Chairman - Secretary's Message

Dear students, faculty of our prestigious S. T. Hindu College, and Readers,

It gives me immense pleasure to pen this message to decorate S. T. Hindu College Magazine -2026, as we gear up for celebrating the Platinum Jubilee of our College in 2027. The pride of our college not only emerges out at its prestigious formation by the eight eminent founders in the year 1952, but also by their followers who placed it at its pinnacle of glory with the credit of keeping first in our district in the students strength as well as holding 18 courses in the Aided wing and 10 courses in that of the Self Supporting Courses. I am proud and excited about the academic and cultural activities of our college which always offer a perfect blend of scientific learning and camaraderie. Our contribution in teaching is progressing rapidly be it education, postgraduate training, research and social initiatives at international collaborations.

Yet with the growth come new challenges evolving in getting placements for our students in various organizations including companies and IT Sectors, which provoke raising expectations from students, parents as well as from the society. To navigate the changing landscape effectively we need unity among teachers understanding among students and cordial relationships between both are more important than ever. In this context, let me make a plea to all concerned to get themselves properly aligned not just for our own growth, but for a greater cause of providing ethical, evidence based education to all students who join us with high expectations.

Finally let me take the opportunity of congratulating Dr. V. Mary Kensa, Associate Professor of Botany for her altruistic contribution in bringing out the magazine colourfully and effectively.

Thank you.

Dr.A. Nagarajan, MS., FAIS.

Dr. N. AYYAPPAN, M.A., M.Ed., M.Phil., Ph.D.

Message from the Principal

As we flip through the pages of the College Magazine 2025-26, we are not merely browsing a collection of photographs and articles, we are witnessing a reflection of our collective journey, aspirations and achievements. It beautifully captures the spirit of our Institution and stands as a testament to the dedication and commitment of our students, staff and management. In essence, these pages echo the living heartbeat of our Institution.

Our college has always been guided by its noble vision: “Material, moral and cultural advancement”. This vision is not just a phrase inscribed in our prospectus; it is the foundation upon which all our academic and co-curricular activities are built. We firmly believe that true education goes beyond textbooks and examinations. It must equip students with the knowledge and skills required for material progress, nurture values that shape moral character and cultivate an appreciation for our rich cultural heritage.

In the pursuit of material advancement, we strive to provide quality education that prepares our students to meet the challenges of a competitive and rapidly changing world. Through innovative teaching methodologies, practical exposure, skill-oriented programmes and the integration of technology in learning, we aim to empower our students to achieve professional excellence. Our dedicated faculty members work tirelessly to create a stimulating academic environment that encourages critical thinking, creativity and a spirit of inquiry.

However, education without moral grounding is incomplete. We place equal emphasis on instilling integrity, discipline, empathy, and social responsibility in our students. Through community outreach programmes, value-based education, and various extension activities, we encourage our learners to become responsible citizens who contribute positively to society. We aspire to shape individuals who are not only successful in their careers but also upright in their conduct, and compassionate in their outlook.

Cultural advancement forms the third pillar of our vision. India's rich and diverse cultural heritage is a source of immense pride and we consider it our responsibility to preserve and promote it. Our college provides a vibrant platform for students to explore their talents in literature, music, dance, drama, and other cultural pursuits. Celebrations of national festivals, cultural events and intercollegiate competitions foster unity in diversity and strengthen the bonds of mutual respect and understanding among our students.

As we bring out this College magazine 2025-26, I extend my heartfelt appreciation to the editorial team in general and Dr. V. Mary Kensa in particular for their sincere efforts in compiling this publication.

I congratulate our students for their achievements and thank our staff and management for their unwavering commitment. Let us continue to work together with dedication and enthusiasm to uphold the ideals of our Institution and to carry forward its proud legacy. I wish all our students a future filled with success, integrity and meaningful contributions to society.

With warm regards,
Dr.N. Ayyappan
Principal

Dear staff and students of S. T. Hindu College,

Another year has passed quickly and we are with the college magazine for the academic year 2025-26. The world has seen many developments in the past year; chief among which has been the rise of Artificial Intelligence and its penetration in our lives. College campuses are now faced with a new problem. It has always been a challenge to make our students to enter the college libraries and read the books. The rise of AI and technologies like Chat GPT which are available to our students on their mobile phones further exacerbates the problem. Instead of reading books, students search for readymade answers using AI. The accuracy of these AI generated answers is much debated, the further problem is that it kills creativity and self-development of the students.

The question of responding to these changes and challenges as an institution is a challenge. An institution by nature of its size and responsibilities, needs more time to respond to such challenges. Technology has reduced the response time available to institutions and to the teachers working in them. As Shakespeare said, "All the world's a stage", however, today the world is a single stage with developments in one part of the globe affecting developments in every other. The world is no longer insulated from one another by virtue of division into parts.

Amidst this digital divide, we function. We are trying to impart a holistic education to our students amidst the stresses and developments of the twenty-first century. With the dawn of the year 2026, the twenty-first century has also completed a quarter of its existence. From what has happened till date in the current century, it is clear that going forward, the pace of change is going to accelerate.

This Magazine is not just a collection of written pages, it is a mirror reflecting the intellectual vibrancy and emotional depth of our academic community. It captures classrooms experiences, field engagements, cultural expressions, research explorations and personal journeys of becoming educators with vision and values.

As an editor, I extend my heartfelt appreciation to the Management, Principal, Faculty members, Administrative Staff, Student Contributors, College Union and the Editorial Team whose dedication made this magazine a reality. Let this magazine serve as a reminder that education is not about who we are labelled to be, but about who we choose to become. As you turn the pages, may our journey beyond limits and labels always lead as towards goodness, wisdom and compassion.

Thank You

Dr. V. Mary Kensa
Associate Professor,
Department of Botany

In humble prayer, I turn to Lord Vinayaga, Vighnaharta and source of wisdom. May His blessings clear all hindrances and guide us toward success and prosperity. This academic year has been a remarkable journey of achievement, growth, and shared purpose. As we gather for the 74th College Day Celebration, I feel immense gratitude for the unwavering dedication of our students and faculty across academics, co-curricular pursuits and social initiatives. Their efforts have brought great honor to our institution. Annual Day is more than a tradition. It is a moment to pause and reflect on the collective efforts, triumphs and lessons that shaped our Institution. It is a celebration of the spirit of learning, the joy of discovery, and the bonds that unite us as one community. At S.T. Hindu College, we equip ourselves not only with knowledge, but with faith in our potential to transform lives, to innovate, and to lead with integrity.

Our esteemed Chairman-Secretary Dr. A. Nagarajan, our distinguished Chief Guest Dr. T. Sankara Saravanan, Principal, All India Civil Service Coaching Centre, Government of Tamil Nadu, Chennai, our Vice - Chairman Thiru. R. Ayyavoo, Secretary Thiru. P. Chidambaram, Joint Secretary Thiru. V. Nagarajan, Treasurer Thiru. K. M. Kumaraswamy, Members of the Board, and Share holders, Dr. B. Sivagami, Director of Self - Supporting streams, esteemed Heads of Departments, Office Superintendent Mrs. S. Shakila, teaching and non-teaching staff, Dr. B. Kumari Asha, Principal of S.T. Hindu College of Education, respected parents, members of the press and media, well-wishers, and my dear students: I warmly welcome you all to our 74th College Day celebrations.

With the blessings of Lord Vinayaga, I now present the Annual Report for the academic year 2025 - 2026. This academic year has been a vibrant journey of renewed energy, purposeful progress, and shared excellence. Every member of our institution, students, faculty and parents have contributed meaningfully to a year defined by significant achievements and enriching experiences. Our commitment to holistic education has resonated both within and beyond the classroom. Academic accomplishments, cultural vibrancy, sporting excellence and socially responsible initiatives have each marked milestones that reflect not only our pursuit of knowledge, but also our dedication to nurturing individuals of integrity, responsibility and vision.

What has truly defined this year is a spirit of unity and collective purpose. It guided us through challenges with resilience, turned aspirations into achievements, and carried us forward with confidence, determination, and unwavering hope. I am delighted to present this Annual Report, which captures the achievements, growth, and progressive vision of S.T. Hindu College. We are not just a campus, but a thriving community of ideas, values, and transformation. Here, education is not just about lessons delivered, but about lives enriched. The foundation of it all is the deep and lasting connection between our teachers and students. At S.T. Hindu College, that connection is built on respect, trust, and encouragement. Our faculty serve as mentors and guides, inspiring students to discover their strengths and reach higher. Our students respond with dedication, enthusiasm, and a hunger to learn. The result is an

academic environment that pulses with collaboration, growth, and mutual purpose.

Academic Year 2025-26 - A Renewed Commitment to Excellence :

The academic year commenced on June 16, 2025, ushering in a new chapter of dedication and excellence. With a dynamic team of 126 teaching faculty and 51 non-teaching staff, our institution continues to serve as a pillar of enlightenment, guiding students toward intellectual growth and empowerment. To strengthen further our academic foundation, we are proud to have an additional 61 teaching and 9 non-teaching members under the self-supporting stream. This ensures our unwavering commitment to delivering quality education. Home to a vibrant community of 2,932 students, the college remains dedicated to fostering knowledge, innovation, and critical thinking. In addition, 25 research scholars have joined our doctoral programmes this year, contributing meaningfully to research and scholarship.

Student Union Election 2025

The student union election for both the aided and self-supporting streams were conducted on December 23, 2025, marking a milestone in the college's academic calendar. The election embodied the spirit of democracy by encouraging active student participation in choosing their representatives in the college. Beyond selecting leaders, the event reinforced the college's dedication to leadership, democratic values and student engagement. It strengthened student unity and set a strong foundation for a productive academic year ahead.

Regular Stream :

Union Chairperson - S. Vishwa, Department of Physics (PG)

Union Secretary - I. Subin, Department of Commerce (UG)

Self-Financing Stream :

Chairman - K. Subramanian, Department of Computer Science (UG)

Student Union Secretary - S.S. Neethu, Department of Electronics (UG)

Academic Milestones :

Our students set a high benchmark this academic year. The regular streams recorded a 100% success in B.Sc Physics, Mathematics, and Computer Science, M.A. Economics and English, M.Sc Mathematics and M.Com. Equally impressive, the self-supporting streams which achieved 100% success in B.Sc Mathematics, M.A. English, M.Sc Computer Science and Nano Science, M.C.A, and M.Com. These results speak the commitment of our learners, the guidance of our faculty, and the culture of academic excellence that define our institution.

Other Achievements :

IQAC

As an institution committed to academic excellence and continuous quality enhancement, the Internal Quality Assurance Cell (IQAC) of S.T. Hindu College, Nagercoil played a pivotal role in planning, monitoring, and promoting quality initiatives during the academic year 2025–2026. The IQAC focused on strengthening academic processes, institutional documentation, industry collaboration, and digital and research competencies in line with NAAC guidelines. Considerable efforts were made towards the systematic collection and documentation of data for the preparation of the Annual Quality Assurance Report (AQAR), ensuring accuracy and timely submission. Regular IQAC meetings were conducted to review institutional performance, monitor quality benchmarks, and guide departments in implementing best practices, with emphasis on ICT-enabled teaching, student-centric learning, and continuous improvement. The IQAC also organized an orientation programme on the effective utilization of the Digital Learning Centre for research scholars, promoting awareness of e-resources and online tools. Dr. K. Pazhanikumar, the IQAC Coordinator of our College, truly deserves our appreciation for his sincere and dedicated efforts.

NIRF:

Marking another milestone in our institutional benchmarking, the NIRF report for the academic year 2024-2025 was submitted on schedule (19.02.2026). The institution congratulates Dr. K. Madhu, whose committed efforts and coordination were instrumental in this achievement.

AISHE :

We are pleased to report that the All India Survey on Higher Education (AISHE) report for 2024–2025 was submitted on 14-10-2025. The institution acknowledges Dr. Shanmugha Prasad's commendable efforts in compiling and submitting the report on time.

NPTEL Local Chapter

S.T. Hindu College, Nagercoil, established its NPTEL Local Chapter (ID: 6098) in September 2023 with the objective of promoting online education and providing access to high-quality courses offered by IITs and IISc. Since its inception, the Local Chapter has shown steady progress and enthusiastic participation, reflecting the institution's commitment to digital and blended learning. During the July-December 2025 session, 231 students enrolled in NPTEL courses, of whom 93 registered for examinations and 16 successfully completed their courses, with commendable achievements including 20 Elite certifications, 7 Elite + Silver and 2 Elite + Gold, while two students emerged as toppers and the institution received two Top Performing Mentor Certificates, with the Local Chapter continuing to function effectively with Active SPOC status. A major highlight of the session was the outstanding performance of C. Kavitha (III B.Sc. Computer Science – Aided) and S. Anish Kumar (MCA), who secured top ranks in the NPTEL examinations conducted by IIT Kanpur and IIT Madras (Chennai), bringing laurels to the institution. To enhance awareness, an NPTEL awareness workshop for Commerce students was organized on 28th July 2025, focusing on NPTEL-SWAYAM courses, certification opportunities, and enrolment procedures, with active participation from faculty and students, and the SPOC further strengthened programme implementation by participating in NPTEL workshops held on 5th July 2025 and 31st January 2026, contributing to increased student engagement and improved academic outcomes.

TNEA Facilitation Center

The Tamil Nadu Engineering Admissions (TNEA) is a fully online counselling process conducted by the Directorate of Technical Education (DoTE), Chennai, for admissions to undergraduate engineering and technology programmes in Tamil Nadu. To facilitate this process, TNEA Facilitation Centres (TFCs) are established across the state to provide candidates with essential support, including internet access and step-by-step guidance at every stage of the admission process. Since 2019, S.T. Hindu College, Nagercoil, has been functioning as the TNEA Facilitation Centre for Kanyakumari District. The Centre ensures the smooth and efficient implementation of the admission process by assisting students with online registration, certificate uploading, verification, and choice filling. Through dedicated support, the Centre plays a vital and responsible role in the successful conduct of TNEA in the district.

Staff Participation :

The faculty of our college exemplifies dedication to academic excellence and professional advancement. They actively contribute to knowledge dissemination through research paper presentations at national and international seminars, while continuously enhancing expertise via orientation and refresher programmes. Their academic leadership is evident in their roles as External Examiners and as chairpersons/members of Boards of Studies. Kudos to Dr. N. Subha Nanthini, Assistant Professor of History, for presenting the paper "Evolution of Material Culture in Sangam Literature" at the International Conference on Multi-disciplinary Researchers, Shinawatra University, Thailand, 16-19 January 2026. Further recognized for their subject expertise, they serve on appointment committees, inspection commissions, and as members of doctoral committees across institutions, thereby strengthening the academic and research ecosystem.

Extension Activities :

National Cadet Corps (NCC) :

The NCC cadets of our college serve as pillars of strength for both the institution and the community.

Through disciplined training, they have forged character, sharpened their skills, and embraced the core values of leadership and unity. At the heart of their growth is Lt. Dr.V.G. Bhagavathi Ammal (3 TN Girls BN) and CTO Dr.M. Thanumalayaperumal (11TN BN) whose vision and mentorship have empowered cadets to surpass every challenge. Guided by their commitment, they have excelled in community service, awareness initiatives, and programs rooted in discipline. Their commitment and accomplishments continue to elevate our college's name, and their service remains deeply worthy of praise. CUO Sajin. C, III BBA student represents the NCC with pride. He was selected for the prestigious PM Rally during the Republic Day camp 2026 in New Delhi.

