About the Internal Quality Assurance Cell

S.T. Hindu college attempts to chisel out the total quality through a persistent focus on imparting quality education, through its innovative, comprehensive and flexible education policy. Its Internal Quality Assurance Cell (IQAC) carries out activities that encompass all aspects of the Institute's functioning. The IQAC takes initiatives in enhancing quality through various activities connecting the students, staff, alumni, employers, and community. It ensures the best learning system by integrating innovative technology-driven teaching methods that can prepare the students to be compact with global workplaces

Vision of the IQAC

"To build and ensure a quality culture aimed at all round excellence at the institutional level."

Mission of the IQAC

- Acting as a nodal agency of the institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Dissemination of information on various quality parameters of higher education
- Promotion of research culture among staff and students.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- Documentation of the various programmes/activities leading to quality improvement.

Goals of the IQAC

- To develop a system to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.
- To take steps for periodic internal academic audit of the teaching, learning and research activities.

Objectives of the IQAC

1. Improvement in quality of teaching and research by regular inputs to all concerned based on feedback from students.
2. Providing inputs for best practices in administration for efficient resource utilization and better services to students and staff.
3. Providing inputs for Academic Audit and analysis of results for improvement in areas found weak.

Strategies of the IQAC

- Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks
- Implementation of modern methods of teaching and learning
- Execution of Outcome Based Education
- Ensuring the adequacy, maintenance of support structure and services
- Initiations to capability enhancement programs and MoU's

From the Chairman's Table

It gives me immense pleasure to extend my heartfelt greetings to all readers of this edition of our College IQAC Newsletter. This publication reflects the commitment of our institution toward excellence in teaching, learning, and holistic student development. As we continue to uphold our vision of providing quality higher education, I commend the sincere efforts of our faculty, students, and the IQAC team in nurturing an environment of innovation, inclusivity, and improvement. I am confident that this newsletter will serve as a valuable platform to showcase the academic achievements and creative endeavours of our college community.

-Dr. A. Nagarajan, M.S., FAIS.

The Principal's Note

It is with great pride that I present this issue of our IQAC Newsletter, which encapsulates the academic activities and student accomplishments of our institution. The commitment of our staff and students to uphold academic excellence is truly commendable. Through the continued efforts of the IQAC, our college strives to enhance the quality of education and foster a culture of innovation and learning. I congratulate everyone who has contributed to this issue and encourage all stakeholders to remain dedicated to our shared pursuit of knowledge and excellence.

-Dr. N. Ayyappan, M.A, M.Phil., Ph.D,

The Coordinator's Message
