and mentorship have been instrumental in supporting IGNOU learners academically and professionally. One of the major advantages offered by the study centre is the opportunity for dual degree programmes. Students at S.T. Hindu College can pursue their regular courses while simultaneously enrolling in IGNOU's diverse programmes, thereby enhancing their academic profiles and skill sets. The centre offers Certificate, Diploma, Undergraduate, and Postgraduate programmes, catering to the varied needs and aspirations of students.

In the year 2025, the study centre witnessed significant growth and engagement

480 students were admitted across various programmes. Approximately 2,480 students appeared for the January 2025 Term-End Examinations. Around 1,925 assignments were submitted, reflecting the active participation and academic commitment of the learners. The IGNOU Study Centre at S.T. Hindu College has become a catalyst for empowerment through education, helping many students gain employment and upskill themselves for better career prospects. With its learner-centric approach and dedicated support system, the centre continues to make a lasting impact on the academic and professional lives of students in the region. *Way to go ! Congratulations !*