National Service Scheme (NSS):

Throughout the academic year 2025-2026, the eight National Service Scheme units of our college stood as beacons of selfless service and civic spirit. With unwavering commitment, they bridged the gap between institution and community, transforming ideals of social responsibility into lived action. Their service was not merely rendered, it was felt, and leaving an indelible mark on every life they touched. Our college hosted a state-level workshop on Disaster Management and First Aid from 28th to 30th August 2025. The event was inaugurated by the District Collector, joined by our College Chairman and the M.S. University NSS Programme Coordinator (Dr.A. Velliappan) Congratulations to all our NSS Programme Officers!. We are profoundly grateful to our programme officers: Dr.B. Malar, Dr.R. Dhivya, Dr.M. Eugene Prince, Dr.C. Ponnu Chandran, Dr.R. Mahesh, Dr.P. Asha, Dr.T. Ponnammal, and Dr. K. K. Thanammal. Through tireless effort and unwavering dedication, they have turned vision into reality. Following are the common programmes conducted by the NSS units of our College :

Youth Red Cross (YRC):

Under the dedicated stewardship of Dr. R. Sorna Bamila, Programme Officer, our college's Youth Red Cross blossomed into a force for good in 2025–2026. Each initiative was a thread woven into a larger fabric of humanity: the year began with an orientation to kindle the flame of service, and grew into a disaster management and first aid camp that placed the power to save lives into young hands.

Culminating in a district-level study camp, the YRC journey reflected a single truth: 'service to others' is the highest calling. It is to be noted that programme officer received a Certificate of Appreciation from the District Collector of Kanyakumari on National Blood Donation Day, celebrated on 01.10.2025.

Chairman Mid-Day Meals Scheme :

At S.T. Hindu College, no student learns on an empty stomach. Through the Mid-Day Meal Scheme, launched by our Chairman Dr. A. Nagarajan, students from underprivileged backgrounds are served nutritious meals every day. More than 120 young learners have felt the impact this year better health, better focus, and better futures. It's more than a meal. It's our promise of care, dignity, and equal opportunity for all.

Naan Mudhalvan Scheme :

Sincere appreciation to Dr. Satya, SPOC of the Naan Mudhalvan programme, and the entire management team for their exceptional dedication to students. Their guidance across diverse value-added courses truly embodies mentorship and academic excellence. By inspiring students to embrace knowledge, creativity, and all-round development, they are paving the way for a brighter future and a culture of lifelong learning.

SCC and HCC (Students Counselling Centre & Health Care Centre)

SCC & HCC stands as a pillar of student well-being, offering psycho-social counseling to ease stress and spreading vital health care awareness. Run by 14 UG peer group members, the centre operates from the Ladies' Hostel with three beds and first-aid kits ready for students in need. As part of state government initiatives, deworming and iron tablets were also distributed to safeguard student health. Heartfelt appreciation to medical counselor Dr. Latha Nagarajan, Coordinator Dr. S. Surendran, Head & Associate Professor of Sociology and the committed peer team whose dedicated service makes the campus a safer, healthier, and more caring space for all.

Career Development Cell :

The Career Development Cell stands as a beacon of opportunity for our students. Through thoughtfully organized coaching classes and active facilitation of recruitment drives, the Cell bridges the gap between academic learning and professional success. Each initiative is designed to sharpen skills, build confidence, and expand employability horizons. Behind this impact is the selfless dedication of Mr. T. Sreenivasan, Assistant Professor of Computer Science, Mr. V. L. Vijay Krishna, Assistant Professor of English and Dr. C. S. Annamalai, Assistant Professor of Commerce. Their voluntary service, unwavering commitment, and wise guidance have illuminated countless career paths. They don't just prepare students for jobs - they shape futures.

Entrepreneurial Development Cell :

Led by Dr. M. Uma Maheswari, Associate Professor of Commerce, the Entrepreneurial Development Cell sparked innovation through five dynamic programmes this year. The highlight was the Food Preneur Talent Show 2026, where students blended creativity with enterprise. It became a celebration of imagination, with participants turning culinary skills into business ideas and serving ambition on every plate.

The Following are the achievements of the Placement Cell :

It is with great pride and gratitude that we congratulate Dr. M. Saji, our Placement Officer, and commend his invaluable service and steadfast dedication that have significantly enriched our institution.

Women's Hostel :

For the comfort, safety, and well-being of our girl students, the college offers a welcoming women's hostel that feels like a second home. Spacious, organized, and thoughtfully managed, it is guided by Dr. M. J. Uma, Assistant Professor, Department of Electronics (SS), whose role as Deputy Warden ensures every resident is supported with care and dedication.

Save Green Club :

Breathing new life into our campus, the Save Green Club, led by Dr. V. Mary Kensa, Associate Professor of Botany has transformed the college Botanical Garden and labeled nearly every tree on the grounds. Through these efforts, the club continues to nurture a greener, more informed campus community.

Thank you for your contribution to this mission. Let us continue to inspire, empower, and recognize those who lead transformative change.

I am proud of what you have all achieved.

“Echos of Appreciation as a visitor’s perspective”

Roots that Remember, Wings that Rise - A Vignette of Vaikarai Vasakan

Dr.T. Sankara Saravanan, M.V.Sc, Ph.D.
Principal, All India Civil Service Coaching Centre,
Government of Tamil Nadu, Chennai.

There are invitations that are formal, and then there are those that quietly carry a sense of occasion. My visit to S.T. Hindu College-one of the oldest colleges in Nagercoil-belonged firmly to the latter category. At the suggestion of my well-wisher Mr. Arumugam, I was invited to address students on the occasion of its 74th College Day, standing just a year away from its Platinum Jubilee-a milestone that lends both pride and perspective.

The Chairman, Dr. Anantham Nagarajan, in his address, offered a fascinating glimpse into the origins of the institution. Founded by eight philanthropists, the naming of the college itself was an act of quiet assertion. At a time when more than a hundred Christian colleges existed, the founders chose the name “Hindu College” not as exclusion, but as distinction. And to avoid confusion with another institution in Tirunelveli, the prefix “S.T.”-South Travancore-was added. A simple decision, perhaps, but one that reflects how identity and history often evolve through practical wisdom rather than grand declarations.

Browsing through the visitors’ book felt like turning the pages of a living archive. From Kavimani to Nanjil Nadan, literary luminaries have walked these corridors. The alumni list is equally inspiring, featuring distinguished figures such as ISRO scientists Siva Thanupillai and Sivan-proof that the seeds sown here have reached both poetic and cosmic heights.

The annual report, presented by Professor Ayyappan, Head of the Tamil Department, was rich in substance and spirit. Among the highlights were free midday meals for over 200 students-a reminder that education, at its core, must also be humane. The active participation of NSS units in national camps, including the Republic Day Parade, speaks of a campus that extends its learning beyond classrooms. Notably, the college currently hosts 118 Ph.D. scholars-the highest under Manonmaniam Sundaranar University-no small distinction, and certainly not one achieved by accident.

When my turn came to speak, I reflected on the importance of college life-not merely as a phase of academic pursuit, but as a formative space where character, curiosity, and conviction are shaped. I spoke about gratitude toward one’s institution (a virtue often realized only in hindsight), and the need to balance curricular, co-curricular, and extracurricular pursuits. I also touched upon Tamil Nadu’s commendable performance in UPSC civil services examinations, the various forms of government support available, and the transformative journeys of some of my own students.

As Albert Einstein once observed, “Education is not the learning of facts, but the training of the mind to think.” Judging by the vibrancy of this campus, that training seems to be in capable hands-and, one hopes, occasionally in mischievous ones too, for no true learning ever happens without a little curiosity getting out of control.

Beyond the formalities, the conversations proved equally enriching. Dr. Surendran, Head of the Sociology Department, shared insights into lesser-known irrigation scandals-one involving betel vine cultivation in Srivaikundam, and another concerning banana plantations in Tanjore. These discussions were a reminder that sociology, at its best, is not abstract theory but grounded reality-occasionally uncomfortable, always enlightening. It was also fascinating to learn that the department itself has a legacy spanning 60 years.

One of the most memorable moments of the visit was meeting the distinguished Tamil scholar A.K. Perumal, arranged by Professor Dr. Eswaran. Our conversation was both engaging and unexpectedly personal. He graciously presented me with his compilation of essays on Kavimani. In the course of our discussion, upon learning my native place, he casually mentioned that the grandfather of Manonmaniam Sundaranar hailed from Kalakad-near my own village. It was one of those delightful discoveries that history occasionally gifts us, as if to remind us that the past is never too far away, merely waiting for the right conversation to resurface.

Another remarkable encounter during the visit was with the reputed gynecologist Dr. Latha Nagarajan, who has handled over 50,000 childbirths-an achievement that is not merely numerical but profoundly human. Each number, after all, represents a life welcomed into the world, a family transformed, and a story begun. She is also the wife of the Chairman, Dr. Anantham Nagarajan, himself a well-known surgeon and an active member of the Indian Medical Association. One could not help but admire this confluence of service-where healing and education seem to share the same household, perhaps making dinner conversations unusually productive.

In retrospect, the visit was not just about delivering a speech; it was about encountering an institution where legacy and aspiration coexist with quiet dignity. If colleges are, as someone wisely said, “not just buildings but reservoirs of memory,” then S.T. Hindu College is indeed a well-stocked one-with history in its foundations and hope in its classrooms.

And as it approaches its Platinum Jubilee, one can only wish that it continues to produce not just graduates, but individuals who carry forward both knowledge and nuance-preferably with a touch of humility, and, when required, a sense of humour. After all, even the strongest roots must allow a little wind, if the wings they nurture are to truly rise.

Happy Retirement

NIRF

NIRF stands for the National Institutional Ranking Framework, a methodology used by the Ministry of Education, Government of India, to rank higher education institutions across the country. Dr.K.U. Madhu, Associate Professor of Physics served as the Coordinator for the NIRF report (2024-2025) which was submitted on 19.02.2026. Hearty Congratulations.

AISHE

AISHE (All India Survey for Higher Education), is a program initiated by the Ministry of Education (MoE) to collect comprehensive data on higher education institutions and their performance in India. In our college, Dr.K. Shanmugha Prasad, Assistant Professor of Chemistry and Coordinator for AISHE, successfully submitted the report for this academic year on 14.10.2025. You deserve all the success.

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of S.T. Hindu College, Nagercoil, continued to function as a key body for planning, monitoring, and promoting quality initiatives during the academic year 2025–2026. The IQAC focused on strengthening academic processes, improving institutional documentation, fostering industry collaboration, and enhancing digital and research competencies in line with NAAC guidelines.

AQAR Preparation and Documentation

During this academic year, the IQAC concentrated on the collection, compilation, and systematic documentation of academic and administrative data required for the preparation of the Annual Quality Assurance Report (AQAR). Departments and committees were guided to submit accurate and timely inputs, ensuring readiness for future AQAR submission.

Internal Quality Assurance Cell (IQAC)

Memoranda of Understanding (MoUs)

As part of its efforts to strengthen industry–institution interaction, the IQAC facilitated the signing of two Memoranda of Understanding :

An MoU was signed with IREL (India) Limited, Manavalakurichi, to provide students with internship opportunities, industry visits, expert lectures, and seminars, enabling them to gain real-world industrial exposure and enhance their technical skills.

Another MoU was signed with SkillSync Pro Private Limited, Vadasery, aimed at offering industry-oriented training programmes, internships, and skill development initiatives to improve student employability and professional competence. These collaborations reflect the institution's commitment to experiential learning and career-oriented education.

IQAC Newsletter Release

The June–November 2025 issue of the IQAC Newsletter was formally released by the Chairman-Secretary, Dr. A. Nagarajan. The first copy was received by the Principal, Dr. N. Ayyappan. On this occasion, the Chairman appreciated the dedicated efforts of the IQAC Coordinator and the Newsletter team members, Mr. V. L. Vijay Krishna and Dr. M. Thanumalaya Perumal, for their committed work in successfully bringing out the newsletter.

Digital Learning Centre Awareness Programme

The IQAC organized an Orientation Meeting on the Effective Utilization of the Digital Learning Centre (DLC) for research scholars. The programme focused on creating awareness about digital learning resources, e-journals, databases, and online research tools, thereby enhancing digital literacy, research efficiency, and academic productivity.

Quality Monitoring and Institutional Support

Regular IQAC meetings were conducted to review institutional performance, monitor quality benchmarks, and support departments in implementing best practices. Emphasis was placed on promoting ICT-enabled teaching, student-centric learning approaches, and continuous quality improvement.

The IQAC expresses its sincere gratitude to the Chairman–Secretary and the Principal for their constant support and guidance. The cooperation and commitment of IQAC members, faculty, students, and staff have been instrumental in successfully implementing quality initiatives during the academic year 2025–2026.

Dr. K. Pazhanikumar - IQAC Coordinator

NPTEL Local Chapter (ID: 6098)

In September 2023, S.T. Hindu College, Nagercoil, established its NPTEL Local Chapter (ID: 6098) with the objective of promoting online education and providing students and faculty access to high-quality learning resources offered by the IITs and IISc. Since its inception, the Local Chapter has shown steady growth and enthusiastic participation, reflecting the institution's commitment to digital and blended learning.

During the July–December 2025 session, the NPTEL Local Chapter recorded 231 student enrolments. Among them, 93 students registered for the NPTEL examinations, and 16 students successfully completed their courses. Student performance was noteworthy, with 20 Elite certifications, 7 Elite + Silver, and 2 Elite + Gold achievements. In addition, two students emerged as toppers, and the mentoring efforts of the institution were recognized with two Top Performing Mentor Certificates. The Local Chapter continued to function effectively with Active SPOC status.

A major highlight of the session was the excellent performance of students in the NPTEL examinations conducted by IIT Kanpur and IIT Madras (Chennai). Ms. C. Kavitha of III B.Sc. Computer Science (Aided) and Mr. S. Anish Kumar of MCA (S.S) secured top ranks, bringing laurels to the institution. The Chairman and the Principal congratulated the achievers for their outstanding performance.

As part of the Local Chapter activities, an NPTEL Awareness Workshop for Commerce students was organized on 28th July 2025 by the SPOC of the NPTEL Local Chapter. The workshop aimed to create awareness about the wide range of NPTEL–SWAYAM online courses, certification opportunities, and their academic and career benefits. The session also guided students on course enrolment procedures and certification patterns and witnessed enthusiastic participation from faculty members and students.

To further strengthen the implementation of NPTEL programmes, the SPOC participated in NPTEL Workshops held on 5th July 2025 and 31st January 2026, focusing on best practices and effective utilization of NPTEL–SWAYAM courses in higher education. These initiatives significantly contributed to increased student participation and improved academic outcomes.

ACTIVITIES

DEPARTMENT OF COMPUTER SCIENCE

Department Activities

The Department of Computer Science at S.T. Hindu College continues to be a vibrant Centre of academic excellence and technological innovation. The department is committed to equipping students with cutting-edge knowledge and practical skills through a balanced blend of academic rigor, research initiatives, and co-curricular activities.

Academic Achievements

NPTEL Participation: More than 100 students from the department enrolled in NPTEL online certification courses during the July 2025 and January 2026 sessions. Over 25 students successfully earned certificates in the July–December 2025 session. Two faculty members were awarded Top Performing Mentor certificates in recognition of their guidance and support. The SPOC of the NPTEL Local Chapter, Dr. K. Pazhanikumar, received Active SPOC.

Interdepartmental Competition

The Department of Computer Science organized an Interdepartmental Competition, which was inaugurated by Our Principal. The event included both technical and non-technical competitions, providing an opportunity for students from various departments to showcase their talents, creativity, and technical knowledge. Students actively participated in the events with great enthusiasm.

Endowment Lecture and NPTEL Certificate Distribution

The Department of Computer Science organized the Sri. Kumarimunai Kaiser Endowment Lecture on 16 March 2026 at 10:15 a.m. in the Namasivayam Pillai Seminar Hall. The programme was inaugurated

by the Chairman and the Principal delivered the Presidential Address.

The Resource Person, Mr. V. Abey George, Project Manager, CapeStart Software Pvt. Ltd., Nagercoil, delivered an insightful lecture on the topic “Next Generation AI: Recent Developments.” The lecture highlighted the latest advancements in Artificial Intelligence and emerging career opportunities in the field of AI.

During the programme, Our Chairman distributed the NPTEL certificates to the students who successfully completed the courses. The winners of the Interdepartmental Competition were also honoured during the function.

CELEBRATIONS

The students of the Department of Computer Science celebrated Pongal on 13 January 2025. The event was presided over by the Principal and commenced with a prayer, followed by the traditional preparation of Pongal, reflecting cultural values and unity among students and staff.

The department also celebrated Onam and Teachers' Day in the presence of the Principal. On Teachers' Day, students expressed their gratitude by honouring the faculty members of the department for their dedication and guidance.

Dr. K. Pazhanikumar

Positions Held

- ★ Member, College Committee
- ★ SPOC, NPTEL Local Chapter(6098)
- ★ Coordinator, IQAC
- ★ Co-Coordinator, TFC-51, Tamil Nadu

Engineering Admissions-2025.

- ★ Nodal Officer, IRINS (Indian Research Information Network System).

Academic and Administrative Activities

- ★ Organized an NPTEL Awareness Programme for Commerce students to promote effective utilization of NPTEL–SWAYAM courses.
- ★ Conducted an Orientation Programme on the Effective Utilization of the Digital Learning Centre for research scholars.
- ★ As the IQAC Coordinator, released the IQAC Newsletter for the June–November 2025 period.
- ★ As the IQAC Coordinator, facilitated the signing of MoUs with IREL (India) Limited, Manavalakurichi, and SkillsSync Pro Private Limited, Vadasery, to promote internships, seminars, and industry-oriented training for students.
- ★ Served as TNEA Facilitation Centre Co-Coordinator (2025) and supported online registration, certificate verification, and admission procedures.

Research and Publications

- ★ Co-authored a book titled Deep Learning along with my research scholar Mrs. V. Vathsala, published by Sruthi Publishers, Year of Publication: 2025, ISBN:978-81-990778-4-3
- ★ V. Vathsala and Dr. K. Pazhanikumar, “Advances in Finger Vein Recognition: A Comprehensive Review of Techniques and Applications,” International Journal of Research Publication and Reviews, Vol. 6, Issue 9, pp. 3881–3887, September 2025 (ISSN: 2582-7421).
- ★ V. Vathsala and Dr. K. Pazhanikumar , “A Comprehensive Study on Integration of Segmentation and Enhancement Approaches for Robust Finger Vein Recognition”, International Journal of Computer Applications (ISSN: 0975-8887), Volume 187, No. 68, December 2025, pp. 48–54.
- ★ Raja Aswathi and Dr. K. Pazhanikumar, “A Hybrid Framework for Heart Disease Prediction Using Multi-Scale Feature Map Reconstruction with Inception in DenseNet and AHP-VIKOR Feature Selection Model,” Network Modeling Analysis in Health Informatics and Bioinformatics, Vol. 14, Article 85, 2025. (Springer Nature; DOI: 10.1007/s13721-025-00574-6) (ISSN: 2582-7421)
- ★ Successfully guided my first research scholar, Ms.

Raja Aswathy, who appeared for the viva-voce examination, marking a significant academic milestone.

Professional Development and Training

- ★ Participated in NPTEL Workshops held on 05.07.2025 and 31.01.2026.
- ★ Participated in a UGC-Sponsored Refresher Course on “Artificial Intelligence in Basic Science” (Online Mode) organized by UGC–MMTTC, University of Madras, from 02.12.2025 to 15.12.2025.
- ★ Attended a Training Programme on Data Entry Procedures in the TNEA Admission Portal on 03.07.2025 at Anna University, Chennai.
- ★ Attended the Board of Studies Meeting of the Department of Computer Applications, Arul Anandar College, Madurai, on 23.01.2026, to review curriculum and enhance academic quality.

Awards and Recognitions

- ★ Recognized as an NPTEL–SWAYAM Active SPOC for the July–December 2025 session.
- ★ Vocational Excellence Award received from the Rotary Club of Nagercoil on 20.01.2026, in recognition of excellence in teaching and dedicated efforts in promoting students' academic development and mental well-being.
- ★ Certificate of Excellence in Reviewing awarded by the Asian Oncology Research Journal, in recognition of an outstanding contribution to maintaining and enhancing the quality of the journal.

Dr. K.K. Thanammal

Assistant Professor

1. Board of Studies member in the Department of Information Technology in Sri Sarada College for Women, Tirunelveli.
2. Chair Person for the Conference on 10.09.2025 at Sri Sarada College for Women, Tirunelveli.
3. Speaker in NSS Camp at St. Joseph Convent Higher Secondary School, Nagercoil on 28.09.2025.
4. Nodal Officer of the University Management Information System (UMIS), Government of Tamilnadu.
5. Published a paper entitled “Cloud Based Optimal Brain Haemorrhage Classification using Ensemble Heun’s Convolutional Neural Networks to minimize the error rate” in KSII Transactions on

Internet and Information Systems(SCI Indexed) journal.

6. Mentor for the NPTEL Online Certification Course “Python for Data Science” from July 2025 to December 2025.

7. Attended a Two Day National Level Online Workshop on “Prompt Engineering: Talking to AI Effectively” organized by Mannar Thirumalai Naicker College, Madurai on 20.01.2026 and 21.01.2026.

Dr. R. V. Santhi

Assistant Professor

* Attended Six days Faculty Development Programme Organized by Naan Mudhalvan Scheme, Government of Tamilnadu on "Oracle Apex " conducted at Manonmaniam Sundaranar University from 09.06.2025 to 14.06.2025.

* Attended a One-Day E-Workshop on Free ICT Tools on 11th July 2025, organized by ACT Academy, Kerala.

* Attended the Faculty Induction Programme Organized by University of Madras from 22nd October 2025 to 18th November 2025.

* Attended Six days Faculty Development Programme Organized by Naan Mudhalvan Scheme, Government of Tamilnadu on "Data Analytics and Visualization using Apex" conducted at Manonmaniam Sundaranar University from 08.01.2026 to 10.01.2026.

* Attended a Five-Days IBM-Sponsored E-Workshop on Generative AI and Multi-Agent Systems from 19th January 2026 to 23rd January 2026.

Dr. V. Desikavinayaki

Assistant Professor

* Attended FDP Under Naan Mudhalvan Program on “Oracle App Development” Course held at Manonmaniam Sundaranar University From 9th June 2025 to 14th June 2025.

* Attended a One-Day E-Workshop on Free ICT Tools on 11th July 2025, organized by ACT Academy, Kerala.

* Attended the Faculty Induction Programme Organized by University of Madras from 22nd October 2025 to 18th November 2025.

* Attended Six Days online Faculty Development Program (FDP) on “Artificial intelligence's impact on Transforming software, Robotics held from 24th to 29th Nov. 2025.

* Attended FDP Under Naan Mudhalvan Program on “Employability Skill” Course held at Manonmaniam Sundaranar University From 15th December 2025 to 20th December 2025.

* Served as Mentor for the NPTEL Online Certification course “Python For Data Science” from July -December 2025.

* Attended a Two-Day National Workshop on Prompt Engineering: Talking to AI Effectively on 20th January 2026 and 21 January 2026, organized by Mannar Thirumalai Naicker College, Madurai.

Dr. A. Vijayakumar

Assistant Professor

* Attended a One-Day E-Workshop on Free ICT Tools on 11th July 2025, organized by ACT Academy, Kerala.

* Attended a Technical Workshop on Intellectual Property Rights on 20th July 2025, organized by Manonmaniam Sundaranar University and the Tamil Nadu State Council for Technical Education.

* Attended the Faculty Induction Programme Organized by University of Madras from 22nd October 2025 to 18th November 2025.

* Attended a Five-Day IBM-Sponsored E-Workshop on Generative AI and Multi-Agent Systems from 19th January 2026 to 23rd January 2026.

* Attended a Two-Day National Workshop on Prompt Engineering: Talking to AI Effectively on 20th January 2026, organized by Mannar Thirumalai Naicker College, Madurai.

* Served as a Resource Person and delivered a lecture on “Innovations in Artificial Intelligence and Augmented Reality in Education” at S.T. Hindu College of Education on 02nd December 2025.

* Served as a Question Paper Setter for UG and PG programmes at Arul Anandar College, Karumathur, Madurai, on 28th August 2025.

* Served as a Board of Studies Member at Arul Anandar College on 23rd January 2026 for the evaluation of the UG Computer Science syllabus.

* Served as the Nodal Officer for S.T. Hindu College under the Free Laptop Distribution Scheme for students.

Department Activities

1. Prof. Parameshwaran Pillai Endowment

Lecture: On 29.08.2025, Dr. C. S. Stallin from the Indian Institute of Astrophysics delivered a lecture titled “The Multi wavelength Universe: Observations from Ground and Space,” coordinated by Dr. R. Divya and Dr. R. S. Sivakami.

2. Science Spectacular 2025: On 03.09.2025, the department organized a science exhibition in the physics laboratory, which was visited by 165 students from various nearby schools.

3. World Ozone Day - 2025: On 16.09.2025, II P.G. students organized a program with the theme “Science to Global Action.” In the morning session, the students delivered short talks and presentations on the significance of the ozone layer and its protection. During the afternoon session an exhibition was arranged related to the theme for the year 2025. A quiz program was also conducted. Prizes were distributed to the best presenter and the quiz winners based on the evaluation by Dr. P. Muthukrishnan, Head of the Department of Chemistry.

4. IREL Industrial Field Visit: On 18.09.2025, final-year UG and PG students visited IREL Ltd., Manavalakurichi, accompanied by Dr. R. Ramesh and Dr. J. M. Kavitha.

STUDENTS ACHIEVEMENTS :

1. N. S. Vamitha (I B.Sc.): Secured the Second Prize at the 10th Tamilnadu Yoga Sports Championship, Third Prize at the State Level Yogasana Championship, and a Gold Medal at the All India Championship 2025. She also registered a new world record in the Oscars Book of Records for a 12-minute Surya Namaskar session.

Dr. M. Vaitheeswari

Associate Professor

1. Published a paper entitled “Atomistic Modeling of Alumina Nanostructures via LAMMPS Simulations” in the International Journal of Nanotechnology and Applications, Vol. 19(1), pp. 11–17, 2025.

Dr. K. U. Madhu

Associate Professor

1. Attended National seminar on Plants: The key to our planet's biodiversity on 23.01.2026 at Department of Botany, S. T. Hindu College, Nagercoil.

2. One of the Coordinators of “Food Preneur Talent show 2026”, Organized by Entrepreneurship Development Cell of S.T. Hindu College, Nagercoil on 27-03-2026.

Dr. M. Meena

Associate Professor

1. Published a paper entitled “Green Synthesis of Spinel Ferrite as a Filler in PVC Matrix: Enhancing Structural, Optical, and Thermal Properties” in the *Journal of Thermoplastic Composite Materials*, Vol. 39(2), 2025.

2. Published a paper entitled “Inter-Laminar and Intra-Laminar Kevlar Hybrid Polymer Composites: A Comprehensive Review of Mechanical, Thermal, and Tribological Behavior” in the *Polymer-Plastics Technology and Materials*, Vol. 65(3), pp. 321–345, 2025.

3. Published a paper entitled “Investigating the Role of Rare Earth Ion as Dopant and Co-dopant in CuO Nanoparticles for High Frequency Applications” in the *Journal of Materials Science: Materials in Electronics*, Vol. 37:442, 2026 (SCI).

4. Presented two research papers at the International Conference on Advances in Materials Research (ICAMR-2025), held at Velammal Institute of Technology, Chennai, on 21.08.2025 and 22.08.2025.

5. Convened the Ph.D. Viva Voce of Research Scholar Arun K.J. (Reg. No. 21213152131008) on 05.01.2026.

6. Attended an Online Faculty Development Programme on Sustainable Materials and Advanced Research Technologies (SMART-2025), organized by Sacred Heart College, Tirupattur, in association with Scott Christian College, Nagercoil, from 18.09.2025 to 23.09.2025.

7. Served as a Research Advisory Committee Member for Arya S.S. (Reg. No. 2511311132001) at Nesamony Memorial Christian College, Marthandam.

8. Served as a Research Advisory Committee Member for Sumi Mole J. (Reg. No. 2511304132001) at Holy Cross College, Nagercoil.

Dr. R. Ramesh

Assistant Professor

Published an article entitled “Atomistic Modeling of Alumina Nanostructures via LAMMPS Simulations” in the *International Journal of Nanotechnology and Applications*, Vol. 19(1), pp. 11–17, 2025.

Dr. R. Divya

Assistant Professor

1. Published a paper entitled “Growth and Studies of LLYSMD Crystals by Experimental, Computational Ways Correlated with Varied Microcrystals for Utilities in Sensor, Tribological, Projected LED and Projected Screen Display Devices” in the *Advanced Journal of Chemistry*, Vol. 9(4), pp. 731–738, 2025.

2. Published a paper entitled “Synthesis, Computational Structural Data, and Experimental Studies of Novel ABPBCC Material for Sensor, Tribological and Anti-Diabetics Applications” in the *Advanced Journal of Chemistry*, Vol. 9(5), pp. 845–860, 2025.

3. Presented a paper, on “Influence of Rare Earth Doping on the Structural Morphological and Optical Behaviour of CuONps” in a conference organized by Government Arts and Science College, Veppanthattai on 25.07.2025.

4. Presented a paper on “Growth and Characterization of CHAHA Microcrystals for Electronic Optoelectronic and Biosensing Applications” in a conference organized by Government Arts and Science College, Veppanthattai on 25.07.2025.

5. Attended a FDP on “Spectroscopic Techniques for Pharmaceutical and Biopharmaceutical Industries” Organized by NPTEL on Jul-Oct 2025 (12 weeks programme).

6. Attended a FDP on “Artificial Intelligence in Physics Transforming Education and Research for the future” organized by Nehru Institute of Technology, Coimbatore from 11.08.2025-15.08.2025.

7. Attended a FDP “Recent Trends and Innovations in Material Science”, organized by KPR Institute of Technology, Coimbatore from 25.08.2025 - 29.08.2025.

8. Served as an Organizing Secretary for the Prof. Parameswaran Pillai Endowment Lecture on 29.8-2025

9. Organized the State level NSS Disaster Management Workshop from 28.8.2025 to 30.08.2025

10. Received the state level Excellence in Physics Award- 2025 for contribution in Research by Magic book of records.

11. Organized the PCOS Awareness Programme for NSS students on 09-10-2025

12. Organized Poster Painting competition in connection with Swachhata Hi Seva Campaign by Southern Railway, Kottar on 27.09-2025.

13. Organized Free Dental Camp for NSS students on 30-6-2025 to 02-07-2025.

Dr. R. Krishna Sharma

Assistant Professor

1. Published a paper entitled “Applications of Machine Learning in Advanced Pollutant Detection” in the *Journal of Indian Association for Environmental Management*, Vol. 45(1), pp. 09–16, 2025.

2. Published a paper entitled “Atomistic Modeling of Alumina Nanostructures via LAMMPS Simulations” in the *International Journal of Nanotechnology and Applications*, Vol. 19(1), pp. 11–17, 2025.

3. Published a paper entitled “Satellite Based Assessment of Air Pollution in Southern Tamil Nadu – A Comparative Study” in *Pollution*, Vol. 12(1), pp. 313–326, 2025.

4. Presented a paper entitled “Modeling High Ozone Events in a High Traffic Area of Nagercoil with Binary Regression Techniques” in the National Conference on Emerging Trends in Material Science and Technology held at PSN College of Engineering and Technology, Tirunelveli on 16.08.2025.

5. Presented a paper entitled “Dynamics of MD Driven Exploration of Thermo Structural Traits” in the National Conference on Emerging Trends in Material Science and Technology held at PSN College of Engineering and Technology, Tirunelveli on 16.08.2025.

6. Presented a paper entitled “Spatio-Temporal Analysis of Air Pollutants in Kanyakumari using Sentinel 5P and Google Earth Engine” in KAAS-2025 held at Sree Ayyappa College for Women, Nagercoil on 26.10.2025.

7. Presented a paper entitled “Modeling of Alumina Nanostructures via LAMMPS” in KAAS-2025 held at Sree Ayyappa College for Women, Nagercoil on 26.09.2025.

Dr. R. Sivakami

Assistant Professor

1. Attended a FDP on “Artificial Intelligence in Physics Transforming Education and Research for the future” organized by Nehru Institute of Technology Coimbatore on 11.08.2025.

2. Attended Faculty Induction Programme, Batch XX, from 22-10-2025 to 18-11-2025, organized by UGC- MMTC- University of Madras.

3. Attended Nan Mudhalvan FDP on “Foundation of Digital Marketing” from 05-01-2026 to 10-01-2026.

4. Acted as Question paper setter for 6 PG subjects for November 2025 examination, M. S. University, Tirunelveli.

5. Attended Workshop: CANVA: Foundation to Mastery – Online.

Dr. J. M. Kavitha

Assistant Professor

1. Presented a paper entitled “ Synthesis and Characterization of Manganese doped Strontium Oxide Nanoparticles” in the International Conference on Advanced Materials and Computational Physics, organized by the Department of Plasma Physics, Institute of Science and Humanities, Chennai on 08.08.2025.

2. Participated in Five day online FDP on Artificial Intelligence in Physics: Transforming Education and Research for the Future organized by the Department of Science and Humanities, Nehru Institute of Technology, Coimbatore from 11.08.2025 to 16.08.2025.

3. Participated in Five-day International online FDP on “Sustainable Materials and Advanced Research Technologies” organized by the Department of Physics, Scott Christian College, Nagercoil from 18.09.2025 to 23.09.2025.

4. Served as an External Examiner for Physics Major Practical and Project Viva voce Examinations from 15-10-2025 to 17-10-2025 at Holy Cross College, Nagercoil.

5. Attended Naan Mudhalvan FDP on “Employability Skills” from 15-12-2025 to 20-12-2025 at Manonmaniam Sundaranar University, Tirunelveli.

Academic Excellence

The department takes immense pride in its outstanding academic accomplishments. In the 2025 Under Graduate University Examinations, *P. Remuka Devi* secured the University First Rank and Gold Medal, bringing great honour to the institution. The Chairman-Secretary and the Principal extended their heartfelt congratulations for this remarkable achievement, which reflects the department's dedication to quality teaching and disciplined academic mentorship.

Seminars and Academic Enrichment

To broaden academic horizons and connect theoretical learning with contemporary issues, the department organized two significant seminars:

- * A one-day seminar on “*Feeding the Future: Smart Fertilizer Strategies for Safe and Enhanced Food Production*” on 21.08.2025. The seminar addressed sustainable agricultural practices and innovative fertilizer technologies aimed at ensuring food security.
- * A seminar titled “*Unlocking Career Opportunities in India's Strategic Minerals Sector: An IREL Perspective*” conducted on 30.01.2026. This session provided valuable insights into emerging opportunities in India's strategic minerals industry, guiding students toward new and promising career pathways.

Placement Achievements

The Department of Chemistry has also recorded commendable placement outcomes :

- * Brindha S., M.Sc., has been selected as a Scientific Assistant at Nuclear Power Corporation Of India – Kalpakkam.

- * Nishanth N. has been appointed in the CISF (Group D Grade).
- * S. S. Ashika has been selected for Grade II Police.
- * Our II M.Sc. students Ms. Abisini, Ms. Sheeba, and Ms. Jeba Olive have been appointed as P.G. Assistant Teachers at S.R.V. School, Trichy, through the campus interview conducted at our institution.

Dr. P. Muthukrishnan

Associate Professor and Head

1. Appointed as a Postgraduate Chemistry Board of Studies Member at Manonmaniam Sundaranar University. In this capacity, including question paper scrutiny, syllabus framing, and offering structured academic recommendations aimed at enhancing the Postgraduate Chemistry curriculum.
2. Also been appointed as a Question Paper Setter for the Tamil Nadu Public Service Commission (TNPSC), Chennai, in the subject of Chemistry.
3. Currently serving as the Coordinator of the Learner's Support Centre for Indira Gandhi National Open University (IGNOU), oversee student admissions and ensure the smooth conduct of Term-End Examinations on campus, thereby facilitating access to higher education for diverse learners.
4. Served as a Subject Expert in the Screening-cum-Evaluation committee held at Scott Christian College, for two Assistant Professors on 27-11-2025.
5. Served as the Convener for the Career Advancement Scheme (CAS) committee held on 11-02-2026 at S.T. Hindu College, Nagercoil.

Convened two National Level Seminars on :

1. Feeding The Future (Smart Fertiliser Strategies for Safe and Enhanced Food Production) on 21.08.2025.

2. Unlocking Career Opportunities In India's Strategic Minerals Sector: An IREL Perspective on 30.01.2026.

Dr. H. Mary Helan

Associate Professor

1. Convened the Ph.D Viva voce of Research Scholar J. Rathidevi (Reg. No: 12197) on 22.05.2025.

2. Served as a Research Advisory Committee member for the Ph.D. scholars Madhunitha P. (Reg.No: 2511221232001), at Women's Christian College, Nagercoil on 04.09.2025.

3. Mary Rasmi K. (Reg. No: 21113152032010) has submitted the thesis on 15.07.2025.

4. Participated in the one day Seminar on: Unlocking Career Opportunities in India's Strategic Mineral Sector: An IREL perspective”, organized by the Department of Chemistry, S. T. Hindu College, Nagercoil on 30.1.2026.

5. Participated in the one day Seminar on: Feeding The Future (Smart Fertilizer Strategies for Safe and Enhanced Food Production) on 21. 08.2025, organized by the Department of Chemistry, S.T. Hindu College, Nagercoil.

Dr. S. Suda Kumari

Associate Professor

1. Served as a Research Advisory Committee member for the Ph.D. scholars F. Divaniya (Reg.No:2512304142001) and D. Febilin Bershia (Reg.No: 23112102032005) at Holy Cross College, Nagercoil on 23.10.2025 & 18.09.2025.

2. Participated in the one day Seminar on: Unlocking Career Opportunities in India's Strategic Mineral Sector: An IREL perspective”, organized by the Department of Chemistry, S. T. Hindu College, Nagercoil on 30.1.2026.

3. Participated in the one day Seminar on: Feeding The Future (Smart Fertilizer Strategies for Safe and Enhanced Food Production) on 21. 08.2025, organized by the Department of Chemistry, S. T. Hindu College, Nagercoil.

Dr. N. Ponmurugaraj

Associate Professor

1. Attended one day workshop on computational softwares in Chemistry on 19-09-2025@ P.G. and Research Department of chemistry, V.O. Chidambaram College, Tuticorin.

2. Participated in the one day Seminar on: Unlocking Career Opportunities in India's Strategic Mineral Sector: An IREL perspective”, organized by the Department of Chemistry, S. T. Hindu College, Nagercoil on 30.1.2026.

3. Participated in the one day Seminar on: Feeding The Future (Smart Fertilizer Strategies for Safe and Enhanced Food Production) on 21. 08.2025, organized by the Department of Chemistry, S.T. Hindu College, Nagercoil.

4. Published a paper entitled “Biodegradation and Phytotoxicity Evaluation of Textile Azo Dye Effluent Using Alkaline Protease Enzyme from Halophilic Bacterium *Halobacillus trueperi* RRJSI” in the Journal of the Indian Chemical Society. 102(11).SCI. (2025).

Dr. S. Betsy Bai

Associate Professor

1. Presented a research paper entitled “Studies on the quality of salt throughout solar salt production in Tuticorin District, Tamil Nadu, India “in the National Conference on *Advanced Materials for Nano Technology* (NCAMNT-2025) organized by the PG and Research Department of Physics on 19-09-2025 at Muslim arts college, Thiruvithancode, Kanyakumari district.

2. Presented a research paper on “Studies on Chemical parameters of brine from the solar Salt-pans of Tuticorin District, Tamil Nadu” in the National Conference on *Advanced Materials for Nano Technology* (NCAMNT-2025) organized by the Department of Physics on 19.09.2025 at Muslim Arts College, Thiruvithancode.

3. Presented a research paper on “Study on the quality of salt obtained from selected salt-pans of Tuticorin District” at the International conference on *Emerging trends in Nano Technology for Energy and Therapeutic applications* (ETNETA-2026) conducted by Holy Cross College, Nagercoil on 22-01-2026.

4. Attended the Board of studies meeting for UG and PG Chemistry on 19-3-2025 at Holy Cross College, Nagercoil.

5. Served as a Judge for VOV-2025 conducted by Mount Litera School, Neyyoor for *Puthiya Thalaimurai Television* channel on 08-08-2025.

6. Participated in the One-day Seminar on *Unlocking Career Opportunities in India's Strategic Mineral Sector: An IREL perspective*, organized by the

Department of Chemistry, S. T. Hindu College, Nagercoil on 30.1.2026.

7. Participated in the One-day Seminar on *Feeding the Future (Smart Fertilizer Strategies for Safe and Enhanced Food Production)* on 21.08.2025.

Dr. G. V. Shylasree

Associate Professor

1. Served as a Resource person for the *VEETUKKORU VINGAANE* competition on 08.08.2025 at Mount Litera Zee School, Mylode.

2. Published a paper entitled "Adsorption Isotherm and Kinetic Study on the Removal of Cresol Red Dye Using Indigenously Prepared Activated Carbon from *Artocarpus hirsutus* and *Annona muricata* Fruit Peel" in the *Indian Journal of Science and Technology*. 18(15): 1229 - 1238. (2025).

3. Participated in the One-day Seminar on *Unlocking Career Opportunities in India's Strategic Mineral Sector: An IREL perspective*, organized by the Department of Chemistry, S. T. Hindu College, Nagercoil on 30.1.2026.

4. Participated in the One-day Seminar on *Feeding the Future (Smart Fertilizer Strategies for Safe and Enhanced Food Production)* on 21.08.2025.

Dr. V. Stalin Elanchezhian

Assistant Professor

1. Successfully completed the 1st Online Hands-on Training on Density Functional Theory of Advanced Materials (Using Quantum Espresso Package) organized by the Centre for Advanced Computational Research, New Delhi, India. The FDP was conducted from 09.06.2025 to 18.06.2025 via online mode.

2. Successfully completed the UGC Sponsored Online Refresher Course in Chemistry organized by the Malaviya Mission Teacher Training Centre (UGC-MM TTC), Pondicherry University, under the University Grants Commission (UGC), from 01.08.2025 to 14.08.2025 and obtained Grade "A".

3. Served as a Resource Person for the Endowment Lecture on Decoding Drug Molecules: From Chemical Structure to Therapeutic Effect organized by the PG and Research Department of Chemistry, Holy Cross College (Autonomous), Nagercoil on 24-10-2025.

4. Participated in the One-day Seminar on *Unlocking Career Opportunities in India's Strategic*

Mineral Sector: An IREL perspective, organized by the Department of Chemistry, S. T. Hindu College, Nagercoil on 30.1.2026.

5. Participated in the One-day Seminar on *Feeding the Future (Smart Fertilizer Strategies for Safe and Enhanced Food Production)* on 21.08.2025.

Dr. K. Shanmugha Prasad

Assistant Professor

1. Served as an Evaluator Panel Member for the programme Dr. K. Padmanabhan Centenary Celebration - Expo 2025: Showcasing Progress, Pride, and the Future held on 08.08.2025, organized by Pioneer Kumaraswamy College, Nagercoil - 629 003, Kanyakumari District.

2. Served as an Organizing Secretary for the seminar *Unlocking Career Opportunities in India's Strategic Minerals Sector: An IREL Perspective*, organised by the Department of Chemistry, S.T. Hindu College, Nagercoil on 30.01.2026.

3. Nominated as Member (Alumnus), Internal Quality Assurance Cell (IQAC), Pioneer Kumaraswamy College, Nagercoil on 20.02.2026 and contributed valuable suggestions & innovative ideas for the continuous quality enhancement of the institution.

Department Activities

1. The Department of Zoology organized a state level seminar on “Refuse to Resource: Nature's Blueprint for a Waste - Free World” on 22.09.2025. Dr. C. Ravi, Associate Professor, Department of Zoology, Thiagarajar College, Madurai and Dr. G. Immanuel, Associate Professor, Centre for Marine Science and Technology served as the Resource person and talked about Wealth from Chicken waste and Wealth from Trash Fish and open futuristic perspectives in the field of Environmental Sustainability.

2. The Department of Zoology organized a career counselling program on “Career Opportunities in Medical coding & Healthcare BPO” on 20.01.2026. Ms. Shameeha, Transorze solutions and talked about stable, well-paying, and growing career opportunities about medical coding and healthcare, especially for life science and healthcare graduates.

3. Our student S. Nazreen from M.Sc Zoology (2023-2025) has secured a Gold Medal in M.S University level.

4. Our student S. Rosari Jenifer from M.Sc Zoology (2024-2026) has been selected for the post of HR Executive at B Dream Global Solutions Private Limited, Chennai.

5. Our students S. Jevan Saran Sundar and K. Abinaya (II B.Sc Zoology) got I prize in science exhibition. S. Jevan Saran Sundar and K. Abinaya (II B.Sc Zoology) got I prize in Idea competition and K. Tharsiya (II B.Sc Zoology) got I prize in photography in the district level competition on Biodiversity conservation from science to action held on 8th October 2025 at Scott Christian College collaborated with Tamil Nadu State Council for Science and Technology, Chennai.

6. Our student Salaithunathan, I M.Sc Zoology, தமிழ்நாடு ஆதி திராவிடர் மற்றும் பழங்குடியினர் நலத்துறை சார்பில் சமூகநீதி கல்லூரி விடுதி அளவில் நடைபெற்ற நல்லோசைகளமாடு 2025 ல் Badminton Doubles கலந்துகொண்டு முதல் பரிசு பெற்றார்.

7. Our students K. S. Jenisha, K. P. Kiruba Sri, S. Suganthi, V. Vinothini (III B.Sc Zoology) has been selected for the post of Customer care Executive, Alldigi Tec company by District collectors special job fair for graduates, Kanyakumari District, Naan Mudhalvan and Startup TN.

8. Our students A. Shree Sworna (II B.Sc Zoology) and S. Siva Dharshini (II M.Sc Zoology) won the II prize in the Quiz contest on January 19, 2026 at Scott Christian College, Nagercoil.

9. Our student M. Santhiya (II M.Sc Zoology) participated in a state level intercollegiate competition and secured first place in Dumb Charades at St. Mary's College, Thoothukudi on 30th January 2026.

10. Our student K. Tharsiya (II B.Sc Zoology) குறளாகம் திருக்குறள் வாழ்வியலாக்க பயிற்சி மையம் சார்பில் நடைபெற்ற கவிதைப்போட்டியில் முதல் பரிசு பெற்றார்.

11. Our student S. Jevan Saran Sundar (II B.Sc Zoology) participated in Talento 2026 and won II prize in As You Like competition at PET Engineering College, Nagercoil held on 17th February, 2026.

12. Our students S. Siva Dharshini, M. Santhiya, M. A. Sajitha and S. Viji (II M.Sc Zoology) participated in the Intra collegiate Event on the National Science Day 2026 and won I prize in Science Quiz on 28th February 2026 at S. T. Hindu College, Nagercoil.

தனிமை

ஏன் என்று தெரியாது
எனக்கும் தனிமைக்கும் ஒரு உறவு
எல்லோருக்கும் அந்த தனிமை கிடைப்பது இல்லை
எதற்கு என்று தெரியாது
ஏன் என்று புரியாது
ஏன் இந்த தனிமை என்னிடம்
இருக்கின்றது என்பதற்கான விடை
என்னிடம் இல்லை
இருந்தாலும் உன்னை எனக்கு
மிகவும் பிடிக்கும்
எத்தனையோ உறவுகள் என்னை சுற்றி இருந்தும் ஏனோ நான்
தனிமையை உணர்கிறேன்
தனிமை கொடுமையானது
என்று கூறும் இடத்தில்
தனிமை இனிமையானது என்று சிலருக்கு
மட்டுமே புரிந்த உண்மை
அதனால் தான் என்னவோ இந்த
தனிமைக்கு என்னை மிகவும் பிடித்து இருக்கின்றது
அந்த உணர்வை புரிந்தவர்களுக்கு
மட்டுமே அது என்றும் இனிமையானது
என்றும் என் இனிய தனிமைமே.

The Cost of Wasting Time

In a small village, dreams were very limited, not because the children lacked ability, but girls stopped early, and boys finished school and started working. Going outside the village for college was never considered. Then came one boy who believed he could change that. He wanted to study in a college far away, and the entire village watched him with hope. They believed that if he succeeded, other children would dream too. With pride, prayers, and trust, they sent him away. At college, freedom felt new. Slowly, books were replaced by fun, and discipline was replaced by delay. He kept telling himself he would study tomorrow, not realizing that tomorrow was silently slipping away. When his family came to know the truth, everything ended. He was brought back home and could not continue his studies. The village did not scold him instead, they felt disappointed, because they knew that if he had stayed focused, he could have become a reason for change. Many children from that village might have studied outside, and an entire society could have moved forward. But one wasted chance stopped many dreams. Only then did he understand the truth when we waste our time, we do not lose only our future we delay the future of others too. Life does not wait for tomorrow decisions must be taken today, because the life we postpone now may never return. "When you waste your time today, you don't just lose your future you delay the future of everyone who believed in you:".

i. Marie Curie died in 1934, but her tomb is still radioactive.....

Marie Curie, one of the greatest scientists in history, died in 1934, yet her legacy quite remains forever. She pioneered the field of radioactivity—a term she herself coined—discovered the elements polonium and radium, and laid the foundation for radiation-based cancer therapy, becoming the only person ever to win Nobel Prizes in two different sciences: physics in 1903 and chemistry in 1911. However, her groundbreaking work came at a severe personal cost. At a time when the dangers of radiation were not fully understood, she frequently handled highly radioactive materials with her bare hands, even carrying vials of radium in her pockets and keeping glowing samples on her desk. This prolonged exposure ultimately led to her death at the age of 66 from aplastic anemia, caused by extensive radiation damage to her bone marrow. Remarkably, even more than ninety years later, her personal belongings—including her laboratory notebooks, clothing, furniture, and even her cookbook—remain dangerously radioactive and are stored in lead-lined boxes at France's Bibliothèque Nationale, accessible only under strict safety precautions. When she and her husband Pierre were reinterred in the Panthéon in 1995, their coffins were encased in thick lead to contain the lingering radiation. Curie did not just transform science; she revolutionized our understanding of the atom, paved the way for modern oncology and nuclear energy, and left behind a legacy that continues to glow, both figuratively and literally, long after her death.

ii. The Mind Behind the “Boson” - Remembering a Scientific Legend

A distinguished student of Presidency College, Kolkata, and later a professor at the University of Calcutta, Satyendra Nath Bose did not merely study physics—he reshaped its very foundations. His groundbreaking work in quantum mechanics led to what the world now knows as Bose-Einstein statistics, and later to the discovery of the Bose–Einstein Condensate, an entirely new state of matter. These ideas proved so fundamental that an entire class of particles was named after him—the bosons—a rare and lasting honor in the history of science. There is a remarkable story behind his rise to global recognition. When Bose struggled to get his research paper accepted by European journals, he took a bold step and sent it directly to Albert Einstein. Einstein immediately recognized its significance, translated the paper into German himself, and ensured its publication. That single act changed the course of modern physics. From the classrooms of Kolkata to the very heart of quantum theory, Bose's legacy continues to inspire generations of scientists around the world. A true intellectual giant of Bengal—and of the world.

iii. How a History Graduate created wonders in Quantum Physics.....

Prince Louis-Victor de Broglie applied himself first to literary studies and took his degree in history in 1910. Then, as his liking for science prevailed, he studied for a science degree, which he gained in 1913. He was then conscripted for military service and posted to the wireless section of the army, where he remained for the whole of the war of 1914–1918. During this period he was stationed at the Eiffel Tower, where he devoted his spare time to the study of technical problems. At the end of the war Louis de Broglie resumed his studies of general physics. While taking an interest in the experimental work carried out by his elder brother, Maurice, and co-workers, he specialized in theoretical physics and, in particular, in the study of problems involving quanta. In 1924 at the Faculty of Sciences at Paris University he delivered a thesis *Recherchessur la Théorie des Quanta* (Researches on the quantum theory), which gained him his doctor's degree. From History to Army to theoretical physics to Nobel prize

iv. Ten Facts You Probably Didn't Know About Sir Isaac Newton

- * Isaac Newton was named after his father, who died before he was born.
- * He disliked his stepfather and never had a good relationship with his mother.
- * Newton was shy and often bullied at school but once fought back.
- * He developed calculus and ideas on gravity at the age of 16
- * He served as a Member of Parliament but rarely spoke.
- * He valued learning through observation, even experimenting on himself.
- * He was deeply interested in alchemy and wrote extensively about it.
- * Newton was not an engaging teacher, and his lectures were often empty.
- * He never married and devoted his life to science.
- * His work on gravity was published only because Edmund Halley encouraged him.

V. From Om to Quantum fields.....

Vedic wisdom and modern physics, though very different in method, share intriguing parallels in their understanding of reality. The Vedas express the idea that “Sarvam Khalvidam Brahma” (all this is one), describing a single underlying reality called Brahman, while physics shows that matter and energy are fundamentally the same. The concept of cosmic vibration appears in “Om,” symbolizing the origin of creation, which connects with physics where particles behave like waves. Vedic thought also highlights consciousness (Atman) as central to experience, while quantum mechanics shows that observation can influence outcomes. The cyclic nature of the universe is described as creation, preservation, and dissolution, similar to some cosmological models of an oscillating universe. However, these similarities are philosophical rather than exact—physics is based on experiments and mathematics, whereas Vedic knowledge comes from inner realization and meditation. As the idea “Yatha Pinde Tatha Brahmande” suggests (as is the microcosm, so is the macrocosm), both traditions, in their own ways, attempt to understand the deeper truth of existence.

VI. When mistakes changed Science.....

Many of the most important discoveries in physics were not planned but happened by accident, driven by curiosity and careful observation. In 1895, Wilhelm Röntgen discovered X-rays when he noticed a mysterious glow during cathode ray experiments, leading to a revolution in medical imaging. Similarly, Henri Becquerel accidentally discovered radioactivity when uranium salts exposed photographic plates in the dark, a finding later expanded by Marie Curie. In another unexpected moment, Arno Penzias and Robert Wilson detected persistent noise in an antenna, which turned out to be cosmic microwave background radiation—evidence of the Big Bang. Even everyday technology owes its origin to accidents, such as the microwave oven, invented when Percy Spencer noticed a chocolate bar melting near radar equipment. Likewise, Hans Christian Ørsted discovered the link between electricity and magnetism when a compass needle moved unexpectedly near a current-carrying wire. Infrared radiation was accidentally discovered by William Herschel in 1800 while measuring temperatures across the visible spectrum using a prism. These examples show that in physics, breakthroughs often come not from mistakes alone, but from the ability to recognize their significance and explore them further.

Where Is the Younger Generation Going on?

Dr. B. Sheeba Kumari

Assistant Professor of History

**“Almost everything that is great has been done by youth”
– Benjamin Disraeli.**

The younger generation plays a decisive role in shaping the future of any nation. In India, where nearly two-thirds of the population is below the age of 35, the youth represent both enormous potential and growing concern. Globalization, digital technology, and rapid social change have widened opportunities for young people, while also creating new pressures and uncertainties.

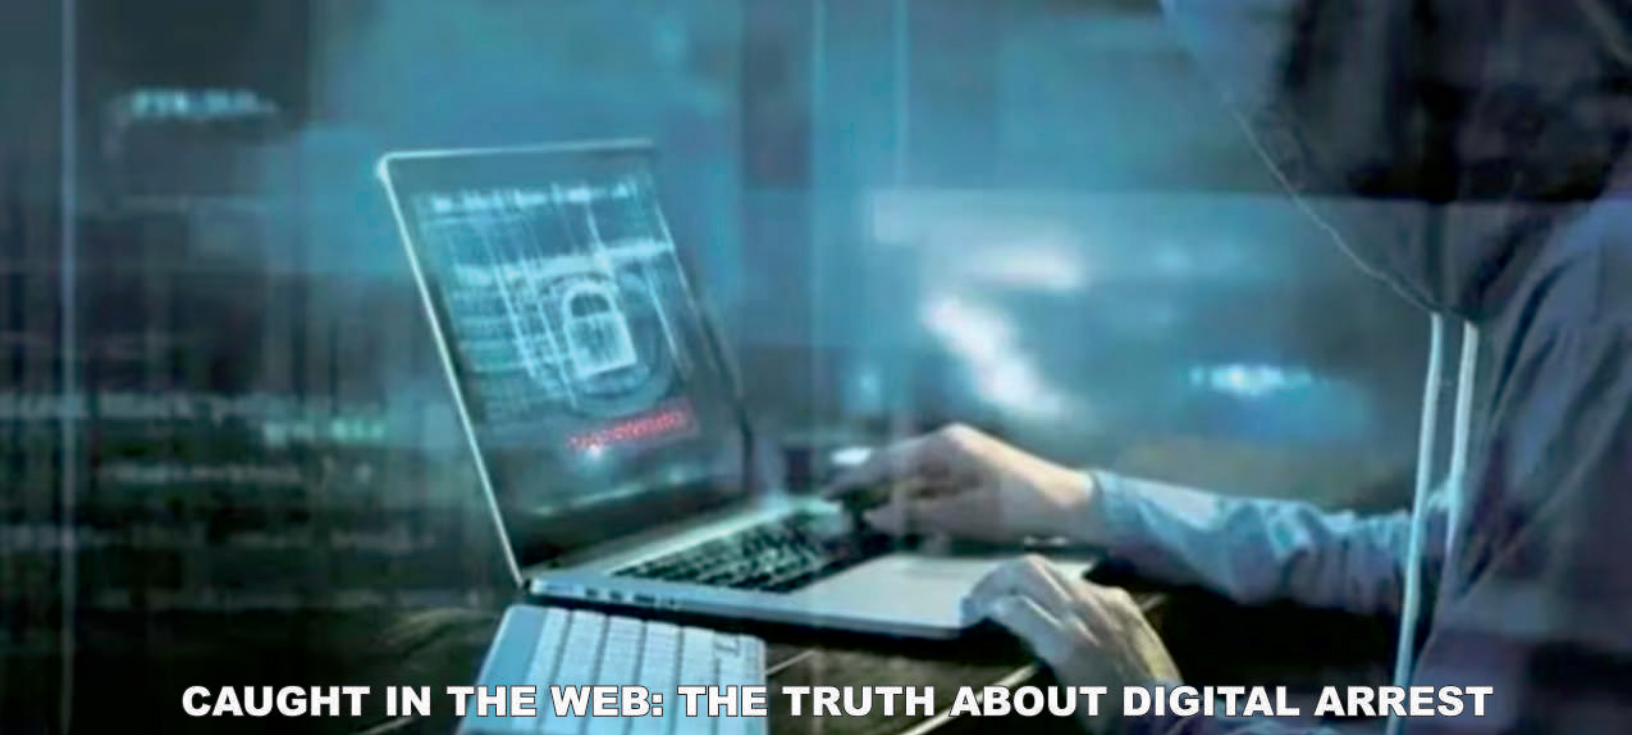

Today's Indian youth are more connected, informed, and ambitious than ever before. Access to digital platforms, global education, and employment opportunities has expanded their aspirations beyond national boundaries. Many young people dream of innovation, entrepreneurship, and meaningful participation in the global economy. At the same time, this exposure has brought challenges such as identity confusion, excessive dependence on technology, declining face-to-face interaction, and increased stress. The constant pressure to succeed, combined with social comparison and material expectations, and has affected the mental and emotional well-being of many young individuals.

Unemployment and underemployment remain serious concerns. Despite educational qualifications, many youths struggle to find suitable jobs due to a mismatch between academic training and market demands. Mental health issues, academic stress, and parental expectations further burden young minds. In addition, the influence of consumerism and instant gratification has weakened ethical values, while social inequalities related to caste; class, gender, and region continue to limit equal opportunities for many sections of youth.

In this challenging environment, teachers play a crucial role in guiding the younger generation. Beyond academic instruction, teachers act as mentors and role models, fostering critical thinking, creativity, and emotional resilience. They help students balance global exposure with cultural values, promote ethical use of technology, and create supportive learning environments that address mental well-being. By nurturing global competence alongside social responsibility, teachers prepare youth to face the demands of a globalized world.

The path the younger generation chooses will shape India's destiny. While globalization offers vast opportunities, it also demands guidance, value-based education, and strong mentorship. As Prime Minister Narendra Modi emphasizes, the youth carry the responsibility of strengthening the nation's economy, security, infrastructure, and social development during the Amrit Kaal.

With proper direction and inspiration from teachers, Indian youth can move forward with confidence, dignity, and a sense of purpose, contributing meaningfully to both national progress and global society. Overall I would like the quote of Swami Vivekananda professed that in the 21st Century Mother India will emerge as 'Vishwa-Guru' and youth will show the path of peace and harmony to the Whole world.

CAUGHT IN THE WEB: THE TRUTH ABOUT DIGITAL ARREST

C. VARSHINI , S. NITHYASREE , PRIYA MUNDA
I BA SOCIOLOGY

With the rapid expansion of digital technology, cybercrime has become more advanced and deceptive. Among the latest tactics used by fraudsters is the so-called "Cyber arrest" or "digital arrest" Scam . Digital arrest is type of Cyber fraud in which scammers often impersonate officials from agencies like the Central Bureau of Investigation or other law enforcement bodies to create fear and urgency. Victims are typically Contacted through Phone calls, video calls, or online messages and are pressured to Comply with the fraudsters demands. In today's world digital platform become an essential part, it is important to understand these scars, and stay vigilant.

"Technology is a useful servant but a dangerous master". This quote reminds us how important it is to use Technology wisely. Therefore, it is essential to raise awareness about such emerging cyber threats at an early stage. Understanding how scams like digital arrest operate can help individuals recognize warning signs and avoid falling into such traps. As digital platforms continue to grow in importance, people must remain cautious, informed, and responsible while using technology. By promoting basic digital literacy and encouraging safe online practices, society can better protect itself from these deceptive schemes and reduce the impact of cybercrime.

A few cases

Nagpur -823 lakh fraud reported April 2026. A 78-year-old man was cheated of Rupees 23 Lakh. Scammers pored as officials and accused him of terrorism links via Sim Card and bank account. They issued fake arrest warrants and government documents. The victim was kept under "digital arrest" for months and forced to transfer money.

A chennai based retired professional received a video call from fraudsters posing as CBI officials. They claimed his Aadhaar was linked to a money laundering case. the was told he was under "digital arrest" and must not Contact anyone under pressure, he transferred Lakhs of Rupees to multiple accounts.

A Senior citizen in Coimbatore was targeted by fraudsters they conducted a fake video interrogation, and showed forged documents and ID cards, victim lost around Rupees 50 Lakh.

Kanyakumari district cyber police received complaints from local residents who were cheated through a "digital arrest" Scam. Victims were threatened by fraudsters who pretended to be police officials, claimed there were warrants against them, Due to fear, victims transferred large amounts of money one person lost about rupees 70 Lakh and another Rupees 26.5 lakh.

Karnataka (March 2025 tragedy care) an elderly Couple Cost & 50 lakh in a digital arrest scam. Extreme psychological pressure led to suicide.

A non-resident Indian (NRI) Couple in Delhi was held under continuous digital intimidation for over two weeks, Coerced into transferring around Rupees 14-15 crore to Scammers posing as officials (police and judiciary). This case gained attention due to the large amount and detailed threat tactics.

Pune: An 80-year old retired personnel officer of a prominent automobice Compomy Cost Rupees 1 crore to

cybercrooks after they digitally arrested him and falsely claimed that he was involved in a money Laundering case to instil fear in his mind.

Impact on Victims

The Digital arrest scam can have serious ill effects on victims, impacting them financially, emotionally, and socially. Many people large amounts of money after being threatened into making urgent payments, leading to financial instability or dept. Victims may also suffer from embarrassment and loss of Confidence, making them hesitant. To report the Crime or seek help. In some Cases, personal information shared during the scam can be misused for identity theft or further frauds, increasing long-term risks. ...In extreme cases, the intense fear, pressure, and humiliation caused by such scams can severely affect a victim's mental health. Some individuals may experience anxiety, depression, or feelings of hopelessness after losing money or being threatened with legal consequences. Tragically, there have been instances where victims, overwhelmed by stress and shame, have contemplated or even attempted suicide. This highlights the urgent need for emotional support, awareness, and timely intervention. Victims should be encouraged to seek help from family, friends, or professional counselors, and to report such incidents to authorities like the National Cyber Crime Reporting Portal, ensuring they understand that they are not alone and that help is available.

Number of digital arrest cases

In 2022, authorities recorded 39,925 cases, involving losses of Rupees 91 crore. In 2023, the number rose to 60,676 cases—a 52 percent increase. Financial losses during the year climbed 272 percent to Rupees 339 crore.

- * In India 1.23 lakh cases ,defrauding victims of over rupees 1,935 crore.
- * Between January and August 2025, Tamil Nadu recorded 4,439 digital arrest Scam cases reported in NCRP Portal.

How to stay safe

Beware, it's a scam. If you get a video call from someone claiming to be police or law enforcement, and they accuse you of transporting drugs or money laundering, do not worry. they are scammers trying to scare you. Even when they demand money or bank details, stay calm and do not panic.

Remember:

- There is no “digital Arrest” in India. It's 100% fake
- Disconnect the call immediately
- Never share any personal or bank details, OTP, PIN or passwords.

Suggestion to control digital arrest :

- * informed about your legal rights and how digital arrest systems work.
- * Use strong passwords and enable two-factor authentication to protect personal data.
- * Avoid sharing sensitive information (Aadhaar, bank details, OTPs) with unknown sources.
- * Be cautious of fake calls, emails, or messages pretending to be law enforcement officials.
- * Regularly update devices and software to prevent security vulnerabilities.
- * Verify the authenticity of any legal notice or digital communication before responding.
- * Creating awareness program in schools, and colleges.
- * Conducting seminar, Workshop in colleges.
- * Advertising about the Digital arrest scams to create awareness.
- * Conducting Special awareness program for senior citizens.

Between Tradition and Transition : Classroom Reflections on Young India

Dr.B. Gokulan

Assistant Professor, Department of Sociology

In the sociology classroom, social change is often explained using concepts such as socialization, norms, and agency. These ideas become real when students connect them to their own lives. Many students realize that they are not simply following tradition or rejecting it, but actively negotiating between the two.

During classroom discussions on primary socialization, students often speak about family expectations. A student may share how attending festivals and following rituals remains important at home, yet the same student questions traditional career paths and chooses a field based on personal interest. Here, tradition continues, but with conscious choice.

In lessons on gender and patriarchy, classroom debates frequently reflect lived experience. Female students describe pursuing higher education while facing restrictions on mobility or dress. Male students reflect on the pressure to appear strong or emotionally reserved. These discussions show that gender roles are being questioned, but not fully dismantled. Change is visible, yet uneven.

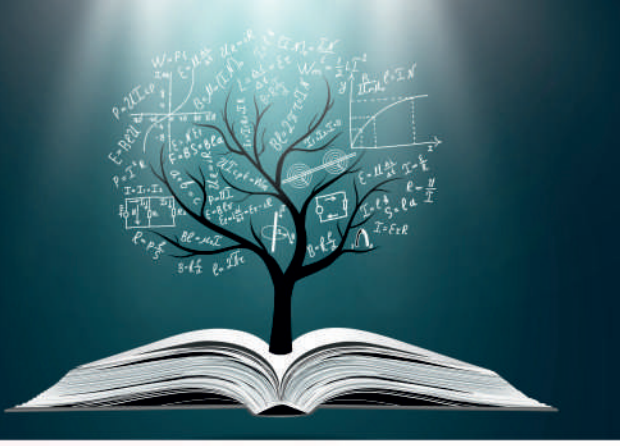

When teaching social stratification and inequality, students often connect theory to reality. First-generation learners speak about how education offers mobility, while also sharing the challenges of language, confidence, and access. These conversations highlight that aspirations may be modern, but opportunities remain unequal—echoing classroom theories.

Technology is another familiar topic. In discussions on globalization and digital society, students acknowledge how social media allows expression and awareness, but also create stress and comparison. Many admit that online life influences self-worth, illustrating how modernity brings both freedom and pressure.

Ideas of success, discussed under social mobility, are also changing. Students increasingly value meaningful work and independence, yet worry about job security and family approval. This tension reflects the negotiation between tradition and transition.

Through these classroom examples, sociology becomes lived reality. Young India, seen through student experiences, is not abandoning tradition. It is learning to engage with it thoughtfully, using education as a tool for reflection and responsible change.

“Young India is not breaking away from tradition; it is learning how to live with it reflexively.”

The Power of Continuous Learning

Dr. P. Renju

Assistant Professor of English

"Education is the passport to the future for tomorrow belongs to those who prepare for it today"- Malcolm X

Continuous learning which is often referred to as lifelong learning is more than just a professional development buzzword. It is a mindset and practice which empowers individuals and organizations to thrive in a rapidly changing world. Let us explore why it matters, how it works and the impact it can have. Expanding one's knowledge opens door to new opportunities, whether it is advancing in one's current role or pivoting to a new career path. Industries evolve quickly and skills that were relevant yesterday may be outdated tomorrow. Continuous learning ensures people stay ahead of the curve.

Some of the key elements of continuous learning are as follows:

1. A genuine desire to explore and improve is the foundation of continuous learning,
2. One has to identify one's learning needs by assessing one's gaps in one's skills and knowledge to focus on areas that matter most.
3. Online courses, podcasts, mentorship and workplace learning opportunity contribute to growth
4. Organizations that encourage learning foster resilience and adaptability among employees.

Continuous learning is not about cramming knowledge. It is about cultivating a habit of growth. Whether one is listening to a podcast during one's commute, shadowing a colleague, or taking an online course, every step builds one's adaptability and relevance in a dynamic world. Continuous learning promotes growth mindset, boosts productivity and enhances problem solving skills. It drives career advancement, adaptability and innovation by equipping people to keep pace with technology driven world.

மழையை வேண்டி வானம் பார்த்து,
மண்ணின் மைந்தன் காத்திருப்பான்

பச்சைப் பயிர்கள் சிரிக்கக்கண்டால்,
பசி தீர்ந்த இன்பம் அவன் முகத்தில் தெரியும்,
களைபிடுங்கி, நீர் பாய்ச்சி
கண்ணின் மணிபோல் அதைக் காத்திடுவான்.

புயல் அடித்தால் அவன் நெஞ்சம் பதறும்
மழைபெய்தால் அவன் வாழ்க்கை சூழலும்
கடன்தொல்லை கழுத்தை நெருக்கும்,
கண்ணீரைத் துடைத்து மீண்டும் உழைப்பான்.

அவன் சிந்திய வியர்வைத் துளிகள்
நாம் உண்ணும் சோற்றுப்பருக்கைகள்,
அவன் உழைப்பால் சூழலும் உலகச் சக்கரம்
அவனைப் போற்றுவது நம் தலையாய கடமை.

உழவன் என்பவன் வெறுமனே மனிதன் அல்ல,
உலகத்துக்கே உணவளிக்கும் உயிர்த்தெய்வம்,
அவன் கைகளைப் பற்றி நன்றி சொல்வோம்,
உணவின் நாயகனை என்றும் மதித்திடுவோம்!

விவசாயத்தைக் காப்போம்!
விவசாயிகளை மதிப்போம்!

தவிப்பு

சங்கரும் ஊர்மிளாவும் மனம் ஒத்த தம்பதிகள். சங்கர் பொறியியல் கல்லூரியில் மேலாளராக பணிபுரிந்து வந்தார். பணியிடத்தில் அவருக்கென ஒரு தனி மதிப்பும் மரியாதையும் இருந்தது. பல்வேறு அறக்கட்டளைக்கு தானதர்மம் செய்து வாழ்வதையே தனது வாழ்வின் இலட்சியமாக கொண்டு வாழ்ந்து வருபவர். ஊர்மிளாவும் இதற்கு விதிவிலக்கு அல்லள். கோயில் சம்பந்தப்பட்ட அனைத்து காரியங்களையும் முன்னின்று செய்து வருபவள். மாவட்ட ஆட்சியர் அலுவலகத்தில் நல்லதொரு பணியில் இருந்து வந்தாள். இறைவன் இவர்களுக்கு எல்லா செல்வங்களையும் கொடுத்தபோதிலும் திருமணமாகி மூன்று ஆண்டுகள் நிறைவடைந்த நிலையில் குழந்தைபேறு மட்டும் கிடைப்பதில் தாமதமாகிக் கொண்டிருந்தது.

பார்க்காத மருத்துவரில்லை. செல்லாத கோவிலும் இல்லை. தை பிறந்தால் வழி பிறக்கும் என்று கூறுவார்களே அது உண்மைதான் போலும். அந்த நம்பிக்கை ஊர்மிளாவுக்கு வீண் போகவில்லை. அன்றும் வழக்கம் போல் அலுவலகத்திற்கு சென்ற ஊர்மிளா ஓய்வில்லாது பணி செய்து கொண்டிருக்கும் போது திடீரென மயக்கமடைந்து கீழே விழுந்து விட்டாள். மருத்துவமனைக்கு கொண்டு சென்றபோது மருத்துவர்கள் கூறிய செய்தி அவளுக்கு மட்டுமல்ல, அவன் குடும்பத்தாரையும் மகிழ்ச்சியில் ஆழ்த்தியது.

அவர்கள் எதிர்பார்த்தபடியே அழகிய ஆண் குழந்தையும் பிறந்தது. குழந்தைக்கு ஆதவன் என பெயரிட்டு அன்போடு வளர்த்து வந்தனர். அவனும் சிறு குழந்தை முதலே விளையாட்டிலும் படிப்பிலும் மிகுந்த தேர்ச்சி பெற்று விளங்கினான். பள்ளி மேல்நிலைப் படிப்பிலும் நல்ல மதிப்பெண்களோடு தேர்ச்சி பெற்றான். அவனது தந்தையைப் போல பொறியியலாளர் ஆகவேண்டும் என்று நல்லதொரு பொறியியல் கல்லூரியில் சேர்ந்து படித்தான் ஆனால் அவனுக்கு கேடீளம்பைக் மீது அதிக ஆர்வம் இருந்து வந்தது. ஆதவன் தன் தந்தையிடம் கேட்டுக் கொடுத்தால் நீ படித்து முடித்து பணியில் சேரும்போது உனக்கு நான் வாங்கித் தருகிறேன் அதுவரை என்னுடைய இருசக்கர வாகனத்தை பயன்படுத்திக்கொள் என்று கூறிவிட்டார்.

அன்று கல்லூரியில் கேம்பஸ் இன்டர்வியூ நடந்து முடிவடைந்த நிலையில் அவன் எதிர்பார்த்தபடியே வெற்றி டெக்னாலஜி என்ற ஐ.டி. கம்பெனியில் 35000/- சம்பளத்தில் வேலையும் கிடைத்தது. அப்போதும் அவன் கண் முன் அவன் கனவான கேடீளம்பைக் நிழலாடியது. வேலை கிடைத்த மகிழ்ச்சியை தனது தந்தையிடம் தெரிவிக்க ஓடி வந்தான். மகனைப் பெற்ற நாளைவிட வேலை கிடைத்த இந்நாளை சங்கரும் ஊர்மிளாவும் கொண்டாடினார்கள். சங்கர் தான் எதிர்பார்த்தபடியே மகனுக்கு வேலை கிடைத்தாகிவிட்டது என மகிழ்ந்தார். ஆதவனும் இனிதான் தினமும் அந்த கனவு பைக்கில் செல்வதென முடிவு செய்து இன்றே அந்த பைக் வாங்கி வந்துவிட வேண்டும் என தன் தந்தையை துரிதப்படுத்தினான்.

மகன் விரும்பியபடியே அந்த கேடீளம்பைக் வாங்கி கொடுத்து விட்டார். மூவரும் சாப்பிடலாம் என்று ஊர்மிளா ஆதவனை அழைத்தபோது பைக்கில் அவன் ஒரு ரவுண்டு போயிட்டு வரேன்னு சொல்லிட்டு போனான். இன்னும் அவனை காணவில்லையே! நான் அவனைத் தேடிக்கொண்டிருக்கிறேன் என்று ஊர்மிளாவிடம் சங்கர் கூறிக்கொண்டிருந்த போது அவர் நண்பரிடம் இருந்து அழைப்பு வந்தது. சங்கரா பதறாதே! உன்னுடைய மனதை தீட்புடுத்திக்கொள்! உன் மகன் புத்தூரில் வளைவில் திரும்பும்போது அவனுக்கு அழைப்பு வரவே அவன் அலைபேசியில் பேசிக்கொண்டே சென்றான். அவசரமாக வந்த காரணத்தினால் தலைக்கவசமும் அணிந்திருக்கவில்லை. எதிர்பாராதவிதமாக விரைவாக அவ்வழியே வந்த அந்த வண்டி அவனை தட்டிவிட்டு சென்று விட்டது. அவன் தூக்கி வீசப்பட்டான். இதனால் தலையில் ஆழமாக அடிபட்டு உயிருக்கு போராடிய நிலையில் தனியார் மருத்துவமனையில் சேர்த்து இருக்கிறோம் என்று கூறினார். ஆதவனின் தாயும் தந்தையும் ஸ்தம்பித்து நின்று விட்டனர். ஆண்டவனே! என் மகனுக்கு இந்நிலையா? என்று ஏங்கியபடி மருத்துவமனை நோக்கி சென்றனர். அவன் அவசர சிகிச்சை பிரிவில் அனுமதிக்கப்பட்டிருப்பதை பார்த்து அளவிலா துயர் அடைந்தனர். மருத்துவரை அணுகிக்கேட்பதற்கு காத்திருந்தனர். மருத்துவர் கூறிய பதிலைக் கேட்டதுமே உலகமே கண்முன் நழுவி தவித்து.....???

Leisure Then, Screens Now : A Changing Campus Culture

Dr. S. Vahitha
Assistant Professor of English

My thoughts drift back to the beginning years of my UG days (2003-2006) when mobile phones were considered to be a source of luxury. As students you might wonder what I would have done to entertain my leisurely hours! To be honest, books remained my favourite pastime pleasure. My professors used to encourage us on reading habits, which is still vivid in my mind. I even remember our librarian encouraging the fresher students to borrow more books and to read during free hours. So obviously reading books and borrowing more number of them during a short time span became a prestigious act, especially among the literature students. So whenever our professors complete a bit of their portion, we just flee to the library! The joy of finding notes for the concerned literature knew no bounds! And when a gist of any novel or short story or narrative poetry is lectured, I make it a point to read the entire text, so that I can bounce back my answers aptly for the semester exams!

Now, you must be curious about my leisure routine back at home! Well, I'm a cranky fellow, too lazy to help my mother's kitchen chores. We had a T.V and very rarely do I watch it as the remote will be with my father most of the time. So I just read books again and again and again, no matter what! I wouldn't even skip newspapers and magazines! Well, what will I do when I'm tired of reading? Any guesses?? Yes, I just sit simply! (Sitting simply and not doing anything can reboot your brains! Give a try!) And at times I do attempt to write summaries of the stories that I have read. Sometimes I journal my thoughts, and reading it later used to be funny! I choose them to be precise and clear. Well, did I have a mobile phone then? Really no!! Sometimes I speak with the girls in our neighbourhood, go out for a walking with them and yes, NO SCREEN TIME at all. Just imagine, how blessed our generation must be! Not to be bound and controlled by gadgets. Thank God!

Well, how did my reading and writing skills had helped me in my life? You know what? I was able to read in English with proper pronunciation, I would write in English with clarity, I conversed in English without any hesitation and I comprehended easily when anyone talked in English. Finally, I am now into a much sought after profession! Who wouldn't love to become a Professor?! And that too in a prestigious college

like ours! Well, are you probing about why I share all these to you? It is indeed high time to make a discussion on mobile phone addiction among college students (and school students too). My heart aches seeing the Gen Z students occupied busily over their phones. Endless scrolling over social media, taking quick strolls over gaming networks, getting shifted to the virtual reality, forgetting responsibilities, getting instant dopamine effects from short reels, stalking various Instagram and gaming accounts and finally ending up towards a pathetic state of not even being aware of your syllabus!! I have never in my life imagined that I would become a part in raising a bunch of students whose primary concern is to scroll their mobile phones endlessly. No, I am not exaggerating. I am not blaming the whole of student community, but on the other hand, a part of the student population has become aggressive mobile phone addicts. I am conveying the damn truth and just want to let you know that unscaled screen time can mar your physical, mental and cognitive health, including reduced attention span, cognitive delays, obesity, anxiety, depression, poor sleep and digital eye strain (as Google affirms). Research says that constant use of mobile screen addiction will affect your memory and reasoning capabilities. Mobile phone addiction can force you refrain from socializing, reduced empathy and finally your soul being completely surrendered to the gadget and the cyber space that you own. Repetitive scrolling can definitely mutilate the neural connections of your brain. Be focused on the quality of content that you watch on your mobile and monitor your screen time not to exceed two hours in a day.

So, what you have to do now is a digital detox! Well, digital detox is a deliberate and fleeting disruption from using smartphones, computers and social media to ease stress and to mend your mental health. It does not mean that you have to throw away your mobile phones and laptops! Just make sure that your gadgets do not control you anymore! And the blessing about this digital era is that there is a good lot of search engines providing a lot more of research articles and research findings, thereby initiating your path towards a higher knowledge and excellence. Make use of it wisely and do not fall prey to your never-ending mobile notifications! Gadget addiction can only give you stress, anxiety and depression and nothing short of it! Let the sky be your horizon and be mindful of what happens around you. Let little things derive your attention and be curious about your syllabus and stay excited about your placements! Invest your time in reading, that is the best ever investment you could ever make, I swear that! Reading habit at any era can only make you more productive and focused. Choose your habits prudently and stay healthy!

With lots of love and care from your dear Teacher

AVOGARDO'S NUMBER

The Bridge Between Atoms and the Real World

Author V.P. Akshaya
I B.Sc., Chemistry

1. Introduction

Chemistry deals with matter made up of atoms and molecules, which are extremely small and cannot be seen or counted directly. However, every chemical reaction involves a huge number of these particles. Avogadro's number helps us manage this by giving a way to count tiny atoms and molecules using measurable amounts like mass.

2. What is Avogadro's Number ?

Avogadro's number tells us how many particles are present in one mole of a substance. In the modern SI system, its exact value is 6.022×10^{23} . No matter what the substance is - atoms, molecules, or ions - one mole always contains the same fixed number of particles. Because of this, the mole is used as a universal counting unit in chemistry.

3. Historical Development

The idea of Avogadro's number came from the work of Amedeo Avogadro in 1811. He suggested that equal volumes of gases at the same temperature and pressure contain the same number of molecules. At first, his idea was not accepted, but later experiments proved it to be correct. Today, the constant named after him plays an important role in understanding atoms and molecules.

4. The Crucial Bridge : Atomic vs. Molar Mass

One of the most important uses of Avogadro's number is to connect atomic-level measurements with laboratory scale measurements. At the microscopic level, the masses of atoms and molecules are expressed in atomic mass units (u), while at the macroscopic level, substances are weighed in grams. Avogadro's number acts as a bridge between these two scales, enabling chemists to relate the mass of a substance directly to the number of particles present in it.

$$\text{Molar Volume of Ideal Gas} \\ V_m = 22.413\ 968 \times 10^{-3} \text{ m}^3/\text{mol}$$

5. Practical Applications

A. Chemical Calculations (Stoichiometry)

Chemical equations are balance using moles. Avogadro's number helps convert these mole ratios into the actual number of atoms or molecules involved in a reaction. This allows chemists to calculate the amount of reactants needed, the quantity of products formed, and the efficiency of a chemical reaction.

B. Gas Laws

Avogadro's number forms and basis of Avogadro's law, which describes the behavior of gases. According to this l

aw, equal volumes of gases at the same temperature and pressure contain equal numbers of molecules. At standard temperature and pressure (STP), one mole of an ideal gas occupies about 22.4 litres.

6. Physical and Electrochemistry

In physical chemistry, Avogadro’s number connects microscopic constants with macroscopic properties such as energy and entropy. In electrochemistry, it links the charge of a single electron to the Faraday constant, which helps in calculating the amount of electrical charge involved in electrolysis.

7. Moderns Scientific Relevance

Beyond classical chemistry, Avogadro’s number plays an important role in many advanced fields. In nanotechnology, it is used to design and control materials at the molecular level. In pharmaceutical research, it helps in calculating accurate drug dosages and understanding molecular interactions. In materials science, it aids in developing new substance with specific atomic and molecular structures.

Avogadro’s number is much more than just a numerical value; it is the key link between atomic theory and practical chemistry, it allows scientists to measure and count atoms and molecules that cannot be seen directly. By connecting the microscopic world with laboratory-scale measurements, Avogadro’s number remains a fundamental concept in chemical science and modern technological development.

Students Counselling Centre & Health Care Centre (SCC & HCC)

The Students Counselling Centre & Health Care Centre (SCC & HCC) continues to function as a vital support system within the institution, addressing both the psychological well-being and physical health of students and staff. Beyond providing primary healthcare assistance, the Centre offers structured stress-relief counselling services aimed at fostering a balanced and supportive academic environment.

The Centre operates under the able guidance of Dr. S. Surendran, Head, Department of Sociology. Strategically located near the Ladies' Hostel, the facility is well-equipped with more than three beds, essential first-aid kits, and a napkin incinerator (napkin firing box) facility to ensure proper menstrual hygiene management and safe disposal practices. The institution gratefully acknowledges the dedicated and selfless service of Dr. Latha Nagarajan, whose continuous efforts have significantly strengthened the functioning of the Centre.

The SCC & HCC plays a proactive role in promoting mental health awareness, particularly during examination periods when students experience heightened stress and anxiety. Through individual counselling sessions and guidance programmes, the Centre assists students in developing coping strategies, emotional resilience, and positive mental health practices.

In addition to counselling services, the Centre actively creates awareness regarding safety and welfare measures in collaboration with the Tamil Nadu Police, Kanyakumari District Social Welfare Board, and the District Health Centre. The Centre also provides counselling and guidance on cyber-related issues, ensuring students are informed about digital safety and responsible online behaviour.

A comprehensive Health Check-up Programme was organized under the aegis of the Centre, led by Dr. Latha Nagarajan, Dr. N. Ananthi, and the Surya Hospital Team. (Dr. P. Gnana Barathi, Dr. P. Meenakshi Sundaram). The programme benefited all first-year students of the college, including 141 boys and 258 girls, and 220 boys & 178 girls (S.S) ensuring early identification of health concerns and promoting preventive healthcare practices.

In collaboration with Government Health Centres, the SCC & HCC also facilitates the distribution of deworming tablets to students as part of preventive healthcare measures. Additionally, sanitary napkins are provided to girl students to promote menstrual hygiene management and ensure their health and comfort within the campus. These initiatives reflect the Centre's commitment to comprehensive student welfare.

Through its integrated approach to counselling and healthcare services, the Students Counselling Centre & Health Care Centre continues to uphold its commitment to nurturing a healthy, safe, and emotionally resilient student community. Our Chairman, Dr. A. Nagarajan advises the students regarding anemia, malnutrition, health and hygiene through this cell.

Medical services for Staffs

We were honoured to welcome Dr. C.P. Sreekumar, the visionary Chairman of Sooriya Group of Hospitals, to our campus. During his visit, he announced a generous contribution of ₹10 lakhs towards supporting our students' health needs. In addition, he has kindly offered ID cards for all our staff to avail 50% concession on medical services at Sooriya Group of Hospitals. We sincerely thank Dr. Sreekumar for his noble gesture and commitment to the well-being of our students and staff.

NSS ACTIVITIES 2025-26

INTERNATIONAL YOGA DAY

On 20.06.2025, International Yoga Day was celebrated on behalf of NSS units (100,101,102,112,113,116,117,161) at Kavimani kalaiarangam. College Principal In-Charge Dr. A. Vijayalakshmi inaugurated the session. Yoga trainers from Kumari Vadasery Mental Art Forum conducted the training.

FREE DENTAL CAMP

A three-day free dental camp, organized jointly by the NSS units (100,101,102,112,113,116,117,161) of our College and PR Punnagai Dental Hospital on (30.06.2025). Our Chairman - Secretary Dr. A. Nagarajan inaugurated the event, the Principal In-Charge Dr. A. Vijayalakshmi delivered the special address. 300 NSS volunteers participated in the event.

CLEANING ACTIVITY

As part of Independence Day celebration-Swachhata Abhiyan cleaning activities by NSS Volunteers of unit 102 at Kotar Railway station on 15.08.25. The Health Officer of Railway station, Kottar took part in the event. Dr. Divya. R, the programme officer of NSS Unit 102 organized the event.

SWACHHATA HI SEVA CAMPAIGN

NSS Volunteers of NSS Units No.101 & 102 of S.T. Hindu College, Nagercoil, participated in the Swachhata Hi Seva Campaign by Southern Railway at Kottar Railway Station on 27.09.25. Volunteers performed a skit play and took part in a poster painting competition to spread the message of cleanliness and hygiene. They won memento for poster painting competition. The Volunteers of skit play were also honoured by certificates. The event was organized by NSS Programme Officer Dr. R. Divya & Dr. M. Eugene Prince.

STATE LEVEL WORKSHOP

A State Level Workshop on Disaster Management and First Aid for NSS Volunteers and Programme Officers was organized by the NSS cell, M.S University and S.T. Hindu college NSS units (100,101,102,112,113,116,117,161) from 28th August to 30th August 2025 held at Kavimani kalaiarangam. The workshop was inaugurated by Tmt. R. Alagumeena, I.A.S., District Collector, Kanyakumari, Presidential address was delivered by Dr. A. Nagarajan, Chairman-Secretary of the College. The felicitation was given by Dr. Ayyappan.N, Principal of the college.

The Valedictory Function of the workshop was graced by Thiru E. Prasanth, I.F.S., District Forest Officer, Kanyakumari, along with our Chairman, Principal and NSS Coordinator Dr. A. Velliappan. The volunteers and program officers from other universities all over the state were honoured with certificates. The workshop created awareness and imparted practical knowledge on disaster preparedness and first aid among NSS volunteers and programme officers across Tamil Nadu.

AWARENESS PROGRAM

Awareness program, pledge and Railway Hospital Cleaning activities organized by NSS units 101 and 102 at Kotar Railway Hospital on 30.09.25 by NSS Volunteers. Volunteers were honoured by the Doctor with certificates for their service.

HEALTH AWARENESS PROGRAM

On 09.10.25 PCOS Awareness Programme was conducted by NSS PO's Dr. Divya. R (NSS Unit 102) & Dr. B. Malar (NSS Unit 116) at T.S.R Hall, S.T. Hindu College, Nagercoil. The programme was presided by our Principal Dr. N. Ayyappan. The Awareness was given by Gynaecologist Dr. Soundarya Raguram. 150 Students were benefited by the programme.

VOTING AWARENESS

On celebrating Voter's Day, a Rally was conducted from Collector's office to Manimedai, Nagercoil which was inaugurated by our District Collector Mrs. Azhagu Meena on 25.01.26. NSS Volunteers of S.T. Hindu College NSS units (100,101,102,112,113,116,117,161) and NSS POs participated in it.

BLOOD DONATION CAMP

On 04.02.2026, at the Kavimani kalaiarangam NSS units jointly conducted a blood donation camp. The camp was inaugurated by the Chairman-Secretary Dr. A. Nagarajan. The Principal Dr. Ayyappan, Self-Supporting Director Dr. B. Sivakami, NSS Coordinator of M.S. University Dr. A. Velliappan felicitated the event. The team led by Dr. Rakesh, the blood transfusion officer at Kanyakumari Medical College Hospital, efficiently managed the blood collection drive.

ORIENTATION PROGRAMME

Orientation programme for first year NSS Volunteers was held at Kavimani kalaiarangam on 04.02.26. The NSS Coordinator of M.S. U Dr. A. Velliappan and Dr. B. Uma Devi former NSS Programme Officer and NSS Advisory Committee Member gave a talk about the importance of NSS and the duties of a NSS Volunteer. Special PROGRAMME

S.T. Hindu College in collaboration with ZOHU Corporation Pvt. Ltd., organised a training programme for final year students on 30.01.2026. A total of 105 students participated in the programme that was conducted for 15 days from Jan 31 to Feb 16, 2026. This training programme was designed to make future graduates industry-ready, focussing on developing their computing skills and programming techniques.

INTELLECTUAL PROPERTY RIGHTS CELL Activity 2025-26

The Intellectual Property Rights (IPR) Cell of S.T. Hindu College is committed to fostering a culture of innovation and protecting the academic assets of our institution. Under the leadership of Convener Dr. M. Meena (Associate Professor of Physics) and a multidisciplinary committee including Dr. B. Sheeba Kumari (History), Dr. G. S. Anantha Selvi (Zoology), Dr. A. Vijaya Kumar (Computer Science), and Dr. R. Rajan Babu (Economics), the cell successfully executed several key initiatives this academic year.

- Orientation Programme (October 10, 2025): Organized at T.S.R. Hall for research scholars, featuring a special talk by IQAC Coordinator Dr. K. Pazhanikumar on the basics of research and Intellectual Property Rights.
- The Intellectual Property Rights (IPR) Cell of S.T. Hindu College, Nagercoil, in Association with IQAC organized a one-day seminar titled "From Idea to Innovation: Research Methodology & Patent Awareness" on February 5, 2026, at T.S. Ramasamy Hall. Convened by Dr. M. Meena, the event was inaugurated by Chairman Dr. A. Nagarajan and Principal Dr. N. Ayyappan. Technical sessions led by Dr. P. Natarajan (Hawassa University in Ethiopia) and Dr. E. R. Rajakumar (SkillDux Edutech) provided insights into thesis carving and patent filing. The seminar empowered scholars and PG students to transform academic research into protected innovation, Nearly 142 participants attended this event.

Mayor R. Mahesh of Nagercoil recently handed out laptops to 1,418 students both second-year and final-year under the Ulagam Ungal Kaiyil scheme. The event was attended by the Principal, Board Members, Superintendent, and S.S Director, making it a momentous occasion for the students.

IGNOU Study Centre (2511) - S.T. Hindu College, Nagercoil

Established in 1992, the IGNOU Study Centre (2511) at S.T. Hindu College functions under the Regional Centre – IGNOU, Trivandrum. Over the years, it has evolved into a dynamic hub for open and distance learning, enabling students to pursue higher education without relocating, while benefiting from the academic environment of the college. The centre is efficiently administered by Dr. P. Muthukrishnan, Coordinator, and Dr. B. Sivagami, Assistant Coordinator, who facilitate smooth operations and support students in various ways.

A distinctive strength of the centre is the committed involvement of the college faculty, who serve as Academic Counsellors. Their continuous academic support, mentoring, and guidance play a crucial role in helping learners successfully complete their programmes and achieve their professional aspirations.

One of the most valuable opportunities offered by the study centre is the provision for dual degree programmes. Students enrolled in regular courses at S.T. Hindu College can simultaneously pursue Certificate, Diploma, Undergraduate, and Postgraduate programmes through IGNOU. This flexibility allows learners to broaden their academic horizons, strengthen their qualifications, and enhance their employability.

The academic year 2025-2026 marked a period of notable expansion and achievement:

- ★ More than 370 students secured admission across various programmes.
- ★ Nearly 1022 learners appeared for the January 2026 Term-End Examinations.
- ★ Around 1882 assignments were submitted, reflecting strong academic engagement and commitment.

A significant milestone during the year was the audit conducted by the IGNOU New Delhi. The study centre successfully met all required standards and received approval with commendation, earning appreciation for its systematic administration, record maintenance, and learner support services. This recognition has further strengthened the reputation of the centre at the regional level.

The IGNOU Study Centre at S.T. Hindu College continues to serve as a platform for academic advancement and skill enhancement. By promoting accessible, flexible, and quality education, it empowers students to upskill, gain employment, and pursue lifelong learning. The centre remains committed to fostering academic excellence and expanding opportunities for learners in the region.

TAMILNADU ENGINEERING ADMISSION-2025

TNEA Facilitation Center (TFC-51)-S.T.Hindu College

Coordinator : Dr.N.Ayyappan

Co-coordinator : Dr.K.Pazhanikumar

The Tamil Nadu Engineering Admissions (TNEA) is a centralized online admission process conducted by the Directorate of Technical Education (DoTE), Government of Tamil Nadu, for admission to engineering and related programmes. To facilitate smooth implementation of the process, TNEA Facilitation Centres (TFCs) are established in every district to provide support for online registration, certificate verification, choice filling, and tentative admission.

In Kanyakumari District, S.T. Hindu College, Nagercoil, has been functioning as a TNEA Facilitation Centre since the 2019–2020 academic year. During the current admission cycle(2025-2026), nearly 2,000 applications for Engineering, B.Arch., and Supplementary admissions were successfully verified at the Centre, and the tentative number of admissions stands at 306, reflecting the Centre's significant contribution to the effective implementation of the TNEA process in the district.

Principal Dr. N. Ayyappan inaugurates the Round-1 Tentative Admission Process for Tamil Nadu Engineering Admissions (TNEA) at S.T. Hindu College.

Dr. Gowrisankar from DOTE, TNEA-2025, made a surprise visit to our TFC 1st August 2025. He reviewed the admission process and handed over a tentative allotment copy to a candidate. He appreciated and congratulated our TFC team for the well-organized arrangements.

SCIENCE SPECTACULAR 2025 : IGNITING YOUNG MINDS

Science Spectacular 2025: Igniting Young Minds was organised by S.T. Hindu College on 3rd September 2025. Nearly 200 students and 22 teachers from 11 different schools participated. The programme commenced at 9.30 am with the inauguration ceremony. Dr. B. Sivagami, Director of Self-Supporting Courses, delivered the welcome address. Chairman Dr. A. Nagarajan, gave the Presidential address. Principal Dr. N. Ayyappan delivered a motivational speech. Mrs. A. S. Sangeetha, Assistant Professor of Computer Science (S.S), presented course details. Prof. N. Padmakumar, Head & Assistant Professor of Electronics, delivered the vote of thanks.

After the inauguration ceremony, the students visited all the laboratories of our college and observed the institution's lab infrastructure. They explored the laboratories of Computer Science, Electronics, Biotechnology, Nano Science, Physics, Chemistry, Botany, and Zoology, as well as an exhibit by the Department of Mathematics. Additionally, they visited other facilities such as the gymnasium, library, indoor stadium, and Aavanakalanjiyam (archives) of our college. Students of our college showcased many science projects that stirred a spirit of scientific exploration among the visiting students.

Naan Mudhalvan - Skill Development Programme

Naan Mudhalvan is a flagship skill development initiative introduced by the Government of Tamil Nadu under the Department of Special Programme Implementation, with the objective of empowering youth through industry-relevant and employable skills. Launched on 1st March 2022 by the Honourable Chief Minister of Tamil Nadu, the programme aims to bridge the gap between academic learning and industry requirements, while preparing students to meet the dynamic demands of the modern workforce.

The implementation and monitoring of the programme are carried out by the Tamil Nadu Skill Development Corporation (TNSDC) under the leadership of IAS officer Mr. Kranti Kumar Pati (Managing Director), Dr. M. Jayaprakasan (Chief Executive Officer), Ms. S. Shanthi (PD-Tech), Ms. Anjana (VP Services), along with district-level managers and university representatives. At the institutional level, a Single Point of Contact (SPOC) and designated faculty managers ensure the effective execution of the programme.

In our institution, under the able guidance of the Principal, Dr. N. Ayyapan, the programme is coordinated by Dr. J. Satya, Assistant Professor, Department of Chemistry, serving as SPOC. The programme is supported by faculty managers: Dr. S. J. Sreeja (Department of Zoology), Dr. M. Thanumalayaperumal (Department of English), and Dr. S. Subbulekshmi (Department of Computer Science).

During the odd semester, forty faculty members participated in Faculty Development Programmes (FDPs) organized by Naan Mudhalvan – Skill Development Corporation in collaboration with Manonmaniam Sundaranar University. Several faculty members were recognized as Master Assessors based on their performance and were entrusted with conducting external assessments for affiliated colleges. Induction programmes for first-year students were conducted in four batches to familiarize them with the objectives and structure of the Naan Mudhalvan courses. Continuous efforts were made by faculty members to motivate students to complete assignments in a timely manner. Students from various departments actively participated in hackathons conducted by training partners and secured certificates and cash awards at the university level.

The even semester commenced with additional FDPs, including offline sessions, particularly for programme-specific courses introduced from the fourth semester onwards. Thirty-seven faculty members attended these intensive training sessions at Manonmaniam Sundaranar University, demonstrating commendable commitment despite logistical challenges such as daily long-distance travel. The increased number of offline sessions during this semester ensured greater student engagement and hands-on learning experiences.

The programme has yielded notable outcomes in terms of skill enhancement among students. Improvements in English communication skills and digital competencies have been observed, reflecting the practical impact of the Employability Skills courses. Furthermore, students actively participated in placement initiatives organized by Naan Mudhalvan – TNSDC, with several securing employment opportunities.

The Naan Mudhalvan team of our institution remains committed to achieving the objectives of the programme and ensuring its successful implementation. The team looks forward to continuing its efforts in nurturing skilled and industry-ready graduates.

I take this opportunity to express my sincere gratitude to the Chairman, the Principal, Heads of Departments, faculty members, and programme managers for their continuous support and dedicated efforts. Special thanks are extended to the District Programme Manager, Mr. Dinesh, for his timely assistance and guidance in addressing challenges throughout the year.

Dr. J. Satya

**Summer Symphony :
The Annual Konnappoo Bloom at
S.T. Hindu College**

Dr. V. Mary Kensa
Associate Professor of Botany

Cassia fistula (Konnappoo) is a beautiful tree of the tropics and subtropics which bears beautiful yellow flowers. It belongs to the family Leguminosae, subfamily Caesalpinoideae. It is the national flower and tree of Thailand. It is the state flower of Kerala in India. In India it is known by different names such as Amaltas in Hindi, Kakke in Kannada, Konrai in Tamil Nadu, Sonali or Amultas in Bengali and Aaragvardh or Raajvriksha in Sanskrit. The Indian Posts had issued a stamp to commemorate this tree on 1st September 1981. A Rs. 20 stamp was also issued on 20th November 2000 to commemorate the same.

The *Cassia fistula* is a cornerstone of summer aesthetics in tropical Asia, turning roadsides into golden avenues and acting as a vital symbol of cultural heritage in several countries. The peak flowering season occurs in late spring to early summer, generally between April and July in India.

The annual blooming of Konnappoo flowers in our college campus is a much-anticipated event that brings a touch of magic to the surroundings. The Konnappoo blooms have become an integral part of our college's identity, symbolizing the beauty and vibrancy of campus life. As a botanist, I'm always in awe of the Konnappoo's incredible reproductive prowess!. The sheer number of flowers that bloom each year is truly breathtaking. It's like witnessing nature's own fireworks display - a riot of yellow petals bursting forth, filling the air with sweet fragrance and vibrant colour. The Konnappoo's bloom is indeed a testament to nature's masterpiece! Standing amidst the vibrant petals, it's easy to feel a sense of awe and gratitude for the divine artistry that brings such beauty into our lives. The intricate patterns, the vibrant hues, and the delicate fragrance all come together to create a symphony of wonder.

QUIZFOLIO'26 - WHERE KNOWLEDGE MEETS COMPETITION

Quizfolio'26, a vibrant and intellectually enriching quiz competition, was successfully conducted on 23rd March 2026, bringing together enthusiastic minds in a celebration of knowledge, curiosity, and competitive spirit. The event was honored by the presence of the esteemed Chief Guest, Mr. V. T. Puthiavan, Former Deputy Project Director of ISRO, whose inspiring presence added great value and motivation to the occasion. His association with such a prestigious organization served as a reminder of the heights that knowledge and dedication can achieve.

The journey to the grand finale was thoughtfully structured through a series of preliminary rounds conducted in December, January, and February. In each of these rounds, the teams that secured the first position earned direct qualification for the final round. From these competitive stages, six outstanding teams emerged, including three teams from the regular stream and three teams from the self-supporting stream, all of whom advanced to the grand finale.

A total of 6 teams, comprising 12 participants, took part in the final round, showcasing remarkable enthusiasm and preparedness. The quiz was structured into 10 exciting and challenging rounds, each designed to test different dimensions of knowledge and thinking ability. These included Rapid Fire, Power Play (2x), Buzzer Round, Mystery Box Round, Knockout Round, Image Round, Steal the Point, Double Treat, Jackpot, and the Risk It Round. Each round brought its own intensity, keeping both participants and the audience fully engaged throughout the event. After a thrilling series of rounds, the winners emerged as follows:

First Prize

M. Gautham and S. Suriya (II B.Sc Biotechnology - S.S)

Second Prize

C. L. Maharajan and M. S. Sabarish (II BCA - S.S)

M. Siva Sinthiya and R. P. Subiksha (II B.A English - S.S)

Third Prize

S. Jeevan Saran Sundar and K. Abinaya (II B.Sc Zoology)

The event was meticulously organized under the guidance of Dr. K. K. Alageswari, Librarian (i/c), whose dedication and efforts ensured the smooth and successful execution of the programme.

The **HOSTEL** day

The Hostel Day celebration at S.T. Hindu College, Nagercoil was a grand and memorable occasion filled with joy, pride, and togetherness. The program was held on 18.3.2026 @ Kavimani Auditorium. The event began with a warm and graceful Welcome Address delivered by Dr. M.J. Uma, Assistant Professor in Electronics (S.S), Hostel Deputy Warden, setting a positive tone for the day. The inspiring Presidential Address by Dr. A. Nagarajan, Chairman-Secretary, followed by the Inaugural Address by Dr. N. Ayyappan, Principal, added great value and motivation to the gathering. The Felicitation Ceremony was a proud moment as we honored our respected dignitaries Thiru. R. Ayyavoo (Vice Chairman), and Dr. B. Sivagami (S.S - Director) for their support and contributions. Thiru. K.M. Kumaraswamy (Treasurer), Dr. Latha Nagarajan (Medical Counsellor), and Mrs.S. Shakila (Superintendent) also graciously took part in the Hostel Day celebration.

The stage then came alive with vibrant dance performances, showcasing talent, energy, and creativity, which truly entertained the audience. The event also included the honouring of Staffs and Prize Distribution, celebrating achievements and appreciating dedication. The programme concluded with a heartfelt Vote of Thanks by Ms. S.M. Sreelekshmi, PhD Scholar, expressing gratitude to everyone who made the event successful. Finally, the celebration ended on a respectful note with the National Anthem, leaving everyone with a sense of pride and unity.
